Ladies Pageant:

The Most Beautiful Girl in the World Sarah Banet-Weiser, 1999-09-30 This is work in the best tradition of cultural analysis refashioning a seemingly banal cultural object into a newly complicated and eye opening thing *Ladies' Home Companion*

, 1925 The Ladies' Home Journal Edward William Bok, 1914 **Black Beauties** Kimberly Brown Pellum PhD, 2020-02-03

In 1984 Vanessa Williams broke the race barrier to become Miss America but she was not the first Black woman to wear a pageant crown Black beauty pageants created a distinctive and celebrated cultural tradition during some of the most dismal times in the country's racial history With the rise of the civil rights and Black Pride movements pageantry also represented a component of social activism Professor Kimberly Pellum explores this glamorous and profound history with contributions by dozens of former contestants who share their personal experiences **Ladies' Home Journal** Edward William Bok, 1913

Lady's Realm, 1910 *The Ladies' Pageant* Edward Verrall Lucas, 1908 A collection of extracts concerning women

Queens of Academe Karen W. Tice, 2012-04-17 Higher education is an unlikely venue for showcasing ideals of femininity yet campus beauty pageants have increased in popularity in a cultural marketplace conjoining personal empowerment with beauty and style Karen Tice examines the desires and racial and political agendas that propel students onto collegiate catwalks **Elsewhen** William Patterson, 2005-08 As Mahmood approached them Jimmy saw what was in

Mahmood's good hand He knew what it was Mahmood used such devices frequently on his captives and had used such a device on Jimmy before Jimmy screamed louder in rage and frustration I do not want that on my head He tried to move away from Mahmood but made little progress because of the handcuffs Mahmood reached over to try to put the device on Jimmy bent his head away from Mahmood in order to avoid the device Jimmy was unsuccessful and the device went on When the sphere touched the top of his head it flowed out in all directions assuming a more flattened shape It stuck to his head despite the fact that he used his free hand to try to pull it off He started sobbing All his movements gradually started getting slower and slower He appeared to get weaker and weaker which he was The violent emotions shown on his face became more subdued He began to get lethargic He slowly sank to the floor Tweencom Girls Patrice A. Oppliger, 2018-12-17 Tweencom

Girls analyzes the different ways character tropes are portrayed in media targeted at eight to twelve year olds particularly female characters over the last twenty five years The book focuses particularly on sitcoms produced by the cable giants Disney Channel and Nickelodeon because of their popularity and ubiquity It provides extensive examples and alternative interpretations of the shows tropes and themes particularly for those who are unfamiliar with the genre The first section explores common tweencom tropes focusing on different themes that are prevalent throughout the series The second section includes a discussion of the big picture of how tropes and themes give insight into the female characters portrayed in the popular tweencom programming as well as advice to parents and educators The Most Beautiful Girl in the World Sarah Banet-Weiser, 2023-04-28 Sarah Banet Weiser complicates the standard feminist take on beauty pageants in this intriguing

look at a hotly contested but enduringly popular American ritual She focuses on the Miss America pageant in particular considering its claim to be an accurate representation of the diversity of contemporary American women Exploring the cultural constructions and legitimations that go on during the long process of the pageant Banet Weiser depicts the beauty pageant stage as a place where concerns about national identity cultural hopes and desires and anxieties about race and gender are crystallized and condensed The beauty pageant she convincingly demonstrates is a profoundly political arena deserving of serious study Drawing on cultural criticism ethnographic research and interviews with pageant participants and officials *The Most Beautiful Girl in the World* illustrates how contestants invent and reinvent themselves while articulating the female body as a national body Banet Weiser finds that most pageants are characterized by the ambivalence of contemporary liberal feminism which encourages individual achievement self determination and civic responsibility while simultaneously promoting very conventional notions of beauty The book explores the many different aspects of the Miss America pageant including the swimsuit the interview and the talent competitions It also takes a closer look at some extraordinary Miss Americas such as Bess Myerson the first Jewish Miss America Vanessa Williams the first African American Miss America and Heather Whitestone the first Miss America with a disability Sarah Banet Weiser complicates the standard feminist take on beauty pageants in this intriguing look at a hotly contested but enduringly popular American ritual She focuses on the Miss America pageant in particular considering its claim to be an accurate

Pure Beauty Rebecca Chiyoko King-O'Riain, 2006 *Pageants, Parlors, and Pretty Women* Blain Roberts, 2014-03-17 From the South's pageant queens to the importance of beauty parlors to African American communities it is easy to see the ways beauty is enmeshed in southern culture But as Blain Roberts shows in this incisive work the pursuit of beauty in the South was linked to the tumultuous racial divides of the region where the Jim Crow era cosmetics industry came of age selling the idea of makeup that emphasized whiteness and where in the 1950s and 1960s black owned beauty shops served as crucial sites of resistance for civil rights activists In these times of strained relations in the South beauty became a signifier of power and affluence while it reinforced racial strife Roberts examines a range of beauty products practices and rituals cosmetics hairdressing clothing and beauty contests in settings that range from tobacco farms of the Great Depression to 1950s and 1960s college campuses In so doing she uncovers the role of female beauty in the economic and cultural modernization of the South By showing how battles over beauty came to a head during the civil rights movement Roberts sheds new light on the tactics southerners used to resist and achieve desegregation
