Lake Of Tears:

Deltora Quest 1 #2: The Lake of Tears Emily Rodda, 2000-01-01 Lief Barda and their unruly new companion Jasmine are on a perilous quest to find the seven gems stolen from the magic Belt of Deltora The golden topaz has already been found But only when all the gems have been restored to the Belt can their land be freed from the dark power of the evil Shadow Lord To find the second stone the three heroes must travel through territory ruled by the monster sorceress Thaegan Their journey is filled with treachery trickery and danger and at its end they must face the hideous guardian of the enchanted Lake of Tears The Lake of Tears (Deltora Quest #2) Emily Rodda, 2012-10-01 The international bestselling series returns for a

new generation with a fresh look and bonus content from the legends of Deltora Lief Barda and their unpredictable new companion Jasmine are on an urgent mission to find the seven stones from the magic Belt of Deltora The golden topaz has already been found But only when all the stones have been restored to the Belt can their land be freed from the dark power of the evil Shadow Lord To find the second stone Lief Barda and Jasmine must travel through territory ruled by the monster sorceress Thaegan and overcome their biggest challenge yet the hideous guardian of the enchanted Lake of Tears **Inside Bluebeard's Castle** Carl S. Leafstedt, 1999-11-04 This is the first book length examination of Bartók's 1911 opera Duke Bluebeard's Castle one of the twentieth century's enduring operatic works Writing in an engaging style Leafstedt adopts an interdisciplinary approach to the opera by introducing in addition to music dramatic analysis a number of topics that are new to the field of Bartók studies These new areas of critical and scholarly terrain include a detailed literary study of the libretto and a gender focused analysis of the opera's female character Judith Leafstedt begins with a short introductory chapter that places Duke Bluebeard's Castle within the context of Bartók's early composing career his discovery of folk music and its impact on his later work The book goes on to explore the composition's troubled history its failure to win two early Hungarian opera competitions and the three versions of the ending that resulted discussed here in depth for the first time The core of the book is devoted to the musical and dramatic organization of the opera and offers an analysis of the seven individual door scenes including a detailed analysis of scene six the lake of tears scene illustrating the work's complex tonal organization and dramatic structure A separate chapter places this darkly psychological version of the Bluebeard story within the broader context of European history and literature Throughout the book Leafstedt draws on original Hungarian source material much of it newly translated by the author and available here for the first time in English and he includes a generous selection of musical examples Inside Bluebeard's Castle is an ideal starting point for research in twentieth century music Hungarian cultural history and opera studies as well as an invaluable guide for anyone interested in Bartók's only opera
