*You'll Find Out* Lisa Jackson, 2025-02-25 Dear Reader Just when you think you're safe from the past it finds you It's as true in life as it is in fiction and it's been a favorite theme of mine from my earliest novels including these two classic novels *The Shadow of Time* and *Gypsy Wind* now gathered in one volume with a gorgeous new cover and title Mara Wilcox and Becca Peters both tried to leave danger behind them And both thought they'd succeeded until now After four long years Mara has come to accept losing Shane in a tragic bombing overseas Inexplicably he's back mad as hell that she didn't wait for him and determined to claim his daughter But Mara isn't the only one shocked by his return and someone will do whatever it takes to make sure there are no new beginnings Ever since the scandal that almost destroyed her family horse farm Becca has tried to keep her feelings for Brig Chambers reined in His accusations already cost her so much Yet there's as much desire between them as there is distrust enough to blind them both to an enemy that's never gone away I loved revisiting these stories and hope you'll join me in rediscovering them *Undercover STD Police* Timberly Robinson, 2002 Their professional working title given by the government is Disease Intervention Specialist or DIS but out on the streets people know them as the STD Police Their mission To stop the spread of sexually transmitted diseases by any means necessary If you ever wanted to be a DIS or learn what it's like interviewing people about their sex partners then this book is a must read ***Screaming Whispers*** Kelvin Brown, 2004 Where is it within ourselves that we find honesty and truth A place where the playing field is leveled from disingenuous facades of truth and loyalty The place where we lay naked bare who we truly are as individuals it is our emotions those mixtures of complex feelings that are difficult to grasp and contain when we are truly touched by some person or event What is the origin that causes the explosive or suppression of our inner nature of passion *Screaming Whispers* is a collection of poems that I have written that express the feelings and situations of women that I have met in my life My emotions were touched by some of the lives of women that I have known Some of the lives I write about have been so gut wrenching and inspiring that pen to paper was my way of expressing my feelings These poems touch on so many levels of emotions encouragement failure heroism rape love domestic violence joy infidelity appreciation humor and more It is with great sincerity that this author seeks to touch every reader that connects personally with the poems read Each and every poem contained within this book is true and has a face I hope that everyone can understand why I was touched to write these poems I also hope that no one has experienced all of them *Herd Register* American Jersey Cattle Club, 1926 *Merchant Vessels of the United States*, 1989 *Farmers' Bulletin*, 1933 *The Chester White Swine Record*, 1922 ***Chester White Swine Record*** Chester White Swine Record Association, 1922 ***Herd Register*** American Guernsey Cattle Club, 1909 *Godey's Lady's Book* Louis Antoine Godey, Sarah Josepha Buell Hale, 1867 Includes music ***Reggae & Caribbean Music*** Dave Thompson, 2002 Provides a complete historic overview of the sounds of the entire English speaking Caribbean region bringing together informative essays on the development of a

range of music styles and the industry's top performers Original *All Shot Up* Chester Himes, 2024-02-13 In this gripping installment of the maverick Harlem Detectives series Coffin Ed Johnson and Gravedigger Jones investigate a series of seemingly unrelated brutal crimes Bodies are dropping in the streets of Harlem but in the bitter winter cold they won't spoil A witness sees a Cadillac that looks as though it's made of solid gold hurl an old woman to the street before peeling off A shoot out in front of a bar kills two and puts a politician in a coma Not to mention that a whole lot of money has vanished into thin air Now detectives Grave Digger Jones and Coffin Ed Johnson have to squeeze the surprising truth out of sparse facts and get to the bottom of this explosive mystery All Shot Up is an exhilarating ride through hard-boiled Harlem that only Chester Himes could have accomplished *Duroc-Jersey Swine Record* National Duroc Record Association, 1921 **MLN.**, 1912 Provides image and full text online access to back issues Consult the online table of contents for specific holdings
