Advances in Mexican Limnology: Basic and Applied Aspects Javier Alcocer,S. Sudarsana Sarma,2002 The present volume comprises aspects of both basic and applied limnology They include works on physical chemical and biological limnology as well as experimental approaches in selected areas Contributions from investigators regarding aquatic conservation and biodiversity were specifically not available and therefore these aspects are considered in various included works Most manuscripts deal with lentic aquatic resources This is not surprising since Mexican limnology followed the

general study trend of that from temperate limnology Despite this we must emphasize that lotic resources in Mexico are quite important both locally and regionally This does not mean that rivers are not under limnological research in Mexico just that their study has only recently begun It is the intention of the volume to stimulate a larger section of limnologists to further research in this field It is to be hoped that policy framing governmental authorities in Mexico will benefit from it and consider some of the aspects described so that further damage to the epicontinental waterbodies can be halted and remedial measures can be considered in the future

Motley Mumbling Thomas J. Hally, 2013 Both funny and serious in an ironically oxymoronic way Motley Mumbling Romance Poetry and Prose offers a diverse collection of poetry and prose from Thomas J Hally that seeks to challenge you to look at the world in a new way This compilation intended for lovers expresses itself in four languages English Spanish French and Portuguese Although its pages contain some erotic passion it focuses primarily on the romance in the essence of the languages themselves most notably in the three Romance languages featured in the collection which take their own center stage Intelligently written with beautifully picturesque metaphors surprisingly direct and exact analogies and other twists of the pen the poetry and short stories included here reveal author Thomas Hally's desire to share beauty love adventure anger justice and a sense of universal belonging that flourishes in Motley Mumbling The reader is in for a treat with this eclectic collection for it contains something for everyone The beauty of this book is in the various forms of literature covering various aspects of life spoken in different voices and presented in different languages The challenge facing the reader is to reconcile Motley's various pieces to the same individual this is not a simple task and nor is Hally and inherently nor are we but we celebrate our shared humanity when such reconciliation occurs Mark van Vuuren BA hons BCom MCom poet Johannesburg South Africa
