A Land Between Rebecca Fish Ewan, 2000-12-08 A Land Between tells the stories of the people who have lived in the valley and uncovers the marks they have left on the land **The Land Between** Oto Luthar, 2008 This is a history of a space a space between the Panonian plain in the East and the most northernmost bay in the Adriatic in the West from the eastern Alps in the North and the Dinaridic mountain area in the South It is also a history of all the different people who lived in this area The authors show that the Slavs did not settle an empty space and simply replace the Celto Roman inhabitants of earlier times they are on the contrary presented as the result of reciprocal acculturation The authors show that the Slovenes made more than two important appearances throughout the entire feudal era the same holds for later periods especially for the twentieth century This book offers a concise and complete history of an area that finally became an integral part of Central Europe and the Balkans Pub desc **Natural Resources Management Plan (NRMP) at the Land Between The Lakes (LBL), TN, KY**, 1994

Foresta, 2013-11-01 Between Barkley and Kentucky Lakes two great artificial bodies of water in western Tennessee and western Kentucky lies a wooded land that looks from above like the flattened thumb of a green giant Once a land of marginal farms and small settlements this 240 square mile peninsula known as the Land Between the Lakes has been a national recreation area for the last half century Its rolling wooded hills and open bottomlands give the place charm but little majesty

The place swallows up its few campgrounds and visitors they attracts creating a vacuous tranquility In this volume Foresta explores how this forgotten and bypassed region became a national recreation area He uses its history to retrieve our old attitudes toward nature progress and personal development He also uses its history to retrieve a vision of the future that rallied idealists intellectuals and even public officials to its banner In the early 1960s the Tennessee Valley Authority set out to create a great park for posterity at the Land Between the Lakes The park was to host the vast stretches of leisure that wealthy secure and more equal Americans of the late twentieth and early twenty first centuries would have at their disposal It would be a place where such Americans could turn that leisure into happiness psychic well being and strength of character The TVA cleared the land of its inhabitants to create the park removing people from their homes and severing their roots thus effacing the history of the place It then set about reshaping the land in the image of an anticipated future But when that future never arrived managers struggled to fit the place to the America that actually came into being In the end they failed leaving the Land Between the Lakes enveloped in a haunting sense of emptiness A deft blend of environmental history geography politics and cultural history Land Between the Lakes demonstrates both the idealism of mid twentieth century planners and how quickly such idealism can fall out of alignment with the flow of history In so doing it explores a forgotten vision of the future that was in many ways more appealing than the present that came into being in its place
