*Land of the Good Shadows* Heluiz Chandler Washburne, Anaut Ford Blackmore, 1976 Conflicted Colony Kurt Korneski, 2016-10-01 Nineteenth century Newfoundland was an archetypal borderland a space where changes in the authority of imperial national and indigenous territorial claims shaped the opportunities and identities of a socially diverse population Conflicted Colony elucidates processes of state formation in Newfoundland through a reassessment of key moments in the country's history Kurt Korneski closely examines five conflicts from the late nineteenth century the Fortune Bay Dispute of 1878 the St George's Bay Dispute of 1889-92 the 1890s Lobster Controversy the Battle of Foxtrap and disputes over salmon grounds in Hamilton Inlet Labrador to explain how local regimes received challenged and reworked formal and informal diplomatic and commercial arrangements as well as policies set out by the colonial and imperial government The chapters examine antagonisms and divisions that grew out of clashes between the distinct commercial and social identities of regions in the borderlands and the sensibilities of merchants politicians and working people on the Avalon Peninsula Providing new insight into the social history of Newfoundland and Labrador these disputes illuminate contending

perspectives driven by informal systems of governance political movements and local economic social demographic and ecological circumstances Conflicted Colony broadens deepens and clarifies our understanding of how Newfoundland became an integrated Dominion in the British Empire      **The Shadow Witch** Gertrude Crownfield,2022-09-16 In *The Shadow Witch* Gertrude Crownfield weaves a tapestry of myth and enchantment taking readers on a journey through a world where the mystical becomes tangible This special edition presented to us by DigiCat Publishing preserves the literary integrity of Crownfield s original prose while breathing new life into the text for contemporary readers The narrative style of *The Shadow Witch* is rooted in the rich traditions of fantasy literature echoing the transcendence of reality that typifies works of the genre The literary context of Crownfield s work highlights the ever lasting human fascination with the supernatural and the thin veil that separates our world from the magical realms that lie just beyond perception Every page is laden with the weight of human legacy spun into a tale that commands acknowledgment and passion as it secures its place within the canon of world literature Gertrude Crownfield though not excessively renowned is an author whose imaginative capabilities paint vivid landscapes within the minds of her audience The impetus for her creation of *The Shadow Witch* likely stems from a deep seated appreciation for folklore and the narrative structures that define classical storytelling In this special edition Crownfield s storytelling prowess is given due diligence allowing her work to resonate with modern readers while upholding the sanctity of its origins It s plausible that her literary aspirations were not merely to entertain but to contribute to the enduring legacy of tales that explore the depths of the human psyche through the lens of the fantastical DigiCat Publishing s rendition of *The Shadow Witch* is highly recommended for readers who relish in the mysteries of shadow and spell The book s allure lies not only in its exploration of darker themes and otherworldly characters but also in its embodiment of timeless literary craftsmanship It is a fitting homage for both long standing fans and new readers compelling explorers of fiction to traverse the boundaries of their own worldviews Lovers of fantasy admirers of narrative complexity and champions of literary preservation alike will find Gertrude Crownfield s *The Shadow Witch* an essential addition to their personal libraries

*Program* ,1945      **The Shadow of Her Smile** Victoria Taylor Murray, 2005-04 Reading The Shadow of Her Smile was like slurping a long cold lemonade on a sultry summer day I couldn't devour it fast enough The story started off with a bang and grew increasingly suspenseful as Victoria Taylor Murray drew me into her exciting plot with the ease that only the best writers can achieve From Trump Tower to the Waldorf Astoria Hotel to Little Italy to NYPD and a grandmother's run down mansion she painted a New York seldom seen by outsiders I especially relished the historical vignettes of The Big Apple woven in at appropriate places in the story Although many of the supporting characters were ultra worldly obviously shallow greedy and lustful each one was unique and thoroughly fleshed out Even billionaire Forrest Gray who set the stage for this novel when he hired Corbin Douglas to find Nikki Rourke became larger than life as Murray wielded her magic pen to craft him Through all these marvelous mixed up often malevolent characters Murray captured the true essence of the city's diversity of cultures and life styles And the hero and heroine were to die for Corbin a cop turned private investigator is every woman's dream handsome strong and sexy yet kind caring and ethical while Nikki is the beautiful charming smart gutsy red haired woman who is at the center of everything Corbin hooked me right from the start but I had to wait awhile to meet Nikki The wait was worth it and she quickly won my heart by the tender loving manner in which she cared for our hero when he was injured And then there's Charlie Corbin's friend and former partner and the love of his life Bette What a joy it was to meet them Of stronger moral fiber these four characters more than made up for the indiscriminate behavior of the minor characters They became so real to me I'll think of them often in days to come The excitement was nonstop as Corbin searched for Nikki a woman in a photograph with an unforgettable smile overcoming death defying breath stealing obstacles to help her This well written fast paced story has everything believable characters realistic dialogue suspense romance and

original humor When Corbin told his former partner I have a headache the size of Stephen King s Buick 8 I laughed out loud a welcome relief from the tension of the book s drama The Shadow of Her Smile takes you through a series of twists and turns that makes your goosebumps sprout more goosebumps as you question Who are the dead dancers Who is killing red haired women Are they after Nikki too Will Corbin find her in time or will she be the next victim What s going on with the billionaire s wife What does the chauffeur s pretty boy son have to do with it And the gangster and his hit squad Is it all connected The very talented Victoria Taylor Murray won my heart with this book I join her growing legions of fans in applauding her on penning another winner My one regret is that I didn t discover her from her very first book Betty Dravis author of The Toonies Invade Silicon Valley *Stories in a New Skin* Keavy Martin,2012-12-15 In an age where southern power holders look north and see only vacant polar landscapes isolated communities and exploitable resources it is important to note that the Inuit homeland encompasses extensive philosophical political and literary traditions *Stories in a New Skin* is a seminal text that explores these Arctic literary traditions and in the process reveals a pathway into Inuit literary criticism Author Keavy Martin considers writing storytelling and performance from a range of genres and historical periods the classic stories and songs of Inuit oral traditions life writing oral histories and contemporary fiction poetry and film and discusses the ways in which these texts constitute an autonomous literary tradition She draws attention to the interconnection between language form and context and illustrates the capacity of Inuit writers singers and storytellers to instruct diverse audiences in the appreciation of Inuit texts Although Eurowestern academic contexts and literary terminology are a relatively foreign presence in Inuit territory Martin builds on the inherent adaptability and resilience of Inuit genres in order to foster greater southern awareness of a tradition whose audience has remained primarily northern **Catalogue** Arctic Institute of North America.
