Poems and Plays by Charles and Mary Lamb e.V. Lucas, 1912 **The Quarterly Review** William Gifford, Sir John Taylor Coleridge, John Gibson Lockhart, Whitwell Elwin, William Macpherson, William Smith, Sir John Murray IV, Rowland Edmund Prothero (Baron Ernle), 1921 **The Testimony of Sense** Tim Milnes, 2019-07-04 The Testimony of Sense attempts to answer a neglected but important question what became of epistemology in the late eighteenth century in the period between Hume s scepticism and Romantic idealism It finds that two factors in particular reshaped the nature of empiricism the socialisation of experience by Scottish Enlightenment thinkers and the impact upon philosophical discourse of the belletrism of periodical culture The book aims to correct the still widely held assumption that Hume effectively silenced epistemological inquiry in Britain for over half a century Instead it argues that Hume encouraged the abandonment of subject centred reason in favour of models of rationality based upon the performance of trusting actions within society Of particular interest here is the way in which after Hume fundamental ideas like the self truth and meaning are conceived less in terms of introspection correspondence and reference and more in terms of community coherence and communication By tracing the idea of intersubjectivity through the issues of trust testimony virtue and language the study offers new perspectives on the

relationships between philosophy and literature empiricism and transcendentalism and Enlightenment and Romanticism As philosophy grew more conversational the familiar essay became a powerful metaphor for new forms of communication The book explores what is epistemologically at stake in the familiar essay genre as it develops through the writings of Joseph Addison David Hume Samuel Johnson Charles Lamb and William Hazlitt It also offers readings of philosophical texts such as Hume's Treatise Thomas Reid's Inquiry and Adam Smith's Theory of Moral Sentiments as literary performances **Credo** Jaroslav Pelikan, 2005-12-12 One of the world's leading scholars offers unique insights into the history and significance of Christian creeds Eminent theologian Jaroslav Pelikan has been translating editing and studying the Christian creeds and confessions of faith for sixty years This book is the historical and theological distillation of that work In Credo Pelikan addresses essential questions about the Christian tradition the origins of creeds their function their political role how they relate to Christian institutions worship and service and how they help to explain the major divisions of the Christian church and of Christian history Credo stands as an independent reference work devoted to the subject of what creeds and confessions are and what their role in history has been It is also the first of the four volumes of Creeds and Confessions of Faith in the Christian Tradition edited by Pelikan and Valerie Hotchkiss *New York Magazine*, 1991-03-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Library of Congress Catalogs** Library of Congress, 1980 *The Westminster Review*, 1886 *The History of Our Lord* Jameson, Eastlake, 2023-03-07 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Transactions** Royal Society of New Zealand, 1913 Shari Lewis and Lamb Chop Nat Segaloff, Mallory Lewis, 2022-10-28 For almost half a century celebrated ventriloquist and entertainer Shari Lewis 1933-1998 delighted generations of children and adults with the help of her trusted sock puppet sidekick Lamb Chop For decades the beloved pair were synonymous with children's television educating and entrancing their young audience with their symbiotic personalities and their proclivity for song dance and the joy of silliness But as iconic as their television personas are relatively little inside knowledge has been revealed about Lewis herself and the life changing moments that led her to the entertainment industry and perhaps most importantly to Lamb Chop Renowned as a performer Lewis was equally accomplished in business Operating in an era when women were largely left out of the conversation she was one of the few women to run her own television production company Whether it was singing dancing conducting writing drawing or ventriloquism a skill in which she was virtually unmatched Lewis spent the entirety of her sixty five years in pursuit of

performative perfection Constantly innovating and adapting to the needs of her audience and the market Lewis extended the longevity of her career decade after decade Her contributions particularly the creation of Lamb Chop and her puppet pals forever changed the history of children s television Now long after Lewis and Lamb Chop graced television with their final performance Lewis s daughter Mallory and author Nat Segaloff have set the record straight about the iconic pair in Shari Lewis and Lamb Chop The Team That Changed Children s Television In this seminal biography the authors pull the veritable wool from the eyes of audiences who adore the legendary entertainer to examine the joys sorrows triumphs and sheer hard work that gave Lewis and Lamb Chop their enduring star power
