every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the Foreword by Father Peter M Fehlner FI theologian sponsor of the International Symposium on Marian Coredeption **The Collected Works of Gerard Manley Hopkins** Gerard Manley Hopkins, 2014-02 Hopkins s Dublin Notebook brings us closer to Hopkins s life and times than any other volume providing a digitized facsimile of the large journal he used for academic personal and religious notes accompanied by a careful transcription of the hand written text and thorough explanatory notes to guide the reader
