Commentary on the Old Testament ...: Kings to Esther, by M.S. Terry ,1875 1 Kings 16 - 2 Kings 16 Steve McKenzie,2018-12-19 This volume makes use of diverse methods and approaches to offer fresh treatments of 1 Kings 16 2 Kings 16 both synchronically and diachronically Among its major contributions are a detailed text critical analysis that frequently adopts readings of the Old Greek and Old Latin and at the same time a reexamination of the variant chronologies for the kings of Israel and Judah that argues for the priority of the one in the Masoretic Text The book presents a new theory of the compositional history of these chapters that ascribes them mostly to the hand of a postexilic Prophetic Narrator who reworked older legenda especially about Elisha and effectively shaped Kings into the work we have today 'The Real Scriptures' of God James Platter,2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language *The Holy Bible, In the Authorized Version ,1872 **The First Book of Kings ,1911***
