**Lady Morgan in France** Lady Morgan (Sydney), 1971      **France. By Lady Morgan. In Two Volumes** Lady Morgan (Sydney), 1818      **France as it is, not lady Morgan's France** William Playfair, 1820      **Lafayette in Two Worlds** Lloyd S. Kramer, 2000-11-09 Lloyd Kramer offers a new interpretation of the cultural and political significance of the career of the Marquis de Lafayette which spanned the American Revolution the French Revolutions of 1789 and 1830 and the Polish Uprising of 1830 31 Moving beyond traditional biography Kramer traces the wide ranging influence of Lafayette's public and personal life including his contributions to the emergence of nationalist ideologies in Europe and America his extensive connections with liberal political theorists and his close friendships with prominent writers many of them women Kramer places Lafayette on the cusp of the two worlds of America and France politics and literature the Enlightenment and the Romantic movement public affairs and private life revolution and nationalism and men and women He argues that Lafayette's experiences reveal how public figures can symbolize the aspirations of a society as a whole and he stresses Lafayette's important role in a cultural network of contemporaries that included Germaine de Stael Benjamin Constant Frances Wright James Fenimore Cooper and Alexis de Tocqueville History Biography      **Romantic Women Writers** Paula R. Feldman, Theresa M. Kelley, 1995 Essays forging a new definition of Romanticism that includes the wide range of women's artistic expression      *France in 1829-30* Lady Morgan (Sydney), 1830      *Women's Travel Writings in Post-Napoleonic France, Part II vol 5* Stephen Bending, Stephen Bygrave, Lucy Morrison, Benjamin Colbert, Paul Hague, 2024-10-28 This eight volume set in two parts gives voice to some intrepid women travellers touring post Napoleonic France The volumes are facsimile editions and are introduced and edited by experts in their field      **Women's Travel Writings in Post-Napoleonic France, Part II vol 6** Stephen Bending, Stephen Bygrave, Lucy Morrison, Benjamin Colbert, Paul Hague, 2024-10-28 This eight volume set in two parts gives voice to some intrepid women travellers touring post Napoleonic France The volumes are facsimile editions and are introduced and edited by experts in their field      *Lady Morgan's Italy* Donatella Abbate Badin, 2007 This is a scholarly study of Lady Morgan Sydney Owenson and her travel writings on post Napoleonic Italy Morgan a friend of Byron and Moore brought a unique Anglo Irish slant and liberal temperament to her travels and adventures in Italy she also was the first woman from the British literary world to extensively travel and report on 19th c Italy      **Romanticism Gendered** Andrea Fischerová, 2020-11-09 This study focuses on the six writing men who have been throughout decades regarded as the alpha and omega of British Romanticism Byron Coleridge Keats Scott Shelley and Wordsworth It sees these men as a representative cohort of their time and examines their letters as results of a reading process Although letters are usually seen as additional sources of reference in literary studies in this book they are treated as the dominant information material correspondence enables to reconsider British Romanticism on the basis of the epistolary communication of the first half of the nineteenth century The target information from the letters are references to women

writers and to their writings A detailed analysis of the correspondence manages to answer the question whether male Romantics regarded writing women as provoking from time to time as Duncan Wu assumes and whether the gender identity of the woman author influenced the way male readers read her literary works The examination of the correspondence thus takes a gendered perspective on British Romanticism This approach to the target research data discloses a long list of almost 120 names of women writers from different periods and of different literary genres Whereas the male readers in question have acquired a well established stable long term position within literary history the women were often marginalized even forgotten The study presents plentiful examples proving the discrepancies between what the twenty first century reader regards as the core of women s Romantic literary tradition and what the Romantic reader did The following women writers are discussed in the study in detail Susannah Centlivre Anne Finch Lady Winchelsea Ann Radcliffe Mary Robinson Felicia Hemans Mary Shelley Joanna Baillie Maria Edgeworth Maria Jane Jewsbury Catherine Grace Godwin and Emmeline Fisher
