Dreamlife Rufus Goodwin, 2004-06 Where do dreams come from By what light do we see them What lights a dream

Dream theorists have been more interested in the content and implications of dreams or when more scientifically inclined their physiology They have rarely considered the light perhaps fearing where the search might lead Rufus Goodwin however advances courageously where angels fear to tread With subtle intelligence persistence and wit Goodwin pursues his question in short lucid chapters through thickets of competing theories He takes an evenhanded approach consulting those who work in dream laboratories poets and writers and those dreamers who like himself and us have pondered dreams and their meaning in life In the end he arrives at the concept of dreamlight as a bridge between body and mind This light however is not what it seems and has nothing to do with the brain's electrical activity Rather it is living light a transpersonal element in our lives that says much about the nature and possibility of human consciousness Rufus Goodwin will change and deepen your understanding of consciousness and dreams Contents Dreamland Hard Science of Dreams Dreams of the Blind Dream Idiom The Pact against Vitalism Medieval Dream Theory The Skunk Dream Freud's Fraud Is Life a Dream Dreamlight Bridge between Body and Mind Transpersonal Powers of Dreams Dreams As Windows of Light A Workbook The Social Life of

Nothing Susie Scott, 2019-06-03 Nothing really matters All the things that we do not do have or become in our lives can be important in shaping self identity From jobs turned down to great loves lost secrets kept and truths untold people missed and souls unborn we understand ourselves through other unlived lives that are imaginatively possible This book explores the realm of negative social phenomena no things no bodies non events and no where places that lies behind the mirror of experience Taking a symbolic interactionist perspective the author argues that these objects are socially produced emerging from and negotiated through our relationships with others Nothing is interactively accomplished in two ways through social acts of commission and omission Existentialism and phenomenology encourage us to understand more deeply the subjective experience of nothing this can be pursued through conscious meaning making and reflexive self awareness The Social Life of Nothing is a thought provoking book that will appeal to scholars across the social sciences arts and humanities but its message also resonates with the interested general reader
