

A person is running away from the viewer down a long, dimly lit tunnel. The tunnel's walls are made of large, rectangular stone blocks. At the far end of the tunnel, a bright, glowing light source creates a strong backlighting effect, silhouetting the person and illuminating the air with a hazy, golden glow. The person is in the center of the frame, running towards the light.

Heaven Only Knows Death Of Timeless Innocence:

Heaven Only Knows Gary Beers, 2004-10-01 What would you think about an angel Timeless Innocence who came to the world through sin to save and had an impact on millions of lives The angel was pure as one could be purity never before seen The angel was called to duty as Christ was not to save the world from sin but was asked to take part in a great mission saving lives with the use of education and love helping to divert the devastating consequences of the AIDS epidemic during the late 1970s and 1980s This was during a time when there was a sudden explosive increase in this disease This angel earthly name Beth Mitchell was to edify teach purity and love through her being with the employ of human interaction made by her lifelong friends though she eventually suffers from this disease The fateful interaction by the so called Judas Mike Kessell Beth s boyfriend in the story seems incongruously introduced in the turning point As history has shown Christ had no awareness of whom He was until later in life Beth is not aware of her angelic purpose until reunited with her guardian angel Rose in heaven She dies leaving an indelible impression in the county in which she lives mirroring The Beth Mitchell Light of Hope Foundation founded by Mike Kessell Gail Davis best friend and Mark Johnson Jr friend I Am That I Am Minnie Jackson, 2019-02-19 The Civil War and the years of Reconstruction had finally ended The small town of Tuskegee Alabama had quietly adjusted to the changes I Am That I Am takes us to this demure town Just when the scalawags and carpetbaggers ceased their tumultuous attempts to reorganize the South a more sinister enemy appeared The endless stretches of cotton flourishing during the hot days of summer abruptly ended The ominous boll weevil with its insatiable appetite threatened the economy of the South The white cotton was now brown and dying on the vines Sarah once a part of the antebellum gentry proved to be a staunch ray of hope for both her family and her neighbors One neighbor in particular was the equally resolute paradigm of Southern love and hospitality This neighbor was Zachariah a kind and humble soul who was raising his two granddaughters Elizabeth and Mary When Dr George Washington Carver came to the recently opened school for Negroes as the African Americans were called in those days he found the help given by people such as Sarah and Zachariah a refreshing reminder of God s providential hand Even more surprising was the tenacious love of the people that transcended any color barriers that many would assume existed Dr Carver a botanist soon found the rare yet simple solution to the boll weevil epidemic the tiny insect called the beetle If only Sarah could find a solution to the dark and mysterious cloud that seemed to aggrieve her daughter in law If only Zachariah could solve the mystery of the disappearing food from the barn **The Names of God** Herbert Chanan Brichto, 1998 In this book Brichto argues for the aesthetic and ideological wholeness of the Hebrew Bible He uses the methods of contemporary literary criticism to examine one of the greatest inconsistencies within the Book of Genesis the alternating use of Yahweh the Lord and Elohim God as names for the Deity Often cited as the proof of multiple authorship Brichto shows instead that this inconsistency serves as a device for a single author using the specific name that is appropriate to each specific story Brichto then proceeds to overturn other multiple author proofs including

variations in genealogies eponyms and chronologies He shows that their variety ingenuity and imaginative whimsy serve a vital poetic function in the structure of the text as a whole Finding a unity in this diversity of genres styles and devices Brichto solidifies his thesis of single authorship

Reading Karl Barth Kenneth Oakes, 2011-09-22 Karl Barth's 1922 *The Epistle to the Romans* is one of the most famous notorious and influential works in twentieth century theology and biblical studies It is also a famously and notoriously difficult and enigmatic work especially as its historical context becomes more and more foreign In this book Kenneth Oakes provides historical background to the writing of *The Epistle to the Romans* an introduction and analysis of its main themes and terms a running commentary on the text itself and suggestions for further readings from Barth on some of the issues it raises The volume not only offers orientation and assistance for those reading *The Epistle to the Romans* for the first time it also deals with contemporary problems in current Barth scholarship regarding liberalism dialectics and analogy

A *Divine Comedy: The Complete Story of Tom Spotted Tail Augustine Stearns in One Volume* Cecil Donald Leighton, Jr., 2025-04-29 A *Divine Comedy* is the compilation of *True* and *One* in one volume *True* is the author's debut novel a suburban American Indian coming of age story set in Tours France in 1985 whose theme is self discovery *True* is the author's debut novel a suburban American Indian coming of age story set in Tours France in 1985 whose theme is self discovery Despite being influenced by a number of literary landmarks in this genre of fiction such as F Scott Fitzgerald's *This Side of Paradise* Evelyn Waugh's *Brideshead Revisited* John Knowles' *Paragon* and Bret Easton Ellis' *Less Than Zero* Cecil Donald Leighton Jr's coming of age novel is strikingly different in that it memorializes what it was like to attend Stanford University and study abroad in France as an assimilated mixed blood Lakota Catholic preppy in the mid 1980's In *True* the main character of Tom Spotted Tail Augustine Stearns a child of de jure desegregation and the federal American Indian policy of relocation from reservations to seven U.S. cities hails from the southeast industrial suburbs of Los Angeles in decline throughout the 1970's and 1980's due to industrial offshoring reduced household income middle class White flight and population replacement Growing up amidst such radical economic demographic societal and cultural change Tom finds stability in his topsy turvy world in the timeless truths beauty and grace of Catholicism finding the traditional expression of it more efficacious in inspiring reverence and prayer imparting light and grace and instilling peace and charity than the new In addition Tom is drawn to the thought provoking lyrics of English Scottish Irish and Australian post punk bands whose members like Tom hail from industrial cities in decline populations in flux societies in turmoil and cultures in confusion Not surprisingly throughout the pages of this story Tom can be found listening to their music on his 1980's Sony Sports Walkman when he is not listening to classical music opera arias or Gregorian chant Living as an American abroad with the fuller fairer and more impartial view of all things American that comes with such geographic objectivity Tom is forced to face and address through his traditional gentleman's education and Catholic faith the pressing issues of his day concerning race class religion

nationality sexuality and AIDS especially as they relate to his everyday experience moral formation and personal identity In the course of his Stanford in Tours studies weekend clubbing day trips to Paris collegiate friendships sexual temptations and falling in love not to mention his Grand Tour of Italy and other travels Tom journeys inward and in the process comes face to face with what it means to be true In the course of this classic 1980 s tale of money sex and fast living set in Los Angeles and cities across Europe the main character Tom Spotted Tail Augustine Stearns a Stanford undergraduate home for Christmas Break from his studies in France finds himself tempted and seduced by all that glitters but is not gold Despite his sincere faith repentance frequenting of the sacraments and marriage to a brilliant blonde co ed from Napa Valley Tom repeatedly falls from grace Under the seductive power of the world the flesh and the devil Tom is led deeper and deeper into a Dantean woods of melancholic isolation and sin spiritual correction and suffering but also ultimately unmerited love and redemption In the completion of his interior journey and life as both sinner and saint Tom discovers what it means to be one in weakness and in strength in flesh and in spirit in time and in eternity

One, A Novel Cecil Donald Leighton, Jr., 2025-04-24 As the sequel to *True* One continues to unfold the star crossed romance of the first book whose theme is self discovery In the course of this classic 1980 s tale of money sex and fast living set in Los Angeles and cities across Europe the main character Tom Spotted Tail Augustine Stearns a Stanford undergraduate home for Christmas Break from his studies in France finds himself tempted and seduced by all that glitters but is not gold Despite his sincere faith repentance frequenting of the sacraments and marriage to a brilliant blonde co ed from Napa Valley Tom repeatedly falls from grace Under the seductive power of the world the flesh and the devil Tom is led deeper and deeper into a Dantean woods of melancholic isolation and sin spiritual correction and suffering but also ultimately unmerited love and redemption In the completion of his interior journey and life as both sinner and saint Tom discovers what it means to be one in weakness and in strength in flesh and in spirit in time and in eternity

Life After Death Alan Segal, 2010-06-23 A magisterial work of social history *Life After Death* illuminates the many different ways ancient civilizations grappled with the question of what exactly happens to us after we die In a masterful exploration of how Western civilizations have defined the afterlife Alan F Segal weaves together biblical and literary scholarship sociology history and philosophy A renowned scholar Segal examines the maps of the afterlife found in Western religious texts and reveals not only what various cultures believed but how their notions reflected their societies realities and ideals and why those beliefs changed over time He maintains that the afterlife is the mirror in which a society arranges its concept of the self The composition process for Judaism Christianity and Islam begins in grief and ends in the victory of the self over death Arguing that in every religious tradition the afterlife represents the ultimate reward for the good Segal combines historical and anthropological data with insights gleaned from religious and philosophical writings to explain the following mysteries why the Egyptians insisted on an afterlife in heaven while the body was embalmed in a tomb on earth why the Babylonians viewed the dead as living in underground prisons why the Hebrews remained silent about life after

death during the period of the First Temple yet embraced it in the Second Temple period 534 B C E 70 C E and why Christianity placed the afterlife in the center of its belief system He discusses the inner dialogues and arguments within Judaism and Christianity showing the underlying dynamic behind them as well as the ideas that mark the differences between the two religions In a thoughtful examination of the influence of biblical views of heaven and martyrdom on Islamic beliefs he offers a fascinating perspective on the current troubling rise of Islamic fundamentalism In tracing the organic historical relationships between sacred texts and communities of belief and comparing the visions of life after death that have emerged throughout history Segal sheds a bright revealing light on the intimate connections between notions of the afterlife the societies that produced them and the individual s search for the ultimate meaning of life on earth **I am an Impure**

Revolution Eugen Rosenstock-Huessy,2013-04-08 This classic originally published in 1938 was reprinted in 1969 for a new generation by Berg Publishers From the new introduction by Harold J Berman That this book written six decades ago is without question an extraordinary book a remarkable book a fascinating book has not saved it from relative obscurity It is directed against conventional historiography and for the most part the conventional historians have either ignored it or denounced it It is a history in the best sense of the word Although it embodies original scholarship of the highest professional quality it is written primarily for the amateur the person of general education who wants to know where we came from and whither we are headed But it is also a theory of history how history should be understood how historians should write about it Out of Revolution interprets modern Western history as a single 900 year period initiated by total revolution and punctuated thereafter by a series of total revolutions that broke out successively in the different European nations Rosenstock Huessy was a prophet who like many great prophets failed in his own time but whose time may now be coming

Gettysburg Kent Gramm, 2019-06-17 In *Gettysburg The Living and the Dead* writer Kent Gramm and photographer Chris Heisey tell the famous battle's story through the eyes of those who lived and died there Unlike histories that simply recount the three furious days in July 1863 this book transports readers onto the battlefield and into the event's historical echoes making for a delightful immersive experience Creative nonfiction fiction dramatic dialogue and poetry combine with full color photographs to convey the essential reality of the famous battlefield as a place both terrible and beautiful The living and the dead contained here include Confederates and Yankees soldiers and civilians male and female young and old Visitors to the battlefield after 1863 both well known and obscure provide the voices of the living They include a female admiral in the U S Navy and a man from rural Virginia who visits the battlefield as a way of working through the death of his son in Iraq The ghostly voices of the dead include actual participants in the battle like a fiery colonel and a girl in Confederate uniform as well as their representatives such as a grieving widow who has come to seek her husband Utilizing light as a central motif and four score and seven voices to evoke how Gettysburg continues to draw visitors and resound throughout history alternately wounding and stitching the lives it touches Gramm's words and Heisey's photographs meld for a historical experience unlike any other *Gettysburg The Living and the Dead* offers a panoramic view wherein the battle and battlefield of Gettysburg are seen through the eyes of those who lived through it and died on it as well as those who have sought meaning at the site ever since

The Wizard of Mecosta: Russell Kirk, Gothic Fiction, and the Moral Imagination Camilo Peralta, 2024 *The Wizard of Mecosta* offers an extended analysis of the fiction of Russell Amos Kirk 1918-1994 a central figure in modern American conservatism who is often referred to as the father of the same Born and raised in Michigan Kirk was also a prolific writer of fiction who published almost two dozen short stories and three novels over the course of his long career At the heart of everything Kirk wrote was what he referred to as the moral imagination a phrase he borrowed from Edmund Burke and often used to describe the instructive and enlightening purposes of great literature Despite his prominent reputation as a public man of letters and the respect of fellow authors including Ray Bradbury and Stephen King Kirk's fiction was never very popular and has fallen into almost complete obscurity in the present *The Wizard of Mecosta* is the first full length study ever published about Kirk's fiction and the only work of any length to consider the entirety of his output including all of the stories and novels he wrote By emphasizing how Kirk's fiction illuminates certain aspects of his social and political theory *The Wizard of Mecosta* distinguishes itself from the half dozen or more studies of the author's life and work that have been published since his death in 1994 It should appeal to anyone with an interest in American conservatism as well as fans and scholars of the sort of Gothic horror in which Kirk unexpectedly excelled Through his stories of avenging ghosts and timeless journeys through the afterlife he reminds us of the existence of permanent things the core values and beliefs of Western society which he strove all his life to preserve It is high time that his

fiction found a more appreciative and larger audience **Praise of the Secular** Gabriel Vahanian, 2008 Conservative religious figures routinely warn against the dangers of secularization just as proponents of the modern secular state decry the theocratic tendencies of religion Both sides assume that the sacred and the secular are diametrically opposed Gabriel Vahanian rightly calls such misbegotten assumptions into question The problem lies elsewhere In the light of the biblical dialectic of holiness and the secular *Praise of the Secular* deftly vindicates the secular weaving together philosophy history and theology in fine Derridean yet reinforced deconstructionist fashion Vahanian argues that religion far from being opposed to the secular finds its fulfillment in the secular world Armed with a compelling interpretation of Christ's incarnation he claims that we have not grasped John's notion of the word become flesh even of God as wording until or unless we realize it must so expand as to demand the worlding of that very word extending it into secular relevance In other words the holy if not the sacred demands its own secularization In this poetically written and profoundly life affirming work Vahanian reinvigorates the secular against the claims of fundamentalism which makes the relative absolute and against the ideology of a kind of atheism secularism is his term which makes the absolute relative
