shows how the politics of its use evolved as Armenians struggled for international recognition of the crime after 1945 in the face of Turkish protest Taking a combined historical philological literary and political perspective the book is an insightful exploration of the politics of naming a catastrophic historical event and the competitive nature of national collective memories *Ararat* ,2004 **Doveglion: Collected Poems** Jose Garcia Villa,2008-07-29 The renowned modernist poet of experiment and innovation known as The Pope of Greenwich Village and a pioneer of Filipino American poetry A finalist for the Pulitzer Prize for his first U S poetry collection published by Viking Press in 1942 Villa was admired for the reverence the raptness the depth of concentration in his bravely deep poems Marianne Moore Doveglion Villa s pen name for dove eagle and lion contains Villa s collected poetry including rare and previously unpublished material For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *The Oxford Guide to Literature in English Translation* Peter France,2000 The Guide offers both an essential reference work for students of English and comparative literature and a stimulating overview of literary translation in English BOOK JACKET **Select Poems** John Marshall,Orlando John Stevenson,1904
