Stephen Chrisomalis, André Costopoulos, 2013-12-06 In its 2007 obituary of Bruce Trigger 1937 2006 the Times of London referred to the Canadian anthropologist and archaeologist as Canada's leading prehistorian and one of the most influential archaeologists of his time Trained at Yale University and a faculty member at McGill University for more than forty years he was best known for his History of Archaeological Thought which the Times called monumental Trigger inspired scholars all over the world through his questioning of assumptions and his engagement with social and political causes Human Expeditions pays tribute to Trigger's immense legacy by bringing together cutting edge work from internationally recognized and emerging researchers inspired by his example Covering the length and breadth of Trigger's wide ranging interests from Egyptology to the history of archaeological theory to North American aboriginal cultures this volume highlights the diversity of his academic work and the magnitude of his impact in many different areas of scholarship *The Colonial Kitchen*

Charmaine O'Brien, 2016-09-22 The first Europeans to settle on the Aboriginal land that would become known as Australia arrived in 1788 From the first these colonists were accused of ineptitude when it came to feeding themselves as legend has it they nearly starved to death because they were hopeless agriculturists and ignored indigenous foods As the colony developed Australians developed a reputation as dreadful cooks and uncouth eaters who gorged themselves on meat and disdained vegetables By the end of the nineteenth century the Australian diet was routinely described as one of poorly cooked mutton damper cabbage potatoes and leaden puddings all washed down with an ocean of saccharine sweet tea These stereotypes have been allowed to stand as representing Australia's colonial food history Contemporary Australians have embraced exotic European and Asian cuisines and blended elements of these to begin to shape a distinctive Australian style of cookery but they have tended to ignore or ridicule what they believe to be the terrible English cuisine of their colonial ancestors largely because of these prevailing negative stereotypes The Colonial Kitchen Australia 1788 1901 challenges the notion that colonial Australians were all diabolical cooks and ill mannered eaters through a rich and nuanced exploration of their kitchens gardens and dining rooms who was writing about food and what their purpose might have been and the social and cultural factors at play on shaping what how and when they ate and how this was represented *Campbell's Gazetteer of Missouri* Robert Allen Campbell, 1874 **The Carolina Rice Kitchen** Karen Hess, 2022-08-09 A pioneering history of the Carolina rice kitchen and its African influences Where did rice originate How did the name Hoppin John evolve Why was the famous rice called Carolina Gold The rice kitchen of early Carolina was the result of a myriad of influences Persian Arab French English African but it was primarily the creation of enslaved African American cooks And it evolved around the use of Carolina Gold Although rice had not previously been a staple of the European plantation owners it began to appear on the table every day Rice became revered and was eaten at virtually every meal and in dishes that were part of every course soups entrées side dishes dessert and breads The ancient way of cooking rice developed in India and Africa became the Carolina way Carolina Gold rice was so esteemed that its very name became a generic term in much of the world for the finest long

grain rice available This engaging book is packed with fascinating historical details including more than three hundred recipes and a facsimile of the Carolina Rice Cook Book from 1901 A new foreword by John Martin Taylor underscores Hess's legacy as a culinary historian and the successful revival of Carolina Gold rice *The Curious Kitchen Gardener* Linda Ziedrich, 2025-02-25 Enjoy a whole new tasty cuisine using unexpected ingredients you can find in your own garden from a Master Food Preserver and Gardener The Curious Kitchen Gardener is for cooks and gardeners interested in bringing novelty and variety into their lives and homes It follows each season of planting and harvesting featuring nearly 35 often overlooked edibles with illustrations and a delicious recipe for each encouraging us to see our gardens as an integrated whole and a year round practice Calling upon decades of Master Gardener and Master Food Preserver experience Linda Ziedrich includes fascinating cultural context and personal connections to each plant The result is the story of how and why an adventurous gardener cultivated a unique cuisine for herself and her family and how you can too **The New England Kitchen Magazine**, 1895 **Santo Domingo Kitchen-midden and Burial Mound** Theodoor Hendrik Nikolaas de Booy, 1919 **Popular Science**, 1939-01 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Notes from a Maine Kitchen Kathy Gunst, 2011-09-01 There's nothing better than settling into a nice warm home cooked meal at the kitchen table Kathy Gunst takes us into her own kitchen introducing us to the flavors of fresh seasonal Maine ingredients prepared in simple and inspiring ways With essays conveying the mood of each month Gunst gives readers a sense of Maine food and life She follows each essay with a handful of recipes incorporating the seasonal ingredient or theme **My New Orleans** Rosemary James, 2010-06-15 From famous writers and personalities who call the city home whether by birth or simply love these pieces written in the wake of Hurricane Katrina serve as a timeless tribute to New Orleans Sentimental joyful and witty these essays by celebrated writers entertainers chefs and fans honor the life of one of America's most beloved cities Paul Prudhomme writes about the emotional highs New Orleans inspires Wynton Marsalis exalts his native city as soul model for the nation while Walter Isaacson shares his vision for preserving his hometown's pentimento magic Stewart O'Nan recalls the fantasy haze that enshrouded his first trip to the Big Easy when he was thirty and bowed to Richard Ford to receive his first literary prize Poppy Z Brite thanks New Orleans for helping her discover the simple pleasure of Audubon Park's egrets and Elizabeth Dewberry explores what it means to work Bourbon Street as a stripper My New Orleans captures the spirit of the city that was and that will be again The Kitchen, Food, and Cooking in Reformation Germany Volker Bach, 2016-09-30 In international culinary history Germany is still largely a blank space its unparalleled wealth of source material and large body of published research available only to readers of German This book aims to give everybody else an overview of German foodways at a crucial juncture in its history The Reformation era broadly speaking from the Imperial Reforms of the 1480s to

the beginning of the Thirty Years War laid the foundations for many developments in German culture language and history not least the notion of its existence as a country Understanding the food traditions and habits of the time is important to anyone studying Germany s culinary history and identity Using original source material food production processing and consumption are explored with a view to the social significance of food and the practicalities of feeding a growing population Food habits across the social spectrum are presented looking at the foodways of rich and poor in city and country The study shows a foodscape richly differentiated by region class income gender and religion but united by a shared culinary identity that was just beginning to emerge An appendix of recipes helps the reader gain an appreciation of the practical aspects of food in the age of Martin Luther

Chef Paul Prudhomme's Louisiana Tastes Paul Prudhomme,2012-03-13 Chef Paul Prudhomme s Louisiana Kitchen is an exciting exploration of the new flavors that have made Louisiana cooking even better Chef Paul Prudhomme put Louisiana cooking on the map Now Chef Paul returns to his culinary roots to show us how Louisiana cooking has evolved Today the culinary influences of Asia Latin America the Middle East and many other cuisines are being integrated into traditional Louisiana cooking Chef Paul explores how Louisiana cooks have incorporated such newly available ingredients as lemongrass fresh tamarind and papaya into their dishes As Chef Paul says any Louisiana cook worth his or her salt will work with what s available familiar or not and turn it into something delicious Andouille Spicy Rice gets its zing from chipotle and pasilla chile peppers and Roasted Lamb with Fire Roasted Pepper Sauce is flavored with jalapeno peppers and fennel Classic jambalaya etouffee and gumbo are reinvented with such far flung ingredients as star anise cilantro yuca plantain and mango Some text and images that appeared in the print edition of this book are unavailable in the electronic edition due to rights reasons
