Luke** Alfred Plummer,1896      **A Critical and Exegetical Commentary on the Gospel According to St. Luke** Alfred Plummer,1896      **Critical and Exegetical Commentary on the New Testament** Heinrich August Wilhelm Meyer,1884      Old Testament Narrative Jerome T. Walsh,2010-02-01 The Old Testament s stories are intriguing mesmerizing and provocative not only due to their ancient literary craft but also because of their ongoing relevance In this volume well suited to college and seminary use Jerome Walsh explains how to interpret these narrative passages of Scripture based on standard literary elements such as plot characterization setting pace point of view and patterns of repetition What makes this book an exceptional resource is an appendix that offers practical examples of narrative interpretation something no other book on Old Testament interpretation offers      **The Supporting Cast of the Bible** Gina Hens-Piazza,2020-01-14 Focusing on supporting characters in the Old Testament Gina Hens Piazza argues against the caste system of the biblical narratives and provides insight into the many and different others who make up the anonymous multitude in the biblical world      **The Reconstructed Chronology of the Divided Kingdom** M. Christine Tetley,2005 The common response to any attempt to read the chronological notations associated with the kings of Israel and Judah in the time of the divided monarchy is perhaps a shrug of the shoulders or a statement to the effect that the problem is insoluble Not only are the apparently contradictory or confusing notations of the MT a consideration but the evidence of the other major versions seriously complicates any such undertaking In the twentieth century Edwin R Thiele attempted to reconcile and wrangle all of the numbers into a semblance of order with results that were far from convincing to his readers Now Christine Tetley has attacked this knottiest of problems with fresh vigor and assayed a new solution There is no doubt that this book will be controversial nevertheless it will be required reading for anyone who wishes to pin archaeological and historical data within the framework of an absolute chronology      **A Critical and Exegetical Commentary on Judges** Moore,1895      A Critical and Exegetical Commentary on Judges George Foot Moore,1895      *The King and the Cemeteries* W.
