Kings Bastard:

The Uncrowned King Rowena Cory Daniells, 2016-10-11 Thirteen year old Piro watches powerless as her father's enemies march on his castle. A traitor whispers poison in the King's ear, undermining his trust in her brother Byren. Determined to prove his loyalty, Byren races across the path of the advancing army towards the Abbey. Somehow he must get there in time to convince the Abbot to send his warriors to defend the castle. Meanwhile the youngest of King Rolens sons Fyn has barely begun his training as an Abbey mystic but he wakes in a cold sweat haunted by dreams of betrayal. INCLUDES BONUS NOVELLA THE KING'S MAN Garzik, younger son of Lord Dovecote, has been captured and sent to Merofynia as a prize of war. Now he must set things right before he can return home. Turning his misfortune into opportunity, Garzik resolves to spy for the rightful king, Byren, who yet thinks him slain at Dovecote. With fortune on his side, he may learn something that could change the path of the war for Garzik is and always will be the king's man. King Breaker Rowena Cory Daniells, 2016-12-06 When Cobalt stole the Rolencian throne, Byren, Fyn, and Piro were lucky to escape with their lives. Now they've rallied and will set out to avenge their parents' murders. Byren is driven to defeat Cobalt and reclaim the crown, but at what cost? Fyn has sworn to serve Byren's interests, but his loyalty is tested when he realises he loves Byren's betrothed. And Piro never wanted to win a throne, but now she holds the fate of a people in her hands. 'The Troublesome Reign of King John' Frederick James Furnivall, John James Munro, 1913 *Last Argument of Kings* Joe Abercrombie, 2015-09-08 The final novel in the First Law Trilogy by New York Times bestseller Joe Abercrombie. Logen Ninefingers might only have one more fight in him, but it's going to be a big one. Battle rages across the North; the king of the Northmen still stands firm, and there's only one man who can stop him. His oldest friend and his oldest enemy: it's time for the Bloody Nine to come home. With too many masters and too little time, Superior Glokta is fighting a different kind of war: a secret struggle in which no one is safe and no one can be trusted. As his days with a sword are far behind him, it's fortunate that he's deadly with his remaining weapons: blackmail, threats, and torture. Jezal dan Luthar has decided that winning glory is too painful an undertaking and turned his back on soldiering for a simple life with the woman he loves. But love can be painful too, and glory has a nasty habit of creeping up on a man when he least expects it. The king of the Union lies on his deathbed; the peasants revolt, and the nobles scramble to steal his crown. No one believes that the shadow of war is about to fall across the heart of the Union. Only the First of the Magi can save the world, but there are risks. There is no risk more terrible than to break the First Law. *The Royal Bastards of Medieval England* Chris Given-Wilson, Alice Curteis, 2023-11-06 First published in 1984, *The Royal Bastards of Medieval England* establishes a list of royal bastards in medieval England and discusses their roles in the history of the period. The authors describe how gradually the church began to formulate more definite views on sexual and marital customs, with a consequent decline in the status of illegitimate children. By early sixteenth century, however, royal bastards were once again making their way into the peerage. The book charts the lives of these men and women against the background, not only

of contemporary political developments but also of changing ideas about morality and family This book will be of interest to students of history religion and literature
