Mistakes in Writing English, and how to Avoid Them ... Marshall Train Bigelow,1886 **Life and Poetic Emotions** LadyBlue2000,2011-07-28 I started writing many years ago At fi rst it was just mental therapy for me My doctor very great psychologist told me that if I wrote my feelings down on paper that it would help me feel better and cope with whats bothering me in my head I suffered many horrors in my life and I needed a way cope and live a normal life

Well my life isn't exactly normal as you will read And neither are some of my poems The question for me to ask is anyone's life really normal I wanted my life to be written so that the future generations of my family will know about me And will know of how I became the person that I ended up to be By accident I realized that I could write poems of many kinds A guarantee that you will laugh and sometimes cry and even learn from my poems Of how to love heal cope laugh cry live and get even through my poems Many of my friends online around the world give me subjects to write about To be their words for them to speak to others To help to Heal to dream reasons to live and reasons to want to pray And reasons to not want to die I thought to myself that if I'm going to be a writer that I don't want to let one subject to be untouched To speak out words that I feel need to be heard through my poems I want my book to be of help to others for whatever needs they have And I pray with my whole heart that you get something good out of what you are about to read And whether you believe it or not you will find in my book of something that you might need written in one or more of my poems And the life story is to help you know that your life is better than you may have thought In my poems there is something for everyone And that means you My e-mail is written in my book if you would like to write me or even comment on my book Weather good or bad happy or sad I would like to know of how you feel
