Kipling Chronology:

A Kipling Chronology Harold Orel, 1990 **Kipling's Art of Fiction 1884-1901** David Sergeant, 2013-10-31 Kipling's Art of Fiction 1884-1901 re-establishes its subject as a major artist. Through extended close readings of individual works and unprecedentedly detailed attention to changes in location and readership, it distinguishes between two kinds of Kipling fiction. The first is coercive and concerned with the authoritarian control of meaning; the second relates less directly to its immediate historical surroundings and is more aesthetically complex. Misunderstandings have often resulted from confusing the two kinds of work. Distinguishing between them allows for a newly coherent account of Kipling's career, both explaining his artistic achievement and making clearer his identity as a political writer. Changes in Kipling's narrative practice are tracked as he moves from India to Britain and the US and engages with a succession of new audiences and political contexts. Detailed readings are provided of such key texts as *Plain Tales from the Hills*, *The Jungle Books*, and *Kim*. As well as revealing the precise nature of Kipling's artistry, this book shows how properties of narrative which have been generally underrated, such as embodiment and externality, can be used to make sophisticated fictions, and by linking these to Robert Louis Stevenson's discussion of the romance suggests new ways in which such work might be approached.

A Conrad Chronology Owen Knowles, 1990-01-05 This chronology is designed to provide a digest of Conrad's life as it develops from year to year. It is written as a series of diary or chronicle entries and thus caters for the reader who may wish to check a single fact. The main contents are supplemented by a Who's Who and indexes.

Kipling's Myths of Love and Death Nora Crook, 1989-12-11

A Dr Johnson Chronology Norman Page, 1990-03-12 This chronology, like others in the series, presents the story of Dr Johnson's life in a readily accessible format to provide scholar and general reader alike with a quick guide to dates, people, and places, together with supplementary indexes.

[A Shelley Chronology](#) J.L. Bradley, 2016-07-27 J.L. Bradley's chronology captures much of the drama and excitement of Shelley's life. This is an informative, often witty account which will be extremely valuable to all Shelley students, scholars, and enthusiasts. A section on the Shelley circle is a particularly helpful supplement to the main body of the book.

A Coleridge Chronology Valerie Purton, 1993-05-05 A detailed chronological account of the life of Samuel Taylor Coleridge, built up from contemporary documents including the letters and journals of the writer and of his family and friends. Maps, a family tree, and an extensive index augment the text, and there are over fifty biographical sketches of the Coleridge circle. The progress of the writer's education, reading, friendships, and intellectual interests is carefully adumbrated, and the book provides a rich background to the genesis of the literary work.

A Keats Chronology F.B. Pinion, 2016-07-27 This fully detailed chronology makes the best use of Keats's letters to indicate his poetic aims and achievements. It is supplemented by a valuable introduction and interestingly informative sketches of more than thirty persons of importance in his life. With maps and a bibliography, this work is not only an intensely intimate biography but also an exceptionally useful reference book for students and scholars.

An E. M. Forster Chronology J. Stape, 2016-07-27 This

chronology provides a concise and accurate outline of Forster's personal literary and intellectual life from year to year in a series of crisply written diary entries. While the main focus is on his career as a writer of fiction, most of which falls between 1901 and 1924, the chronicle format also sheds new light on the extent and nature of Forster's political and public commitments during his middle years and into an active old age. Travel, friendships and wide reading are also documented to achieve a coherent picture of a full life. Drawing on numerous unpublished sources including widely scattered letters and the Forster archive at King's College Cambridge, this chronology makes available a wealth of new information about Forster the man and writer.

An Oscar Wilde Chronology Norman Page, 1991-09-12. Providing details of Wilde's life and work in an easily accessible profile, this biography makes use of surviving letters, notebooks, diaries and documents as well as other researched biographies. Other authors in the series include Pope, Byron, Dickens, Kipling and Tennyson.

A Tennyson Chronology F. B. Pinion, 1990-03-05. The presentation of Tennyson's personal and poetic development is supplemented by an introduction, brief biographical sketches of more than 30 of his friends and maps of relevant areas in Lincolnshire and the Isle of Wight.

The Biography Book Daniel S. Burt, 2001-02-28. From Marilyn to Mussolini, people captivate people. A.E.'s Biography best-selling autobiographies and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works including books of fact and fiction, biographies for young readers and documentaries and movies, all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

A Hardy Chronology Timothy Hands, 2016-07-27. A Hardy Chronology provides the Hardy student with an abbreviated biography and reference guide listing year by year the full details of a remarkably full life and prodigious literary output. Background information is provided especially for those historical events in which Hardy took most interest, but the chief aim has been to provide the reader with an account of Hardy's life which uses the author's own words wherever possible.

Kipling's Children's Literature Sue Walsh, 2016-04-22. Despite Kipling's popularity as an author and his standing as a politically controversial figure, much of his work has remained relatively unexamined due to its characterization as children's literature. Sue Walsh challenges the apparently clear division between children's and adult literature and poses important questions about how these strict categories have influenced critical work on Kipling and on literature in general. For example, why are some of Kipling's books viewed as children's literature and what critical assumptions does this label produce? Why is it that *Kim* is viewed by critics as transcending attempts at categorization? Using Kipling as a case study, Walsh discusses texts such as *Kim*, *The Jungle Books*, *The Just So Stories*, *Puck of Pook's Hill* and *Rewards and Fairies*, re-evaluating earlier critical approaches and offering fresh readings of these relatively neglected works.

In the process she suggests new directions for postcolonial and childhood studies and interrogates the way biographical criticism on children's literature in particular has tended to supersede and obstruct other kinds of readings *Modernism, History and the First World War* Trudi Tate, 2013-01-01 Drawing upon medical journals newspapers propaganda military histories and other writings of the day Modernism History and the First World War reads such writers as Woolf HD Ford Faulkner Kipling and Lawrence alongside fiction and memoirs of soldiers and nurses who served in the war This ground breaking blend of cultural history and close readings shows how modernism after 1914 emerges as a strange but important form of war writing and was profoundly engaged with its own troubled history **The Reader's Guide to Rudyard**

Kipling's Work Roger Lancelyn Green, 1970 **Hidden Mutualities** Michael Mitchell, 2006 Hidden mutualities link the work of major postcolonial writers with Christopher Marlowe's drama of the Faustian pact the manipulation of the material world in exchange for the soul written as the scientific world view was emerging which accompanied the imperial expansion of Europe and has determined the economic and social structures of the colonial and postcolonial world This fascinating study brings together researches in widely different fields to show how Doctor Faustus reflects a Gnostic Hermetic tradition marginalized within the dominant European power structures Rediscovered in the Renaissance and combined with occult arts such as alchemy and magic this living tradition informs the work of Magus figures such as Pico della Mirandola Marcilio Ficino Trithemius Johannes Reuchlin Agrippa of Nettesheim Paracelsus and John Dee who are reflected in the Faust tradition and in Prospero in Shakespeare's *The Tempest* The second part investigates the dual legacy of the Magus A counterpoint between a law governed objective material world and an occult visionary pursuit of the divine potential of the human imagination is traced through the examples of Johan Kepler Robert Fludd Isaac Newton William Blake Rudyard Kipling Aleister Crowley W B Yeats Wolfgang Pauli and C G Jung In the third part textual analysis reveals how attention to these Faustian themes opens new and exciting critical perspectives in appreciating the works of postcolonial writers in particular Dimetos by Athol Fugard *Disappearance* by David Dabydeen *Omeros* by Derek Walcott and the novels of Wilson Harris

[Encyclopedia of Life Writing](#) Margaretta Jolly, 2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms *Kipling's Japan* Hugh Cortazzi, George Webb, 2013-12-17 Kipling visited Japan in 1889 and 1892 No other leading English literary figure of his day spent so long in that country or wrote so fully about it Kipling's newspaper dispatches from Japan were described by the great Japanologist Basil Han Chamberlain as the most graphic even penned by a globetrotter These vivid pen pictures

together with Kipling's other writings about Japan are now collected by Sir Hugh Cortazzi and George Webb carefully edited with an introduction and Notes First published in 1988 this title is part of the Bloomsbury Academic Collections series

Amateur Operatics John Lowerson, 2005-10-07 Although occasionally dismissed as middle class and middle brow amateur operatics has often crossed these boundaries and its repertoire included a fascinating mixture of experiment and conservatism Today amateur operatics remain a significant feature of public entertainment despite the competition from other media This major new study examines this fascinating outlet for the expression of popular taste and will be of use to those working in the field of popular culture in Britain as well as today's amateur operatics enthusiasts Jacket
