*American Smuggling as White Collar Crime* Lawrence Karson, 2020-09-29 When Edwin Sutherland introduced the concept of white collar crime he referred to the respectable businessmen of his day who had in the course of their occupations violated the law whenever it was advantageous to do so Yet since the founding of the American Republic numerous otherwise respectable individuals had been involved in white collar criminality Using organized smuggling as an exemplar this narrative history of American smuggling establishes that white collar crime has always been an integral part of American history when conditions were favorable to violating the law This dark side of the American Dream originally exposed itself in colonial times with elite merchants of communities such as Boston trafficking contraband into the colonies It again came to the forefront during the Embargo of 1809 and continued through the War of 1812 the Civil War nineteenth century filibustering the Mexican Revolution and Prohibition The author also shows that the years of illegal opium trade with China by American merchants served as precursor to the later smuggling of opium into the United States The author confirms that each period of smuggling was a link in the continuing chain of white collar crime in the 150 years prior to Sutherland s assertion of corporate criminality

**Naval Constabulary Operations and Fisheries Governance** Sean A. G. Andrews, 2024-05-07 This book offers an analysis of naval constabulary operations in particular Australian fisheries patrols and challenges the widely accepted Anglo American school of maritime thought In the Indo Pacific fisheries and the activities of fishing boats are of increasing strategic importance in Australia s region Australia s Four Oceans Issues of overfishing population growth and climate change are placing growing pressure on fish as a resource and in doing so are making fisheries more significant and significant on a strategic as opposed to simply an economic or environmental level When combined with the growing use of fishing vessels as para naval forces it is clear that the activities of fishing vessels whether fishing or not fishing are matters of considerable strategic relevance This book illuminates contemporary seapower challenges explains and defines maritime security and examines and refines existing theory to advance a set of new or refined concepts to help frame the on water activities of constabulary operations reducing the possibility of on water miscalculation between states This book will be of much interest to students and scholars of naval studies and sea power maritime strategy maritime security and International Relations

BOOK JACKET **The Long Process of Development** Jerry F. Hough, Robin Grier, 2015-04-30 This groundbreaking book examines

the history of Spain England the United States and Mexico to explain why development takes centuries      Coastal Policing in Eighteenth-Century Britain Hannes Ziegler,2025-06-10 The first comprehensive study of Britain s coastal policing and administration across the long eighteenth century Throughout Britain s past its coast has presented security concerns Despite this long history of raids smugglers and warfare consistent designated and permanent coastal enforcement bodies were only established in England in the 1690s Initially a reaction to the threats of the Nine Years Wars their creation spoke to a new understanding of The Coast as a politically distinct and liminal space a region neither land nor sea with its own issues and social dynamics that had to be controlled through new more sophisticated methods This study explores the circumstances that both necessitated a formalised policing of coastal areas and influenced the subsequent development of these enforcement bodies showing how their missions and practices fluctuated in relation to key political events and economic policies across the century In doing so the book encompasses a long eighteenth century starting with political developments in the run up to the Glorious Revolution and ending with the overhaul of coastal bureaucracies in the wake of the Napoleonic Wars In conjunction with this larger historical sweep through extensive archival research the book reveals the failures in coastal policing arguing that these shortcomings stemmed not from the cunning of smugglers or bureaucratic inefficiency but from inherent contradictions in Britain s imperial ambitions In highlighting the complexities of this watery borderland Hannes Ziegler sheds new light on the inner workings of Britain s fiscal military enterprises and state building challenges of its evolving imperial identity gs stemmed not from the cunning of smugglers or bureaucratic inefficiency but from inherent contradictions in Britain s imperial ambitions In highlighting the complexities of this watery borderland Hannes Ziegler sheds new light on the inner workings of Britain s fiscal military enterprises and state building challenges of its evolving imperial identity gs stemmed not from the cunning of smugglers or bureaucratic inefficiency but from inherent contradictions in Britain s imperial ambitions In highlighting the complexities of this watery borderland Hannes Ziegler sheds new light on the inner workings of Britain s fiscal military enterprises and state building challenges of its evolving imperial identity olving imperial identity      **The Smuggling War** Geoffrey Morley,1994      *The Yachtsman's Guide* ,1967      **Folkstone's ROCKHILL School** Sandy Hargrove,2013-07-22 This is the story of a girl s school that has lasted over 200 years from its start on the old parade ground of a ruined castle s bailey in Folkestone to its current existence on the Isle of Wight Its name has changed from Mrs Cullen s

Establishment a Dame s School to Parade House Academy to Rockhill to the Anglo Continental School and now to Upper Chine Though its name and location have changed it has proven to be an enduring institution Fourth in the Florence Harrison series this book describes the school where Florence lived as a child and the impact the school had on her family and her career Illustrated with numerous color pictures and maps      **The Seaforth Bibliography** Eugene

Rasor,2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side      **Victorian Britain** Sally Mitchell,2011 First published in 1988 this encyclopedia serves as an overview and point of entry to the complex interdisciplinary field of Victorian studies The signed articles which cover persons events institutions topics groups and artefacts in Great Britain between 1837 and 1901 have been written by authorities in the field and contain bibliographies to provide guidelines for further research The work is intended for undergraduates and the general reader and also as a starting point for graduates who wish to explore new fields      **King's Cutters and**

**Smugglers, 1700-1855** Edward Keble Chatterton,1912      **Waterford Harbour** Andrew Doherty,2020-09-30 Waterford harbour has centuries of tradition based on its extensive fishery and maritime trade Steeped in history customs and an enviable spirit it was there that Andrew Doherty was born and raised amongst a treasure chest of stories spun by the fishermen sailors and their families As an adult he began to research these accounts and to his surprise found many were based on fact In this book Doherty will take you on a fascinating journey along the harbour introduce you to some of its most important sites and people the area s history and some of its most fantastic tales Dreaded press gangs who raided whole communities for crew the search for buried gold and a ship seized by pirates the horror of a German bombing of the rural idyll during the Second World War on every page of this incredible account you will learn something of the maritime community of Waterford Harbour      The Mariner's Mirror Leonard George Carr Laughton,Roger Charles Anderson,William Gordon Perrin,1913      *King's Cutters* Graham Smith,1983      King of the Gunrunners James W.
