Kingship And The Kings

**Paul Fouracre, Rosamond
McKitterick, David Abulafia**

Kingship And The Kings:

Kingship and the Kings Jean-Claude Galey, 1989 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company *How Chiefs Became Kings* Patrick Vinton Kirch, 2019-05-07 In *How Chiefs Became Kings* Patrick Vinton Kirch addresses a central problem in anthropological archaeology the emergence of archaic states whose distinctive feature was divine kingship Kirch takes as his focus the Hawaiian archipelago commonly regarded as the archetype of a complex chiefdom Integrating anthropology linguistics archaeology traditional history and theory and drawing on significant contributions from his own four decades of research Kirch argues that Hawaiian polities had become states before the time of Captain Cook s voyage 1778 1779 The status of most archaic states is inferred from the archaeological record But Kirch shows that because Hawai i s kingdoms were established relatively recently they could be observed and recorded by Cook and other European voyagers Substantive and provocative this book makes a major contribution to the literature of precontact Hawai i and illuminates Hawai i s importance in the global theory and literature about divine kingship archaic states and sociopolitical evolution Kings and Kingship in the Hellenistic World 350-30 BC John D. Grainger, 2017 Between c 350 BC and 30 BC the Mediterranean world was one in which kings ruled The exceptions were the Greek cities and Roman Italy But for most of that period neither of these republican areas was central to events For the crucial centuries between Alexander the Great and the Roman conquest of Macedon the political running was made by kings and it is their work and loves and experience which is the subject here Rome s expansion extinguished a series of monarchies and pushed back the area which was ruled by kings for a time but the process of building a republican empire eventually rebounded on the city and the Romans empire came to be ruled by an emperor who was in fact a facsimile of a Hellenistic king Rather than attempting a narrative of the various kingdoms John Grainger takes a thematic approach considering various aspects of Hellenistic kingship in turn This allows him to highlight the common features as well as the differences across the various dynasties How did one become king How was a smooth succession secured and what happened when it was not What were the duties of a king and what were the rewards and distractions These are just a few of the interesting facets examined in this original and fascinating book **Kingship** Arthur Maurice Hocart, 1927 *The King s Three Bodies* Burkhard Schnepel, 2021-04-08 This collection of essays deals with the rituals of kingship and royalty in India Africa and Europe from the social anthropological and ethnohistorical points of view It discusses the dialectical entanglements of rituals conducted for and by kings including little kings and jungle kings with the wider social political cultural historical religious and economic contexts in which they were embedded Part I begins with a triangular comparison of kingship among the Shilluks of East Africa the Gajapatis of eastern India and kings in Renaissance France The essay entitled the King s Three Bodies makes use of Ernst H Kantorowicz s classical study *The King s Two Bodies* in medieval political theology and extends it not only in terms of the numbers of bodies that are found to be significant but also theoretically Another significant essay in this

part looks at the unexpected but significant theoretical impact of social anthropological studies of acephalous segmentary lineage societies in Africa on Indian historiography The second part of this volume consists of three chapters dealing with the royal patronage of tribal and Hindu goddesses in Eastern India while the third part presents studies on sleeping and dreaming kings and on the power of dead kings a discussion of A M Hocart's dictum that the first kings must have been dead kings Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Anglo-Saxon Kingship and Political Power* Kathrin McCann, 2018-10-15 Works on Anglo Saxon kingship often take as their starting point the line from Beowulf that was a good king This monograph however explores what it means to be a king and how kings defined their own kingship in opposition to other powers Kings derived their royal power from a divine source which led to conflicts between the interpreters of the divine will the episcopate and the individual wielding power the king Demonstrating how Anglo Saxon kings were able to manipulate political ideologies to increase their own authority this book explores the unique way in which Anglo Saxon kings understood the source and nature of their power and of their own authority **Every Inch a King**, 2012-11-13 The role of kings the source of their authority and the nature of the practical restraints on their power have exercised political and religious philosophers historians competing candidates for rule and subject populations from the time of the earliest documented human societies How the kingly image is created and presented and how the ruler performs his or her function as the source of justice are among the topics addressed in this volume which also covers the role of queens in maintaining dynastic succession yet being the target of tales of adultery This volume is of particular interest in bringing together studies of kingly power from Cyrus the Great and Alexander in the ancient world to Shah Abbas in the seventeenth century and covering the European Middle Ages as well as Iran and the Muslim world

Encyclopedia of Social and Cultural Anthropology Alan Barnard, Jonathan Spencer, 1996 Providing a guide to the ideas arguments and history of the discipline this volume discusses human social and cultural life in all its diversity and difference Theory ethnography and history are combined in over 230 entries on topics *A Survey of the Old Testament* Andrew E. Hill, John H. Walton, 2000 A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary historical and theological issues of each Old Testament book and of the Old Testament as a whole This revised edition makes the exceptional scope of the first edition more accessible to contemporary readers A redesigned interior complete with new visuals maps photos timelines and charts makes this book more attractive and useful than ever Treating the books of the Old Testament in the order of the English canon A Survey of the Old Testament explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author The book also introduces the reader to issues such as Israelite and Near Eastern history archaeology the formation of the canon and geography Written by two widely respected scholars and educators A Survey of the Old Testament is designed to help readers develop a broad grasp of the Old Testament **The New Cambridge Medieval**

History: Volume 1, C.500-c.700 Paul Fouracre, Rosamond McKitterick, David Abulafia, 1995 Sample Text **David's Successors** Garrett Galvin, 2016-10-06 David's Successors Kingship in the Old Testament argues for a new reading of kingship in the Old Testament Rather than presenting the kings as monsters with the occasional angelic ruler this study seeks a more nuanced version of kingship This book considers the original concept and context of kingship before concentrating on five kings in particular Jeroboam Ahab Hezekiah Manasseh and Josiah Much contemporary scholarship is concerned with the reconceptualization and recontextualization of kingship that harkens from a negative perspective on kingship but this book will fully consider the positive and original vision of kingship This book is ultimately rooted in a hopeful and joyful view of humanity as found in the Psalms Sirach and the Chronicles *No Tolerance for Tyrants* Robert Gnuse, 2011-04-01 Until the modern era monarchs were understood to be supported by the power of God they were in fact in some cases thought to be gods themselves The Bible has often been misinterpreted to encourage such oppressive values Robert Gnuse however argues that the Bible is not a tyrannical text Rather than displaying the lofty divine status of kings the Bible portrays them as human and thus serves as a powerful text for liberation from tyranny and equality for all people By considering the passages about kings and kingship Gnuse highlights the liberating message of the Bible and applies that message to today's world If we attend to these stories of freedom we will work toward ending political abuses and foster liberation and equality **A Companion to the Early Middle Ages** Pauline Stafford, 2013-03-26 Drawing on 28 original essays A Companion to the Early Middle Ages takes an inclusive approach to the history of Britain and Ireland from c 500 to c 1100 to overcome artificial distinctions of modern national boundaries A collaborative history from leading scholars covering the key debates and issues Surveys the building blocks of political society and considers whether there were fundamental differences across Britain and Ireland Considers potential factors for change including the economy Christianisation and the Vikings **The Gods of the Nations** Daniel I. Block, 2013-10-01 Daniel I Block here explores the relationship between ancient Near Eastern nations and their respective deities He demonstrates how this relationship was expressed in everyday life national identity and history Israel's theocratic culture is illuminated in comparison to other Near Eastern cultures Encyclopedia of Political Theory Mark Bevir, 2010-03-18 Looking at the roots of contemporary political theory this three volume set examines the global landscape of all the key theories and the theorists behind them and provides concise to the point definitions of key concepts ideas schools and figures **From Kavad to al-Ghazali** Patricia Crone, 2020-12-19 This volume brings together twelve articles by Patricia Crone dealing with pre Islamic and Islamic religion law and political thought The first section focuses on the centuries before Islam with studies on Mazdakism in Iran and on Islam as the key factor behind the outbreak of Iconoclasm in Byzantium The second group of studies looks at problems in legal history including the codification of the Qur'an while the third investigates questions of political thought amongst them a study of early Muslim anarchists and an examination of the authorship of a work ascribed to al Ghazali Haunted by

Paradise James Bernard Murphy, 2021-01-07 The Bible today is weaponized by both liberals and conservatives side cherry picking their favorite verses Have you ever wondered why the Bible lends itself to supporting contradictory positions in moral debates why even the devil quotes Scripture If so you will enjoy this book Haunted by Paradise reveals the unity and coherence of the Bible in the light of paradise The Bible begins in Eden and ends in the new Jerusalem in between the Bible is haunted by the memory of paradise lost and the hope for paradise regained With paradise as the interpretive key Murphy unlocks biblical ethics He shows that there is no Old Testament ethics or New Testament ethics only a unified biblical ethics In sixteen short chapters this book addresses urgent moral questions about issues ranging from capital punishment to war including divine justice homosexuality marriage nature racism patriarchy and work In each chapter Murphy shows how the Bible negotiates the tension between divine ideals and human realities *Royal Traditions and the Consolidation of Power by Alexander's Successors* John Holton, 2025-06-12 Examining the period of political consolidation after Alexander the Great's death John Holton reconstructs how the successors used new frameworks of royal ideology to create long term kingships There is a particular focus on the deeper manoeuvres within the inter generational impact ranging from the influence of religion and family relations to succession planning and royal funerals In this innovative book Holton expertly reveals how powerful elites either succeeded or failed in creating lasting dynastic power From the chaos of a collapsing empire to the solidification of a new model for autocratic power the consolidation of the institution of Hellenistic kingship across the generation of Alexander's successors 323-276 BC is comprehensively investigated With a comparative perspective and detailed studies of diverse evidence this is the first dedicated study of the consolidation of Hellenistic kingship and the first to put these beginnings in an international context **The Iconoclastic Deity** Clyde A. Holbrook, 1984 This book explores the meanings of images with particular reference to the images of God found in the Bible and surveys the various images found It critically reviews theories of images as distinguished from symbols and argues that images are more forceful representations of the deity than are symbols Early Medieval Europe 300-1050 David Rollason, 2014-05-22 The centuries following the collapse of the Roman Empire saw extraordinary change across Western Europe in institutions social structure rural and urban life religion learning scholarship and art This innovative textbook provides students coming to the study of Early Medieval Europe for the first time with the conceptual and methodological tools to investigate the period for themselves It identifies major research questions and historiographical debates and offers guidance on how to engage with and evaluate the major documentary sources and the evidence of art history and archaeology Ideally structured to support courses and classes in Medieval European history the book's features include Over 50 carefully selected maps and illustrations accompanied by explanatory commentary Detailed guidance on further reading with research questions to aid understanding Timelines and maps to orientate the reader in each chapter An extensive companion website providing practical study guidance reference materials and access to further primary sources Offering a road map to the rich written

and non written sources for this period and the exciting recent scholarship this book is an essential guide for any student wishing to gain a deeper level of understanding and greater confidence in creative and independent historical thought

Kingship And The Kings Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Kingship And The Kings free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Kingship And The Kings free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Kingship And The Kings free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Kingship And The Kings. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or

magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Kingship And The Kings any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Kingship And The Kings Books

1. Where can I buy Kingship And The Kings books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Kingship And The Kings book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Kingship And The Kings books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
