Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ *The Mission Table* Stephen P. Zurlo, 2023-03-29

Living in Light of the Global Body of Christ Books on global Christianity have been growing substantially in the last ten years. The importance of studying Christianity beyond White Western history and theology has taken on a special relevance in an increasingly globalized world. The study of Global Christianity is about recognizing the diversity of Christians around the world in terms of their cultures, languages, ethnicities, worldviews, and approaches to the faith. World Christianity is about making global-local connections and providing Christians the opportunity to learn from one another to enhance their faith and broaden their perspectives. Most World Christianity books are written for scholarly audiences only. However, *Portraits of Global Christianity* moves beyond that sphere and into the lives of Christians who have learned about and continue to experience the global church in their everyday lives. No other global Christianity book on the market provides this kind of self-understanding on the relationship between World Christianity and individual experience. In doing it, it aims to make a unique contribution to the field. This book is geared toward a general Christian audience and is written in an accessible style with attractive full-color charts, maps, and graphs to make quantitative data on Christianity and other religions come alive. The reflections and essays in this book, in honor of Todd M. Johnson, provide readers with concrete examples of how knowledge and experience of Christianity worldwide has fundamentally changed their worldviews, perspectives of the faith, and vocational callings. It encourages readers to reflect on their attitudes toward people who do not look like them or live out the faith like them to more seriously consider the growth of Christianity in the global South and its impact on their own lives and seek opportunities to reach across ethnic, class, and gender boundaries for the sake of Christian hospitality, discipleship, and friendship.

Inside America's Christian Schools Paul F. Parsons, 1988-06 *The Seduction of Christianity* Jill Shannon, 2011-07-28

The Book of Revelation offers rewards to those who have overcome demonic activity, trials, and temptations. *The Seduction of Christianity* equips the Church to overcome the battles, deceptions, and seductions that will assail her in the final hours of this age. Subjects covered in depth include: Knowing your Destiny, False Prophets, True and False Revival, Fear of the Lord, Martyrdom, Righteous Judgments, Strange Fire, Sexual Brokenness, Seduction, Preparation of the Bride. *The Seduction of Christianity* is a mandate to the end-times Church, combining mature biblical teaching with revelatory encounters. The onslaughts and upheavals that will confront you require the Church to move quickly into a new level of resolve, discipline, and authority. You will be ready to face down the seducer and take your rightful place beside the King of kings and Lord of lords.

The Christian World, 1879 **Why Ask Questions About Islam?: Answers Christians Need to Understand** Gordon Kainer, 2016-07-11

Across the world, Islam appears in eye-catching headlines. We may be aware of what is happening, but often we don't understand why. Most Christians have unanswered questions about Islam: don't we? Do Muslims and Christians worship the same God? Does it matter whether one is a Muslim or a Christian? How does Islam view love, sin, salvation, and forgiveness? Is a Muslim's view of Jesus different than a Christian's? What does Bible prophecy say about Islam? How best should a Christian witness to a Muslim? This book answers over 100 questions Christians

ask about Islam and in so doing reveals Islam's greatest need a saving faith in the gospel of Jesus Christ. It is the author's hope that this book provides you with a highly informative perspective as Islam is thoughtfully studied and evaluated within the framework of a biblical worldview. Fundamental Christian Ethics Daniel Heimbach, 2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues. **Joined by the Church, Sealed by a Blessing** Diana Macalintal, Nick Wagner, 2014 Joined by the Church Sealed by a Blessing does more than help parish leaders plan excellent wedding liturgies and prepare engaged couples well. It enables parish leaders to address the challenges of increased divorce, fewer Catholic weddings, empty pews on Sundays, and the increasing number of people who choose no faith. This is the one book that will give you a comprehensive plan to address these concerns with confidence, creativity, and clarity. With over fifty years of combined hands-on experience in parish and diocesan liturgy preparation and catechumenate formation, Diana Macalintal and Nick Wagner give you more than just another marriage preparation resource. They give you a parish transformation tool. Church Economist, 1897 **Anti-Christian Violence in India** Chad M. Bauman, 2020-09-15 Does religion cause violent conflict, asks Chad M. Bauman, and if so, does it cause conflict more than other social identities? Through an extended history of Christian-Hindu relations with particular attention to the 2007-2008 riots in Kandhamal, Odisha, Anti-Christian Violence in India examines religious violence and how it pertains to broader aspects of humanity. Is religious conflict sui generis, or is it merely one species of intergroup conflict? Why and how might violence become an attractive option for religious actors? What explains the increase in religious violence over the last twenty to thirty years? Integrating theories of anti-Christian violence focused on politics, economics, and proselytization, Anti-Christian Violence in India additionally weaves in recent theory about globalization and, in particular, the forms of resistance against Western secular modernity that globalization periodically helps to provoke. With such theories in mind, Bauman explores the nature of anti-Christian violence in India, contending that resistance to secular modernities is in fact an important but often overlooked reason behind Hindu attacks on Christians. Intensifying the widespread Hindu tendency to think of religion in ethnic rather than universal terms, the ideology of Hindutva or Hinduness explicitly rejects both the secular privatization of religion and the separability of religions from the communities that incubate them. And so, with provocative and original analysis, Bauman questions whether anti-Christian violence in contemporary India is really about religion in the narrowest sense or rather a manifestation of broader concerns among some Hindus about the Western sociopolitical order with which they associate global Christianity. **Woman's Home Missions of the Methodist Episcopal Church**, 1922 Rich Christians in an Age of Hunger Ronald J. Sider, 2015-07-28 In an age obsessed with wealth, Christians seem to have forgotten that scripture encourages believers to give to the poor. Why do 1.3 billion people live in abject poverty? And what should Christians do about it? Despite a dramatic reduction in world hunger, 34,000 children still die

daily of starvation and preventable disease and 1.3 billion people around the world remain in abject poverty Dr Ron Sider a professor of theology examines the issues of poverty and hunger in modern society While the Bible is full of instructions to care for the poor and warns against being seduced by riches it's been statistically proven that the richer countries become the less they give Finding that conservatives blame what they consider to be morally reprehensible individual choices and liberals blame what they believe to be constrictive social and economic policy Dr Sider finds himself agreeing with both sides First published in 1978 *Rich Christians in an Age of Hunger* has had an enormous impact on how believers and churches view questions of poverty and hunger Dr Sider's insights provide a compelling look at what it truly means to follow Christ This edition of *Rich Christians in an Age of Hunger* is Newly revised expanded and updated Listed as one of the 100 most influential books in religion in the 20th century A resource for Christians seeking to overcome poverty and change the economic structures of our world In this fresh look at an age old problem Dr Sider offers a detailed explanation of the causes of poverty and hunger as well as a comprehensive series of practical solutions for Christians who want to seriously pursue their faith and become better followers of Jesus *Sexuality and the Black Church* Douglas, Kelly Brown, 2018-09-26
