The Kiss in History Karen Harvey, 2005-07-15 Writers have previously placed the action of kissing into categories kisses of love affection peace respect and friendship Each of the essays in this fascinating book takes a single kind of kiss and uses it as an index to the past For rather than offering a simple history of the kiss this book is about the kiss in history In this collection an eminent group of cultural historians explore the kiss through sources as diverse as religious texts popular prints court depositions periodicals diaries and poetry This collection shows that by analyzing the kiss and its position embedded as it is as part of our culture history can use small gestures to take us to big issues concerning ourselves and others the past and the present

Pacific Well-Being Jione Havea, 2024-03-29 This book makes space 1 for Pasifika contributions to academic conversations on critical topics and 2 for influencing the conversations to account for and thus reflect Pasifika ways and modes The critical topic that runs through the chapters is well being and the contributors were located at the time of writing in Pasifika Aotearoa Fiji Kioa Kiribati Samoa Tonga and Tuvalu but there are many more Pasifika voices and concerns than are represented in this work Nonetheless the ways in which this work seeks to influence the conversations on well being reflect the intersectional modes of thinking that native Pasifika Islanders share The essays are placed into three intersecting clusters well being of bodies and is lands well being of traditions and theologies and well being of imaginations and worldviews The rationale for this arrangement is that the well being of Pasifika requires attention to the present bodies and islands to the past traditions and theologies and to the future imaginations and worldviews The chapters address Pasifika questions and concerns and they are placed so that the conversations they spark can take place free of the traps of Western theories and disciplines with Pasifika accents and rhythms

Kissing Christians Michael Philip Penn,2013-10-09 In the first five centuries of the common era the kiss was a distinctive and near ubiquitous marker of Christianity Although Christians did not invent the kiss Jewish and pagan literature is filled with references to kisses between lovers family members and individuals in relationships of power and subordination Christians kissed one another in highly specific settings and in ways that set them off from the non Christian population Christians kissed each other during prayer Eucharist baptism and ordination and in connection with greeting funerals monastic vows and martyrdom As Michael Philip Penn shows in *Kissing Christians* this ritual kiss played a key role in defining group membership and strengthening the social bond between the communal body and its individual members *Kissing Christians* presents the first comprehensive study of the ritual kiss and how controversies surrounding it became part of larger debates regarding the internal structure of Christian communities and their relations with outsiders Penn traces how Christian writers exalted those who kissed only fellow Christians proclaimed that Jews did not have a kiss prohibited exchanging the kiss with potential heretics privileged the confessor's kiss prohibited Christian men and women from kissing each other and forbade laity from kissing clergy *Kissing Christians* also investigates connections between kissing and group cohesion kissing practices and purity concerns and how Christian leaders used the motif of the kiss of Judas to examine theological notions of loyalty unity forgiveness hierarchy and subversion Exploring connections between bodies power and performance *Kissing Christians* bridges the gap between cultural and liturgical approaches to antiquity It breaks significant new ground in its application of literary and sociological theory to liturgical history and will have a profound impact on these fields

Watching Jesus Die Woodrow Michael Kroll,2023-12-28 What if you could transport yourself back to the first century walking the dusty streets of Jerusalem late on Thursday night before Passover And what if you were tagging along behind eleven men led by Jesus to the Garden of Gethsemane You'd leave the Upper Room and go deep into the Kidron Valley to the garden There the temple police and a half crazed crowd arrive brandishing torches Jesus is taken to the palace of Annas and then to the High Priest Caiaphas What insight do we gain from history archaeology and most importantly the New Testament about where they lived In the morning Jesus would be sent to the Chamber of Hewn Stone What was this place and why is it important to the Passion narratives On to Pilate's Judgment Hall where new archaeological evidence questions its traditional location You pick up the trail again on the Via Dolorosa and follow Jesus to Jerusalem's killing field There you find the Savior dying on a Roman cross In just a few hours you have followed him from the Upper Room to Joseph's tomb and have gained valuable insight into each stopover to help you on your own journey to Calvary

Wake Up, Sleeping Beauty June Fellhauer,2010-08-25 *Spiritual Interpretations* Roosevelt Jackson,2014-11-26 The reason why readers would be so interested is because of the spirituality Learning the spiritual side of life how good God really is and how to include the word of God into the equation in every area of their lives whether it be financially physically mentally by faith in which we walk by Faith is simply believing that God is our source and not the world economy To understand that God has given us very things

that we need to accommodate us in this life Most things we can do for ourselves because of the abilities that God has bestowed upon us but the Heavenly things we have to declare and decree from Heaven such as when we pray whatsoever we pray for believe that we already received them and then you will have them You have to trust God first before you receive whatever it is that you ask for in Jesus name It is always have to be in Jesus name if not in Jesus name then you might have a delay you see that s how the gospel works Jesus died for us to have the things that we are so deserving of all we have to do is believe it declare it and decree it and it shall be given to us But if you dont spend time in the word of God then you have no clue what to expect you have no knowledge of all the promises that God said yes to there is over seventy seven hundred promises in the Bible that God said yes to we just have to believe and say yes to them in order to receive the promises of God you see it s simple when you know the word of God for your lives I ve study the word of God for the last ten years of my life So I am a witness to the fact And here s another fact I use to wake up every morning with back pain I would stumble to my feet but once I d reach for my bible and started to read it before I could get through the first paragraph the pain had vanished Once I d learn how to pray and study the bible I haven t taken a pain pill since February of 2010 I would like for everyone to experience the goodness of God and the example of Jesus Christ our Lord and Savior If only I knew back then what I know now I would have been committed myself to Jesus I just pray that everyone will learn to give their lives over to Jesus So that s how much I think that my book will be an inspiration to others So yes I am completely satisfied with my work so I approve it in every way for publishing I thanked God for giving me the strength to endure the last two and a half years to complete this book it has been a blessing and honor to credit this book to God Almighty My way of showing appreciation for all that God has done for me in my life So there you have it Thanks for the word Roosevelt Jackson Bless you all In Jesus name Until next time

Post-Modern Pilgrims Leonard Sweet,2000-07-15 There is a legend of a Welsh Prince Madoc whose ship became stuck in Chesapeake Bay After trying unsuccessfully to escape he had his men row out with the anchor drop it as far into the sea as they could and then the ship winched its way forward The image of the church as a boat and tradition as an anchor is prevalent in Christian art If we examine the biblical view of an anchor we find like Prince Madoc we are to cast our anchor into the future and pull the church forward Postmodern pilgrims must strive to keep the past and the future in perpetual conversation so every generation will find a fresh expression of the Gospel that is anchored solidly to the faith that was once for all delivered

Matthew Gerald Woodruff,2016-07-08 Matthew is the first Gospel record we come to in the New Testament It is one of four Gospels Matthew covers Christ as a King Mark covers Christ as a servant and Luke covers Christ as a servant John of course is the Gospel that covers Christ as God This gives us an accurate picture of the time of Christ It is important that we understand that Christ was the Immanuel or God with us This is His story and Matthew conveys it in the light of His kingship From the genealogy of Christ to His name of Jesus we see the king presented We see it in Herod who attempts to kill Him and even the Chief Priests and Scribes who identify Him for Herod We also see Pilate s

declaration of His kingship His message was to repent for the Kingdom of Heaven was at hand He was This is written in the style the author calls and opinionary *Poetic Precepts: First Fruits* Jerrod Biglow, **The Nature of Biblical**

English Mouths Katie L. Walter, 2018-04-30 The mouth responsible for both physical and spiritual functions eating drinking breathing praying and confessing was of immediate importance to medieval thinking about the nature of the human being Where scholars have traditionally focused on the mouth's grotesque excesses Katie L. Walter argues for the recuperation of its material everyday aspect Walter's original study draws on two rich archives one comprising Middle English theology Langland Julian of Norwich Lydgate Chaucer and pastoral writings the other broadly medical and surgical including learned encyclopaedias and vernacular translations and treatises Challenging several critical orthodoxies about the centrality of sight the hierarchy of the senses and the separation of religious from medical discourses the book reveals the centrality of the mouth taste and touch to human modes of knowing and to Christian identity
