Jerusalem, Drawn and Quartered Sarah Tuttle-Singer, 2018-05-22 On a night in 1999 when Sarah Tuttle Singer was barely 18 she was stoned by Palestinian kids just outside one of the gates to the Old City of Jerusalem In the years that followed she was terrified to explore the ancient city she so loved But sick of living in fear she has now chosen to live within the Old City s walls living in each of the four quarters Christian Muslim Armenian and Jewish Jerusalem s Old City is the hottest piece of spiritual real estate in the world For millennia empires have clashed and crumbled over this place Today the conflict between Israelis and Palestinians plays out daily in her streets and the ancient stones run with blood But it s also an ordinary city where people buy vegetables and sooth colicky babies where pipes break

where the pious get high and young couples sneak away to kiss in the shadows Sarah has thrown herself into the maelstrom of living in each quarter where time is measured in Sabbath sunsets and morning bells and calls to prayer in stabbing attacks and check points keeping the holidays in each quarter buying bread from the same bread seller making friends with people who were once her enemies and learning some of the secrets and sharing the stories that make Jerusalem so special and so exquisitely ordinary Jerusalem Drawn and Quartered is a book for anyone who's wondered who really lives in Israel and how they coexist It's a book that skillfully weaves the personal and political the heartwarming and the heart stopping It's a book that only Sarah Tuttle Singer can write The Old City of Jerusalem may be set in stone but it's always changing and these pages capture that God, Guns and Israel Jill Hamilton, 2009-04-01 It was the Old Testament inspired theology of Nonconformist British politicians which created the state of Israel just as much as the longings of Zionists for a homeland Looking into the backgrounds and actions of Lloyd George's War Cabinet Hamilton establishes that these ten Britons created the conditions for the emergence of Israel Woman's Work , 1917 Six New Testament Walks in Jerusalem I.
