History of Lancaster County, Pennsylvania Franklin Ellis, Samuel Evans, 1883 **An Authentic History of Lancaster County** Jacob Isidor Mombert, 1869 **Directions** Lancaster County Planning Commission, 1975 **Lancaster County, Pennsylvania, a History** Harry Martin John Klein, 1924 **Historical Papers and Addresses of the Lancaster County Historical Society**, 1911 Includes minutes of the Society's meetings **Lancaster County, Pennsylvania [basic Planning Studies].: Physical features and natural resources** Lancaster County Planning Commission, 1960 Garden Spot David J. Walbert, 2002 Lancaster County Pennsylvania has been known for two centuries as the Garden Spot of America a quintessentially rural place Walbert considers what it means to be the Garden Spot in a culture that associates rurality with the past and asks whether or not a truly rural future is possible for such communities *A Biographical History of Lancaster County* Alexander Harris, 1974 A biographical history of Lancaster County being a history of early settlers and eminent men of the county as also much other unpublished historical information chiefly of a local character *Historical Papers and Addresses of the Lancaster County Historical Society* Lancaster County Historical Society (Pa.), 1897 **A Brief History of Lancaster County** Israel Smith Clare, 2015-07-15 Excerpt from A Brief History of Lancaster County With Special Reference to the Growth and Development of Its Institutions Designed for the School and Home IN teaching the history of the United States I have found that Pennsylvania students are lacking in knowledge of their own Commonwealth and that there is even greater lack of intelligence concerning the county to which they belong This has enabled me to understand and appreciate the demand that has come from the teachers and other persons officially connected with the schools of Lancaster county for a history of the county which shall be available for the school and the family Lancaster county is one that demands attention and interest because of its rich material resources its large population and its historical associations Then too being one of the portions of Pennsylvania that was earliest settled When emigration to the West began the people seemed to feel that the population was crowding here and with an inherited hardihood and enterprise many of them became the pioneers of the nearer and more remote Western States and we think it is not exaggeration to say that there is hardly a State or Territory included within our great domain which has not a representative from this county About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
