His Devil's Fire Linzi Basset, 2020-10-04 His Devil s Fire is book 6 in Club Devil s Cove Series Regret always came too late something Lexi Calvert knew all too well A decision she d regretted for the past eight years had kept her in hiding from guilt and then from him Lance Talbot the one man who would come to hate her if he found out the truth Then prepare yourself for hell my pet because you will come to me and yes I ll be the devil you prayed never to meet She should ve seen it coming but the last thing she expected was the powerful Dom s demand that she become his submissive willingly Her mind screamed no but her body well that was a completely different story He was the kind of man every woman dreamed about debonair as they came with an irresistible charm she couldn t say no to Disregarding the threat his words promised she said yes Lance Talbot had seen and experienced despair in his years as a combat soldier in Afghanistan It had turned him into a hardened man with every reason to hate the one woman he never seemed able to forget Until he looked into her eyes and saw her suffering that awakened the caring Dom in him He set out to save her from herself before she destroyed the beauty of her soul in an effort to find absolution She became the prey and he the hunter He d had a taste of the young Lexi Calvert eight years earlier now he ached for the mature woman in her and the enticingly sassy woman knew just how to awaken the devil in him But would the past ever truly be forgotten Only time would tell Entangled amidst their budding love the conspiracy began to unravel as a plot to unmask the Sixth Order exploded in their faces literally The Precision Secure team was left naked and vulnerable as death handed them a cruel hand Would they ever recover or was this the beginning of the end

EDITOR S NOTE Basset knows how to draw a reader in catch their attention and not release it until they are needy for the next chapter and a helping hand or a cold shower The emotions and angst reign supreme between Lance and Lexi but there is an amazing balance between romance kink and suspense that like a scene between Dom and sub has the reader holding their breath only to be let up for air at the perfect moment Although each couple achieves their HEA in every book they should be read in order for best reader experience as there is a back storyline throughout the series

Felton,2012-07-19 The author of Guarding Hitler delivers a study revealing the Japanese use of Allied POWs in medical experiments during WWII The Guardian The brutal Japanese treatment of Allied POWs in WW2 has been well documented The experiences of British Australian and American POWs on the Burma Railway in the mines of Formosa and in camps across the Far East were bad enough But the mistreatment of those used as guinea pigs in medical experiments was in a different league The author reveals distressing evidence of Unit 731 experiments involving US prisoners and the use of British as control groups in Northern China Hainan Island New Guinea and in Japan These resulted in loss of life and extreme suffering Perhaps equally shocking is the documentary evidence of British Government use of the results of these experiments at Porton Down in the Cold War era in concert with the US who had captured Unit 731 scientists and protected them from war crime prosecution in return for their cooperation The author's in depth research reveals that not surprisingly archives have been combed of much incriminating material but enough remains to paint a thoroughly disturbing story The narrative does not seek sensation or attempt to draw irrefutable conclusions where it is clearly impossible to do so instead it simply provides a balanced assessment of what is known and what seems probable Pegasus Archive
