Wisdom walks before it, opportunity with it, and repentance behind it. He that has made it his friend will have little to fear from his enemies, but he that has made it his enemy will have little to hope from his friends. NOTES and if thou wert gone I fear what would become of us if we should have worse still. ARTICLE 107 That the wicked prosper in the world that they come into no misfortune like other folk, neither are they plagued like other men, is a doctrine that divines should not broach too frequently in the present day. For there are some so completely absorbed in present things that they would subscribe to that blind and blasphemous wish of the marshal and duke of Biron, who on hearing an ecclesiastic observe that those whom God had forsaken and deserted as incorrigible were permitted their full swing of worldly pleasures, the gratification of all their passions, and a long life of sensuality, affluence, and indulgence, immediately replied, That he should be most happy to be so forsaken. ARTICLE 188 I am not so hardy as to affirm that the French revolution produced little in the absolute sense of the word. I mean that it produced little if compared with the expectation of mankind, and the probabilities that its first development afforded of its final establishment.
