Kiss It Better:

Kiss It Better Virna DePaul, 2019-06-07 She finds a wallet not a shoe and he s a billionaire not a prince but this time Cinderella s turning the tables Julia Handing out samples at a grocery store isn t exactly my dream job Yet here I am tray in hand and fake smile plastered on my face The one highlight is seeing HIM I don t know his name but if I did I d scream it during the naughty dreams he inspires He s crazy handsome all confidence and an air of power He s never said a word to me Never even looked in my direction Then one day he stops to talk to me then literally falls at my feet I take care of him until the EMTs whisk him away Now I have his wallet I know where Bastian Rich lives And I ve found the nude photos of him online It s not the bruschetta on her tray he really wants to taste Bastian Something about Julia Rominger has me intrigued and more than a little aroused Maybe it s her lush curves driving me wild Or the fact that she has no problem telling me to go to hell Either way she s seen me at my worst Now it s time to show her my best The best ways to touch her The best ways to kiss her The best ways to drive her crazy And finally the best ways to make her mine Because I won t stop until that s exactly what she is This book was previously released with the title Mr Rich and has since been updated A sexy rollercoaster ride With passion and conflict Virna DePaul created an entertaining story with strong characters Harlequin Junkie One of those books that make you sigh while reading it With characters that you can relate to and a plotline that will make you laugh and cry the perfect book to read if you are laying out by the pool or on the beach Life of a Crazy Mom Full of that standard sass that Ms DePaul has no qualms about doling out Rock Review Team Virna DePaul does smart and sexy like no one else She brings the heat the banter and the swoon New York Times bestselling author Tracy Wolff **Kiss It Better** Smriti Prasadam-Halls, 2016-01-14 Every day has its ups and downs Sometimes you giggle sometimes you frown But the thing to remember the secret is this Everything feels better with the help of a KISS If you ve scraped your knee or fallen out with your best friend a kiss can make everything better And kisses aren t just for children they re for grown ups too So the next time you see someone you love feeling down in the dumps just remember a kiss is the very best gift of all A tender expression of love Kiss It Better is the perfect gift Great for fans of Guess How Much I Love You **When Mama Can't Kiss it Better, A journey of love, loss and acceptance** Lori Gertz, 2014-09-18 WHEN MAMA CAN T KISS IT BETTER is the raw account of a true story that shocked the nation in 2010 Gertz was America s most hated mother when news of a decision to place her adopted child in another family broke in the media Called out by many as an unfit mother and an evil woman who threw away her child she was catapulted into the national and international media Her daughter Emily suffered from fetal alcohol spectrum disorder reactive attachment disorder bipolar disorder and other disorders She had never bonded with Lori her father or her siblings and had begun a spiral of self destruction that often involved running into traffic and other dangerous behaviors While Gertz recalls feeling isolated accounts like hers are not rare Stories like When Mama Can t Kiss it Better are not told terribly often because of the stigma and finger pointing She writes The mother is always blamed first when a child

suffers from extreme behavioral disabilities There are millions of parents who are struggling to raise children with behavioral disabilities who feel misunderstood unheard and judged and who want to be reassured that there are others like them With one in four Americans struggling with mental illness NIMH every year everyone in this country either lives with mental illness or knows someone who does The greatest tragedy is that 60% of the adults and 50% of the children suffering from mental disorders will receive absolutely NO services or support for their mental illness WHEN MAMA CAN T KISS IT BETTER covers The adoption of their daughter Emily early signs of trouble their birthmother s suicide the truth about her pregnancy and warnings about how to avoid what happened to the author and her family Raw and honest details about her daughter s rages suicide attempts and hospitalizations The turmoil that living with mental illness causes for everyone in the home and how it affects siblings and marriages The difficulty in receiving support from physicians educators clinicians The author s increasing desperation to find answers and help as rages and impulsivity became safety issues Being judged by doctors schools and outsiders as the problem while her daughter collected diagnosis after diagnosis The painful decision to place her daughter in another family and how she came to accept that she had to do the unthinkable Parents worldwide waging verbal attacks on her since if the fault belonged to Gertz alone it couldn t happen to anyone else Note from the Author I spent the better part of six years writing this book which began as the only way I could cope with what was happening in our lives I just couldn t believe the lack of resources there were when I reached out for them so vociferously and started documenting what was happening inside our family if not only to maintain my sanity I am passionate about telling my story to help increase understanding of the enormous challenges parents of special needs children face in a culture that believes that motherly love and perseverance can cure all ills For those on similar paths the story of my journey to a sense of peace within the context of facing unrealized dreams human limitations broken hearts and the unfair circumstances of life may help them find that same place of peace in the tough decisions within their own lives I pray this book will bring attention to the need to better support parents and kids with mental illness and other invisible disabilities and I am deeply grateful for the opportunity to call attention to such pressing societal issues Keywords Parenting Disabilities FASD Mothering Mental Illness RAD Bipolar Memoir Special Needs Fetal Alcohol Syndrome Let Me Kiss It Better Billeh Nickerson,2002 More naked than David Sedaris more fraudulent than David Rakoff and on occasion a Miss Manners for our times Billeh Nickerson tells it like it is in this wry outrageously funny collection of essays If you ve ever wondered what to do if you saw a friend at a nude beach who had toilet paper stuck to his genitals or what to do with friends who shave their pubes into patterns Billeh has answers He also writes about what it feels like to be the token gay at a house party and what it feels like when your hot date turns out to be a Star Wars freak no one s perfect *You Can't Kiss It Better* Diana Hendry,2011-11-30 When the story opens Megan who is a foster mother has two children in her charge Anna a 12 year old who is rather given to magical thinking and Raymond who is 10 and never speaks to anyone Both children have sad broken

backgrounds Anna in her fourth foster home fantasises that her debt ridden alcoholic mother is a famous actress and Raymond's totally unreliable mother rarely comes to see him Sam a frightened rabbit of a child rejected by his family because of lameness and pebble specs is the next to join the foster family and then Brent arrives dramatically in the middle of the night a tearaway teenager totally beyond the control of his unimaginative intellectual father All four of Megan's foster children have difficulties to overcome in the house high above the river where each one of them becomes involved in some way with the mysterious river woman It is impossible not to be totally drawn into the pattern of Brent Anna Raymond and Sam's lives in this imaginative and compassionate novel **Dolly Parton, Songteller** Dolly Parton, Robert K.

In this my first act of sharing my thoughts fantasies and reflections I must acknowledge those who have always encouraged me to pursue the craft of creative writing It starts with the delight in the written or spoken word and I marvel how we have come from grunting to communicate to the graceful spinning of language that can transport us to a distant place or send us hurtling into the deep recesses of our own being Like many who write I have kept these stories and poems tucked away far from the public eye but now I feel it is time to bring to you what has been a joy and delight It is not until you start writing that the ideas and observations come flowing into your consciousness Unless you get it down a beautiful thought or even a clever turn of phrase will be blown in the wind never quite returning **Studies in Abnormal Psychology**, 1913 [The Journal of Abnormal Psychology](#), 1912 **The American Journal of the Medical Sciences**, 1912 **The Story of an African Farm** Olive Schreiner, 1896 [Oh!
