Kingship And Law In The Middle Ages

Fritz Kern

Kingship And Law In The Middle Ages:

Kingship and Law in the Middle Ages Fritz Kern, 2013-07 A Classic Study of Early Constitutional Law First published in 1914 this is one of the most important studies of early constitutional law Kern observes that discussions of the state in the ninth eleventh and thirteenth centuries invariably asked whose rights were paramount Were they those of the ruler or the people Kern locates the origins of this debate which has continued to the twentieth century in church doctrine and the history of the early German states He demonstrates that the interaction of these two sets of influences in conflict and alliance prepared the ground for a new outlook in the relations between the ruler and the ruled and laid the foundations both of absolutist and of constitutional theory 4 A pioneering and classic study Norman F Cantor *Inventing the Middle Ages* 106 Fritz Kern 1884 1950 was a professor journalist and state official From 1914 to 1918 he worked for the Foreign Ministry and the General Staff in Berlin One of the leading medieval historians of his time his works include *Die Anfänge der französischen Ausdehnungspolitik bis zum Jahr 1308* 1910 and *Recht und Verfassung im Mittelalter* 1919 **Kingship and Law in the Middle Ages** Fritz Kern, 1948 Kingship and Law in the Middle Ages, 1943 **Kingship and Law in the Middle Ages** Fritz Kern, 1948 **Kingship and law in the Middle Ages** Fritz Kern, 1956 Kingship and Law in the Middle Ages Fritz Kern, 1956 Kingship and Law in the Middle Ages Fritz Kern, 1939 *Kern, Fritz*, 1956 *Kingship and law in the middle ages: 1. The divine right of kings and the right of resistance in the early middle ages* Fritz Kern, 1939 **Kingship, Law, and Society** Edward Powell, 1989-12-14 This book breaks new ground in the study of crime and law enforcement in late medieval England using the reign of Henry V as a detailed case study Dr Powell considers the subject on three levels legal theory academic governmental and popular thinking about the nature of law legal machinery the framework of courts and their procedures and legal practice the enforcement of the law in the reign of Henry V There exists at present no other work devoted to setting the legal system of this period in its social and political context Rejecting the traditional view of late medieval England as chronically lawless and violent Dr Powell emphasizes instead the structural constraints on royal power to enforce the law and the King's dependence on the co-operation of local society for the maintenance of his peace Public order relied less on the coercive powers of the courts than the art of political management and the use of procedures for conciliation and arbitration at local level **Kingship and Law in the Middle Ages. I. The divine right of kings and the right of resistance in the early middle ages. [A translation of "Gottesgnadentum und Widerstandsrecht im früheren Mittelalter.] II. Law and constitution in the middle ages. [A translation of "Recht und Verfassung im Mittelalter."]** ... **Translated with an introduction by S.B. Chrimes** Fritz Kern, 1939 *Law, Literature, and Social Regulation in Early Medieval England* Anya Adair, Andrew Rabin, 2023 Valuable new insights into the multi-layered and multi-directional relationship of law literature and social regulation in pre-Conquest English society Pre-Conquest English law was among the most sophisticated in early medieval Europe Composed largely in the vernacular it played a crucial role in the

evolution of early English identity and exercised a formative influence on the development of the Common Law However recent scholarship has also revealed the significant influence of these legal documents and ideas on other cultural domains both modern and pre modern This collection explores the richness of pre Conquest legal writing by looking beyond its traditional codified form Drawing on methodologies ranging from traditional philology to legal and literary theory and from a diverse selection of contributors offering a broad spectrum of disciplines specialities and perspectives the essays examine the intersection between traditional juridical texts from law codes and charters to treatises and religious regulation and a wide range of literary genres including hagiography and heroic poetry In doing so they demonstrate that the boundary that has traditionally separated law from other modes of thought and writing is far more porous than hitherto realized Overall the volume yields valuable new insights into the multi layered and multi directional relationship of law literature and social regulation in pre Conquest English society *Legal Culture in the Early Medieval West* Patrick Wormald, 1999-01-01

Wormald s essays seek to establish that legal history is not just the history of law nor even that of society but also that of elite and popular culture in complex and creative symbiosis This collection will appeal to all interested in the institutions and ideologies of the premodern world BOOK JACKET *Nobility and Kingship in Medieval England* Andrew M. Spencer, 2014

This book reassesses the relationship between Edward I and his earls and the role of English nobility in thirteenth century governance **Anglo-Saxon Kingship and Political Power** Kathrin McCann, 2018-10-15 Works on Anglo Saxon kingship often take as their starting point the line from Beowulf that was a good king This monograph however explores what it means to be a king and how kings defined their own kingship in opposition to other powers Kings derived their royal power from a divine source which led to conflicts between the interpreters of the divine will the episcopate and the individual wielding power the king Demonstrating how Anglo Saxon kings were able to manipulate political ideologies to increase their own authority this book explores the unique way in which Anglo Saxon kings understood the source and nature of their power and of their own authority Expectations of the Law in the Middle Ages Anthony Musson, 2001 This book represents the first systematic examination of the expectations people had of the law in the middle ages Up until now historians have used medieval legal records to demonstrate the operation of legal rules the functioning of legal institutions and the development of the legal profession but they have rarely considered the attitudes that arose as a result of the processes of law The papers in this volume investigate the way expectations of the law were generated captured revealed or replayed for posterity in medieval Europe in jurisprudential reasoning the activity of charter writing the framing of definitions of liberty the concern for historical justifications and the phraseology of various forms of legislation and chancery bills Attitudes and perceptions are also considered with regard to the active role played by rulers of European states in law giving and in the organisation of legal institutions Contextualising some of the developments in medieval law this volume not only enables generalisations to be made about expectations of the law but also highlights the existence of national and supra national similarities as well as

differences arising in medieval Europe Dr ANTHONY MUSSON teaches in the School of Law at the University of Exeter Contributors RICHARD W KAEUPER D HEIRBAUT M KORPIOLA JUDITH EVERARD CYNTHIA J NEVILLE JULIA C CRICK H SUMMERSON G SEABOURNE G DODD T HASKETT ANTHONY MUSSON C STEBBINGS P TUCKER **Kingship and Consent in Anglo-Saxon England, 871-978** Levi Roach, 2013-10-17 This engaging study focuses on the role of assemblies in later Anglo Saxon politics challenging and nuancing existing models of the late Anglo Saxon state Its ten chapters investigate both traditional constitutional aspects of assemblies who attended these events where and when they met and what business they conducted and the symbolic and representational nature of these gatherings Levi Roach takes into account important recent work on continental rulership and argues that assemblies were not a check on kingship in these years but rather an essential feature of it In particular the author highlights the role of symbolic communication at assemblies arguing that ritual and demonstration were as important in English politics as they were elsewhere in Europe Far from being exceptional the methods of rulership employed by English kings look very much like those witnessed elsewhere on the continent where assemblies and ritual formed an essential part of the political order **Kingship, Legislation and Power in Anglo-Saxon England** Gale R. Owen-Crocker, Brian W. Schneider, 2013 The relationship between Anglo Saxon kingship law and the functioning of power is explored via a number of different angles The essays collected here focus on how Anglo Saxon royal authority was expressed and disseminated through laws delegation relationships between monarch and Church and between monarchs at times of multiple kingships and changing power ratios Specific topics include the importance of kings in consolidating the English nation the development of witnesses as agents of the king s authority the posthumous power of monarchs how ceremonial occasions were used for propaganda reinforcing heirarchic but mutually beneficial kingships the implications of Ine s lawcode and the language of legislation when English kings were ruling previously independent territories and the delegation of local rule The volume also includes a groundbreaking article by Simon Keynes on Anglo Saxon charters looking at the origins of written records the issuing of royal diplomas and the process circumstances performance and function of production of records GALE R OWEN CROCKER is Professor of Anglo Saxon Culture at the University of Manchester Contributors Ann Williams Alexander R Rumble Carole Hough Andrew Rabin Barbara Yorke Ryan Lavelle Alaric Trousdale JEWISH LAW ANNUAL 1978 Bernard S. Jackson, 1978 **The Continuity of the Conquest** Wendy Marie Hoofnagle, 2016-09-16 The Norman conquerors of Anglo Saxon England have traditionally been seen both as rapacious colonizers and as the harbingers of a more civilized culture replacing a tribal Germanic society and its customs with more refined Continental practices Many of the scholarly arguments about the Normans and their influence overlook the impact of the past on the Normans themselves The Continuity of the Conquest corrects these oversights Wendy Marie Hoofnagle explores the Carolingian aspects of Norman influence in England after the Norman Conquest arguing that the Normans literature of kingship envisioned government as a form of imperial rule modeled in many

ways on the glories of Charlemagne and his reign She argues that the aggregate of historical and literary ideals that developed about Charlemagne after his death influenced certain aspects of the Normans approach to ruling including a program of conversion through allurement political domination through symbolic architecture and propaganda and the creation of a sense of the royal forest as an extension of the royal court An engaging new approach to understanding the nature of Norman identity and the culture of writing and problems of succession in Anglo Norman England this volume will enlighten and enrich scholarship on medieval early modern and English history

Kingship And Law In The Middle Ages Introduction

In the digital age, access to information has become easier than ever before. The ability to download Kingship And Law In The Middle Ages has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Kingship And Law In The Middle Ages has opened up a world of possibilities. Downloading Kingship And Law In The Middle Ages provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Kingship And Law In The Middle Ages has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Kingship And Law In The Middle Ages. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Kingship And Law In The Middle Ages. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Kingship And Law In The Middle Ages, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Kingship And Law In The Middle Ages has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Kingship And Law In The Middle Ages Books

1. Where can I buy Kingship And Law In The Middle Ages books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Kingship And Law In The Middle Ages book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
