Kings Donkey And Other Stories:

The King's Donkey, and Other Stories Mary Richardson, 1988-01-01 **Brother Rabbit and Other Stories for Little Ones - Illustrated by Honor C. Appleton** Sara Cone Bryant, 2013-04-16 Pook Press celebrates the great Golden Age of Illustration in children's literature. Many of the earliest children's books, particularly those dating back to the 1850s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high-quality colour editions using the original text and artwork so these works can delight another generation of children. About the Illustrator: Honor Charlotte Appleton (1879-1951) was known for her delicate watercolour illustrations, influenced by Kate Greenaway and Arthur Rackham. She illustrated more than 100 children's books during her career, including *Alice in Wonderland*, *Aladdin*, and *Black Beauty*, but it was for her editions of Hans Christian Andersen's fairy tales and her illustrations of Josephine in H.C. Craddock's series that she received most universal acclaim. *The Prophecy and Other Stories* Drago Jancar, 2009-03-05 These newly collected short stories reveal a master at the top of his game. Drago Jancar possesses an acute understanding of the human psyche, enabling his stories to resonate beyond their particular milieu. This collection features seven pieces drawn from four different collections that together present the struggle of individuals against powerful forces. The characters try to make sense of a world of shifting borders and changing names that make the idea of a homeland, either literal or figurative, a dream rather than a reality. *Still Life and Other Stories* Junzo Shono, 2010-10-29 The 13 stories in this collection by Japanese writer Junzo Shono are linked by the daily life of a husband and wife and their children. The stories are like the back of a tapestry where threads seem to cross randomly: Births, weddings, school activities, a suicide attempt—all occur out of view. Readers understand crucial events through ordinary days. But these quiet tales have a cumulative power. Toys, birds, and playing cards relate to human lives as portents, parallels, parodies. The mother with her secret sorrows and the puzzled, bemused father savor reveries and survive unexplained misfortunes. Shono's vivid snapshot technique, the layering of images, events, and conversations, creates an effect Western readers may find more akin to an Ozu film crossed with haiku than to traditional short stories. *THE GOLDEN MAIDEN AND OTHER STORIES FROM ARMENIA - 29 stories from the Caucasus Corridor* Anon. E. Mouse, 2018-09-15 Herein are 29 Armenian Fairy Tales and legends. Some of these stories may have a familiar ring, and others will be entirely new to the reader despite their being millennia old. Here you will find stories like *The Golden Maiden*, *The Betrothed Of Destiny*, *The Fairy Nightingale*, *The Dreamer*, *The Bride Of The Fountain*, *Dyhicon*, *The Coward Hero*, *Zoolvisia*, *Dragon Child And Sun Child*, *The Magic Ring*, *Bedik And The Invulnerable Giant*, *The Maiden Of The Sea*, and many, many more. A distinguished English student of folk lore wrote: Armenia offers a rich and hitherto almost untouched library of folklore. Never before has such a true statement been made for Armenia, sits astride the main northern arm of the Silk Route, the one which runs north from Persia and the ancient city of Persepolis through the valley of Ararat and the Caucasus corridor to the Black Sea to the capitals of Northern Europe. It is along this axis

that stories goods and spices were traded Initially this was an East West trade but as Europe grew and matured this became a two way trade with European culture and customs travelling East and Eastern culture and customs travelling West all through Armenia where a great deal of them were deposited and took root So it is from this source that these tales have been drawn and we ve only just scratched the surface 10% of the profit from the sale of this book will be donated to charities

Mark Twain,2021-07-03 Excerpt It was well along in the forenoon of a bitter winter s day The town of Eastport in the state of Maine lay buried under a deep snow that was newly fallen The customary bustle in the streets was wanting One could look long distances down them and see nothing but a dead white emptiness with silence to match Of course I do not mean that you could see the silence no you could only hear it The sidewalks were merely long deep ditches with steep snow walls on either side Here and there you might hear the faint far scrape of a wooden shovel and if you were quick enough you might catch a glimpse of a distant black figure stooping and disappearing in one of those ditches and reappearing the next moment with a motion which you would know meant the heaving out of a shovelful of snow But you needed to be quick for that black figure would not linger but would soon drop that shovel and scud for the house thrashing itself with its arms to warm them Yes it was too venomously cold for snow shovelers or anybody else to stay out long **Preferred List of Books for District**

School Libraries in the State of Michigan ... Michigan. Department of Public Instruction,1925 **House of Mourning and Other Stories** Desmond Hogan,2013-06-18 There is no doubt that Desmond Hogan is one of most remarkable literary talents to have come out of Ireland in the past half century and perhaps the best introduction to his work is through his magnificent short stories widely anthologized and praised throughout the world Focusing as always on the downtrodden and the eccentric the misplaced and the dispossessed Hogan s stories merge past with present landscape with mindscape distinctly Irish and burdened by history while exhilaratingly and wholly universal and modern *Dora Maitland, and other stories* Mrs. Theresa Cornwallis J.
