## **Hegel Denkgeschichte Eines Lebendigen:**

**Hegel and the Spirit** Alan M. Olson, 2021-07-13 Hegel and the Spirit explores the meaning of Hegel's grand philosophical category the category of Geist by way of what Alan Olson terms a pneumatological thesis Hegel's philosophy of spirit according to Olson is a speculative pneumatology that completes what Adolf von Harnack once called the orphan doctrine in Christian theology the doctrine of the Holy Spirit Olson argues that Hegel's development of philosophy as pneumatology originates out of a deep appreciation of Luther's dialectical understanding of Spirit and that Hegel's doctrine of Spirit is thus deeply interfused with the values of Württemberg Pietism Olson further maintains that Hegel's Enzyklopädie is the post Enlightenment philosophical equivalent of a Trinitarian doctrine and that his Rechtsphilosophie is an ecclesiology Thus Hegel and the Spirit demonstrates the truth of Karl Barth's observation that Hegel is the potential Aquinas of Protestantism Exploring Hegel's philosophy of spirit in historical cultural and personal religious context the book identifies Hegel's relationship with Hölderlin and his response to Hölderlin's madness as key elements in the philosopher's religious and philosophical development especially with respect to the meaning of transcendence and dialectic The Unity of Hegel's "Phenomenology of Spirit" Jon Stewart, 2011-08-31 By examining at the microlevel the particulars of each dialectical movement and by analyzing at the macrolevel the role of the argument in question in the context of the work as a whole Stewart provides a detailed analysis of the Phenomenology and a significant scholarly demonstration of Hegel's own conception of the Phenomenology as a part of a systematic philosophy *Hegel* Frederick Beiser, 2005-10-24 Hegel 1770-1831 is one of the major philosophers of the nineteenth century Many of the major philosophical movements of the twentieth century from existentialism to analytic philosophy grew out of reactions against Hegel He is also one of the hardest philosophers to understand and his complex ideas though rewarding are often misunderstood In this magisterial and lucid introduction Frederick Beiser covers every major aspect of Hegel's thought He places Hegel in the historical context of nineteenth century Germany whilst clarifying the deep insights and originality of Hegel's philosophy A masterpiece of clarity and scholarship Hegel is both the ideal starting point for those coming to Hegel for the first time and essential reading for any student or scholar of nineteenth century philosophy Additional features glossary chapter summaries chronology annotated further reading Hegel Myths and Legends Jon Stewart, 1996-05-13 For over thirty years Hegel scholars have known that many of the views of Hegel rife in the Anglo Saxon world are highly inaccurate The essays collected in this volume show the myths and legends to be just that The author has selected a set of essays that treat and effectively debunk the various Hegel myths and legends Divided into sections addressing the various myths and augmented by Stewart's informative introduction and a bibliography this collection should be of interest to scholars and nonspecialists alike **The Legacy of Hegel** J.J. O'Malley, K.W. Algozin, H.P. Kainz, L.C. Rice, 2012-12-06 The present volume represents the proceedings of the Marquette Hegel Symposium held at Marquette University Milwaukee Wisconsin on June 2-5 1970 The Symposium

celebrating the two hundredth anniversary of Hegel's birth was presented under the combined sponsorship of the Philosophy Department of Marquette University the American Council of Learned Societies and the Johnson Foundation of Racine Wisconsin Its general theme embraced not only specific topics of interest in contemporary Hegel studies but also the wider aspects of the influences and impact of Hegel's thought upon contemporary philosophical political and social problems Principal contributors and panelists were selected for their scholarly achievements in Hegel studies and also in keeping with the broad view of the Hegelian legacy in current thought All sessions of the Symposium were plenary and designed for maximum discussion and interchange among participants The Symposium Committee regrets that it has not been feasible to incorporate the transcript of the discussions except for the round table discussion on editing and translating Hegel into this volume The papers presented in each day's sessions are published here with editorial changes and corrections made by their respective authors The papers by Professors Otto Poggeler and Eric Weil were originally translated by members of our Committee the present versions incorporate many changes and corrections made by their authors The comments on each paper were brought into their present form only after the Symposium and in the light of the discussions which took place during it

*Hegel's Concept of God* Quentin Lauer, 1983-06-30 If one takes a panoramic view of Hegel's entire philosophical endeavor the endeavor to come to grips with and to be committed to reality in the concrete one is struck by one inescapable idea The Hegelian enterprise is an extraordinarily unified and grandiose attempt to elaborate one concept which Hegel sees as the root of all intelligibility the concept of God whatever that term is going to turn out to mean The question with which we are faced is neither whether Hegel is correct in what he says nor whether his interpreters are justified in what they say of him Rather the question is one of finding out just what Hegel does say and of determining what impact that can have on our own thinking Why then the Concept of God The answer is to be found in the culmination of the entire Hegelian system The Philosophy of Absolute Spirit Only in the light of absolute Spirit is anything Hegel says intelligible in Hegel's view absolute Spirit is in fact to be identified with God and that therefore only if Hegel's Concept of God is intelligible will anything Hegel says be intelligible from the Introduction

**Hegel's Theory of the Modern State** Shlomo Avineri, 1974-01-17 The author presents an overall view of Hegel through his philosophical political and personal ideas

**The Cambridge Companion to Hegel** Frederick C. Beiser, 1993-01-29 This volume considers all the major aspects of Hegel's work epistemology logic ethics political philosophy aesthetics philosophy of history and philosophy of religion

Hegel and the Philosophy of Religion Darrel E. Christensen, 2012-12-06 THE WOFFORD SYMPOSIUM ITS PURPOSE GENESIS AND THEME The purpose of The Wofford Symposium was to stimulate original scholarship on the theme of the meeting to provide a forum in philosophy of high quality in the area which Wofford College principally serves and to make available for publication this collection of papers which it was felt would meet a peculiar need in the contemporary literature of philosophy In April 1967 I attended the annual meeting of the Metaphysical Society of America at Purdue University Noting the frequency with which Hegel was

brought into the discussions at that meeting I was led on two occasions to inject the question into informal group discussions in the halls Isn't it time some sort of symposium on Hegel was held On the last occasion Professor Frederick Weiss replied Why don't you start it I'm not yet certain how serious the remark was intended to be but after waiting two months half expecting to hear of a plan under way it occurred to me that perhaps what was wanting was a concrete proposal Hegel's Ladder H. S. Harris, 1997-03-10 A two volume set Print edition available in cloth only Awarded the Nicholas Hoare Renaud Bray Canadian Philosophical Association Book Prize 2001 From the Preface Hegel's Ladder aspires to be a literal commentary on Die Phänomenologie des Geistes It was the conscious goal of my thirty year struggle with Hegel to write an explanatory commentary on this book and with its completion I regard my own working career as concluded The prevailing habit of commentators is founded on the general consensus of opinion that whatever else it may be Hegel's Phenomenology is not the logical Science that he believed it was This is the received view that I want to overthrow But if I am right then an acceptably continuous chain of argument paragraph by paragraph ought to be discoverable in the text *The Incarnation of God* Hans Küng, 1987-01-01 This work introduces the English speaking reader to the theoretical foundations of King's popular works an indispensable prolegomena for every future Christology The Philosophers : Their Lives and the Nature of their Thought Ben-Ami Scharfstein Professor of Philosophy Tel-Aviv University, 1980-06-26 **Hegelianism** John Edward Toews, 1980 This is a study of the rise of Hegelian thought in the nineteenth century **Hegel in Bern** Martin Bondeli, 1990-01-01 Vorwort Hegel in Bern Eine Vorerinnerung Erster Teil HINTERGRÜNDE A Formen der deutschen Aufklärung zur Zeit des frühen Hegel 1 Die Zeitperiode Hegels 2 Das Aufklärungsd Denken Hegels im Tübinger Stift B Der politisch soziale Hintergrund des Berner Hegel Seine Antwort mittels der Vertraulichen Briefe 1 Zu Hegels Auseinandersetzung mit dem bernischen Staatswesen 2 Der bernische Staat als Gedankenstaat C Der geistig kulturelle Hintergrund des Berner Hegel 1 Tendenzen einer bernischen Aufklärung Bemerkungen zur These der geistig kulturellen Enge Berns in den 90er Jahren 2 Stapfers kulturphilosophischer Kantianismus 3 Auseinandersetzung mit Fichtes Hypermetaphysik Der dänische Dichterphilosoph Baggesen in Bern D Der Berner Hegel Eine philosophische Biographie 1 Der Hofmeister 2 Die Bibliothek 3 Die Französische Revolution Eine Episode mit theoretischen Folgen 4 Vive Jean Jacques Eine Interpretation zu Eleusis Zweiter Teil HEGELS BERNER MANUSKRIPTE Zur Forschungslage A Das sogenannte Tübinger Fragment 1 Denkwege einer Versinnlichung der Religion 2 Subjektive Religion und Volksreligion B Subjektivierung der objektiven Religion Die Berner Fragmente bis Ende 1794 1 Die Kritik der christlichen Religion 2 Volksreligion und Emanzipation C Christentum und Positivität Die Berner Fragmente ab 1795 1 Das Leben Jesu 2 Das Positive 3 Wege einer ästhetischen und spekulativen Vereinigungsphilosophie Literaturverzeichnis **Hegel-Studien Band 1** Friedhelm Nicolai, Otto Pöggeler, 1961-01-01 ZUR EINFÜHRUNG Die Philosophie unseres Jahrhunderts hat sich seit dem Dezennium da W Windelband eine Erneuerung des Hegelianismus vor sich sah Benedetto Croce Lebendiges und Totes in Hegels Philosophie zu scheiden sich und anderen zum
