the largest popular revolt in the country's history. She was put under house arrest by the regime but her party won a landslide victory in the 1990 elections which the regime refused to recognize. In 1991, still under arrest, she received the Nobel Peace Prize. Altogether, she has spent over fifteen years in detention and narrowly escaped assassination twice. Peter Popham distills five years of research, including covert trips to Burma, meetings with Suu Kyi and her friends and family, and extracts from the unpublished diaries of her co-campaigner and former confidante Ma Thanegi into this vivid portrait of Aung San Suu Kyi, illuminating her public successes and private sorrows, her intellect and enduring sense of humor, her commitment to peaceful revolution and the extreme price she has paid for it.

The Lady and the Peacock Peter Popham, 2012-03-29 Nobel Peace Prize Laureate Aung San Suu Kyi, known to the world as an icon for democracy and nonviolent dissent in oppressed Burma, and to her followers as simply The Lady, has recently returned to international headlines. Now this major new biography offers essential reading at a moment when Burma, after decades of stagnation, is once again in flux. Suu Kyi's remarkable life begins with that of her father, Aung San, the architect of Burma's independence, who was assassinated when she was only two. Suu Kyi grew up in India where her mother served as ambassador, studied at Oxford, and worked for three years at the UN in New York. In 1972, she married Michael Aris, a British scholar. They had two sons, and for several years she lived as a self-described housewife, but she never forgot that she was the daughter of Burma's national hero. In April 1988, Suu Kyi returned to Burma to nurse her sick mother. Within six months, she was leading the largest popular revolt in the country's history. She was put under house arrest by the regime but her party won a landslide victory in the 1990 elections which the regime refused to recognize. In 1991, still under arrest, she received the Nobel Peace Prize. Altogether, she has spent over fifteen years in detention and narrowly escaped assassination twice. Peter Popham distills five years of research, including covert trips to Burma, meetings with Suu Kyi and her friends and family, and extracts from the unpublished diaries of her co-campaigner and former confidante Ma Thanegi into this vivid portrait of Aung San Suu Kyi, illuminating her public successes and private sorrows, her intellect and enduring sense of humor, her commitment to peaceful revolution and the extreme price she has paid for it.

Powerful Political Women Joan McMahon Flatt, 2012-07-26 From the beginning of time, certain women—Catherine the Great, Golda Meir, Nancy Pelosi, Margaret Thatcher, Eleanor of Aquitaine, and others—have been beacons, inspiring those who followed to fight against injustice and for ultimate equality. They often risked their own lives to shatter barriers and challenge expectations because they believed that they could bring about a change for the better. The circumstances of their times brought out a passion, heroism, determination, talent, and feminine sensibility in these confident women who would stand on the stage of history and fight for the political rights of their sisters. These women often suffered persecution, slander, grief, heartbreak, and imprisonment to achieve their ends. They were laughed at, scorned, ridiculed, and worse. Here, the inspirational stories of how these extraordinary women have created and demanded change are gathered in the hopes of inspiring their modern-day sisters to follow in their footsteps.

Myanmar (Burma)

since the 1988 Uprising Andrew Selth, 2022-01-24 Updated by popular demand this is the fourth edition of this important bibliography. It lists a wide selection of works on or about Myanmar published in English and in hard copy since the 1988 pro democracy uprising which marked the beginning of a new era in Myanmar's modern history. There are now 2 727 titles listed. They have been written, edited, translated or compiled by over 2 000 people from many different backgrounds. These works have been organized into thirty five subject chapters containing ninety five discrete sections. There are also four appendices including a comprehensive reading guide for those unfamiliar with Myanmar or who may be seeking guidance on particular topics. This book is an invaluable aid to officials, scholars, journalists, armchair travellers and others with an interest in this fascinating but deeply troubled country.

A Political Biography of Aung San Suu Kyi Michał Lubina, 2020-08-31 This book is the first political biography of Aung San Suu Kyi covering both her years in opposition and all her years in power from 2016 onwards. It offers a new interpretation of Aung San Suu Kyi by presenting a balanced and thorough account of Suu Kyi's policies. In the last 30 years there has not been a person in global politics who has risen so high and fallen so low and so quickly as Aung San Suu Kyi. Using postcolonial theory and introducing the new concept of a hybrid politician, this book explains apparent inconsistencies of Suu Kyi's agenda. It demonstrates that Suu Kyi considers herself a democrat and yet rules autocratically. Immersed in her country's tradition of policymaking, she has at the same time been influenced by foreign concepts both Western and Asian. Drawing on first hand research including talks with Suu Kyi, conversations with her supporters and rivals, observations of Suu Kyi's behaviour during intergovernmental talks as well as an extensive number of sources and fieldwork in Myanmar, the author argues that Suu Kyi's case shows both the strengths and limits of hybridity. This brings Suu Kyi's priceless political assets such as visibility, recognition and support while proving that such a model of leadership has its restrictions. A timely biography of the Nobel Peace Prize Laureate as she appears at the International Court of Justice to defend her country against charges of genocide committed against the Rohingya Muslim minority, this book will be of interest to students and researchers of Myanmar politics, Southeast Asian politics, Asian politics, Political Science, more generally Postcolonial Studies, Cultural Studies and Leadership Studies.

Heritage of Struggle Aung San Suu Kyi Shashidhar Khan, 2021-01-01 Heritage of Struggle Aung San Suu Kyi is the story of a reformer who combats violence and bloodshed with peaceful fearlessness, a leader of international standing who restored democracy to Myanmar. Suu Kyi can be compared to Mahatma Gandhi. Suu Kyi fought against a much more powerful military tyranny by making non violence and tolerance her arms of defense. The basic difference between the campaign of India's father of the nation Mahatma Gandhi and Suu Kyi is that Mahatma Gandhi took the support of peace and non violence to free India from the foreigners but Suu Kyi had to take on the unrestrained rulers of her own country who had created the same terror in the minds of their own brothers and compatriots as that which is felt under foreign slavery, thereby stifling their democratic rights.

Perfect Hostage Justin Wintle, 2007 A portrait of the Burmese activist, minister and non violence advocate describes the factors that

Myanmar, and Thailand: Volume II Chosein Yamahata, 2022-03-02 This book explores the multifaceted obstacles to social change that India Myanmar and Thailand face and ways to overcome them With a collection of essays that identify common challenges and salient features affecting diverse communities this volume examines topics from subnational and local perspectives across the peripheries The book argues that identity based divisions have created a system of oppression and political contention that have led to conflicts of different kinds and hence serving as the common cause of different social issues At the same time such issues have created space for marginalized groups around the world to call for change The volume recognizes that social transformation comes into being through an active process of deconstructing and reconstructing shared norms and ideas The contents in this book are thus centered around two focuses the impacts of identities and grassroots Both of these aspects are at the heart of each country's transformations towards democracy peace justice and freedom Under this framework the chapters cover a diverse range of common issues such as minority grievances gender inequality ethnic identity grassroots power in alliance making towards community peace recovery and resilience digital freedom democracy assistance and communication and bridging multiple divides As identity based cleavages are daily lived experiences for individuals and communities it requires grassroots initiatives and alliances as well as democratic communication to tackle obstacles at the root Ultimately the book convinces readers that social transformations must begin at the individual to communal level and local to national level

Dynasties and Female Political Leaders in Asia Claudia Derichs, Mark R. Thompson, 2013 This book is the first comprehensive academic effort to examine the phenomenon of top female political leaders in Asia It portrays prime ministers presidents and opposition leaders but it is not a conventional biographical volume Rather it analyzes female politicians by means of case studies that are based on a common theoretical framework The case studies were conducted over three years of field research which included interviews with the female leaders themselves and members of their inner circle Each chapter explores the similarities but also points to the distinctiveness of each female leader arising from political and social systems cultural and religious conditions and economic parameters Series Political Science Perspectives Politikwissenschaftliche Perspektiven Vol 16
