The Seabrooks Peter V. Speziale, 2014-10-07 The Seabrooks is the first book in a three part saga that I am writing This three part saga chronicles and depicts the Seabrook family as they struggle to maintain their position of neutrality in the Revolutionary War The entire family which consists of Betty Henry and John is convicted to their well entrenched views toward the war that is that they wish for the war to end as quickly and peacefully as possible and with the least amount of bloodshed and property damage as possible And most important of all they want to stay

completely out of the entire affair But they are tested by loyalists and patriots alike and they have to resist temptations pressures and other factors that attempt to sway their opinions and ideologies That is to say both loyalists as well as the British and patriots want the neutralists to join their side because they both knew that it was the neutralists that held the balance of power and thus they held the key to victory The Seabrooks are subjected to a series of events that test the integrity of their neutrality and their resolve to stay neutral But eventually a very significant event impacts the entire family and causes them to reassess their ideologies and political views in regards to the war The saga focuses on the life of John Seabrook who is the only son and child of Henry and Betty Seabrook They are a strong and morally upright family and they portray a typical and traditional family that was common during the Revolutionary War era They are members of the roughly one third of the colonial Americans who wished to remain neutral in the war These neutralists as I call them took on a political view that emphasized not only staying uninvolved throughout the war but they also desired a swift bloodless and peaceful resolution to the conflict perhaps nowadays one might refer to them as pacifists *Tortured Kiss* Julia Laque,2019-10-09 A marriage of convenience A treaty designed to bring their packs together nothing more Elizabeth Vitale vowed never to spare Ramo Perez another thought after he left her on their wedding day Now their packs must work together to fight a common enemy And why does he affect her so Ten years ago Ramo wasn't ready to settle down especially with a teenage bride But he never forgot her and now she's all grown up an exotic beauty who haunts his dreams The only problem is she's moved on and dating the alpha of her pack Tasked with training her pack as fighters Ramo fights his own battle against his body and heart's reaction to being so close to Elizabeth When he realizes he cannot live without her he throws caution to the wind Elizabeth is his and he's going to make sure everyone knows it *Kissing* Andrea Demirjian,2006 Who doesn't love a great kiss Whether it's your very first smooch or your umpteenth whether it's a quick peck or a long lingering kiss you wish would never end nothing beats a sensational smooch And everyone has a favorite kissing story a favorite movie kiss a kiss they wish had never happened and a kiss they long for so much they can almost taste it In short every kiss is cause for celebration **One Night** Eric Jerome Dickey,2016-04-05 On a cold and rainy night during the Christmas season a woman who has suffered great personal loss and a successful businessman from Orange County meet by chance at a gas station in Los Angeles County They have nothing in common but as they engage in conversation they end up sequestered in an upscale hotel room During intimacy they continue to confide in each other and try to come to grips with their problems and their seasonal loneliness For one night their passion is boundless but with every tick of the clock their separate pasts close in *Only Me* GiCynda Turner-Pierce,2013-03-04 Sienna Sinclair never thought that when she ran from her unwanted fiancé that she would be running right in to the arms of another She had decided a long time ago never to be like her mother She had big dreams and there wasn't a man in any of them However Liam Pierceson would be the man of any woman's dreams Just not hers Paul Newlyn has just been given the gift of a lifetime Too bad for him his gift has decided that

she doesn't want to give. In a last ditch effort to win her over he decides to give her a gift of his own. A gift that could prove to be the biggest mistake of his life. Liam Pierce, a high powered business attorney, has never been afraid to fight for what he wants and with Sienna Sinclair he is sure that this will be a fight to the death. Am I the Only One Crazy? Myron Lee, 2014-07-29 The desire to write this book was at first born out of frustration of yet another failed relationship. In the midst of this frustration I attempted to explain what I felt love really was to someone who I thought at that moment to not have a clue. From this relationship I began to explore my mind and remember how love first found me. From there this book was born. In no way am I professing to be an authority on love or relationships. I have no degrees or licenses which can validate it. I am only sharing my most intimate experiences allowing you to be there and hopefully feel what I felt and see through my eyes my life as it existed in those moments. To say that I'm a hopeless romantic is a very accurate description of a huge part of me. I believe in the truth of love because love is responsible for our very existence. If not for our father in heaven none of us would exist. My hope is that you will be inspired by my story and that you will avoid many of the situations I encountered by cherishing yourself and the essence of love. If you do this then I will have accomplished my goal. May love live on in you.

Missed Kiss Cassie Mae, Revenge isn't the only thing on her mind. Bevin Young has two things in life her pathetic career in blogging and her service dog. As the money flow comes to a surprising halt she desperately searches for the next big viral story. As luck would have it the Thirty under Thirty most eligible bachelor list just hit the news and a certain stupid face is right at number one. The perfect plot forms in Bevin's head. She could save her career and serve up some sweet sweet justice all in one swoop. She'll just have to dress and act the part snagging Mr. Eligible Buttface and use him for the story. Hopefully she can keep her heart locked up this time when she faces Robbie Sterling, CEO, stupid handsome and the once love of her life. Reminiscent of *How to Lose a Guy in Ten Days* meets *Never Been Kissed*. Missed Kiss is a story every romantic comedy lover shouldn't simply pass over.

I beat mix looped instruments as accompaniments but the melodies don't necessarily match but I put a great deal of thought into them and try and bring something epic to bear in mind yet some of my songs are ballads and relaxing songs of love.
