A History of Women in 101 Objects Annabelle Hirsch, 2024-03-05 Discover the hidden history of women and the world through this visual exploration of intimate objects and the surprising sometimes shocking stories behind them I adored this book Olivia Colman This is a neglected history Not a sweeping definitive exhaustive history of the world but something quieter more intimate and particular a single journey picked out in 101 objects through the fascinating manifold and too often overlooked histories of women With engaging prose compelling stories and a beautiful full page image of each object Annabelle Hirsch s book contains a curated and diverse compendium of women and their things uncovering the thoughts and feelings at the heart of women s daily lives The result is an intimate and stirring alternative history of humans in the world The objects date from
