## **Ladakh Physical Statistical And Historical:**

Ladák Alexander Cunningham, 1970      **Ladak** Sir Alexander Cunningham, 1977      Ladak Alexander Cunningham, 2025-01-30 First published in London in 1854 this book by Alexander Cunningham is a comprehensive book on Ladakh Cunningham travelled to Ladakh twice once in 1846 and the second time in the following year 1847 and by a different route on each occasion Presented in lucid language Cunningham has well depicted the people and region of Ladakh The book covers a wide spectrum that ranges from the Tibetan language and its alphabet and pronunciation a concise account of the religious beliefs and practices of Tibetan Buddhists and the rise of Lamas the people's habitat lifestyle rites ceremonies and social customs a description of the physical appearance of the population of the flora and fauna and their commerce and history This book is also a treasure house of information on the geography of the area lakes springs rivers mountains moisture radiation winds rain and snow the principal roads passes and bridges boundaries districts and neighbouring countries and the government and administration The book has superb sketches of the landscape and people and line drawings of religious objects as well as human and animal skulls Cunningham has also included tables on comparison of dialects and on magnetic as well as meteorological observations noted over a period of time      *Ladakh* Alexander Cunningham, 1997 The Book contains a full and accurate account of Ladakh The information will be of interest not only to the antiquary and scientific enquirer but also to the general reader In the book Ladakh has been identified with the Akhsha Region of Ptolemy and the proof that Graecus was a Tibetan word and that the Tibetan people and language was once spread over a much greater extent than what they now occupy      Ladák, Physical, Statistical, and Historical, with Notices of the Surrounding Countries Sir Alexander Cunningham, 1998      **Ladak**, 2020      **LADAK PHYSICAL STATISTICAL & HISTORICAL** Alexander Sir Cunningham, 1814-1893, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **Ladák** Alexander Cunningham, 2017-11-24 Excerpt from Ladak Physical Statistical and Historical With Notices of the Surrounding Countries I have endeavoured in the following pages to give to the best of my ability and according to my means of information a full and accurate account of Ladak I have twice visited the country in

1846 and again in 1847 and on each occasion by a different route I have read every work that I could procure and I have neither spared pains nor expense regarding Ladak or Tibet I therefore am willing to think that the various information which I have collected may not prove altogether uninteresting even to the general reader For the antiquary and scientific enquirer there are several subjects which I would fain hope may merit attention The subjects for the antiquary are About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
