What Price Hollywood? Elyce Rae Helford, 2020-06-23 During the early Hollywood sound era studio director George Cukor produced nearly fifty films in as many years famously winning the Best Director Oscar at the 1964 Academy Awards for *My Fair Lady* His collaborations with so called difficult actresses such as Katharine Hepburn Judy Garland and Marilyn Monroe unsettled producers even as his ticket sales lined their pockets Fired from *Gone with the Wind* for giving Vivien Leigh more screen time than Clark Gable Cukor quickly earned a double sided reputation as a woman s director While the label celebrated his ability to help actresses deliver their best

performances the epithet also branded the gay director as suitable only for work on female centered movies such as melodramas and romantic comedies Desperate for success after a failed drag film nearly ended his career Cukor swore to work within Hollywood's constraints Nevertheless What Price Hollywood Gender and Sex in the Films of George Cukor finds that Cukor continued to explore gender and sexuality on screen Drawing on a broad array of theoretical lenses Elyce Rae Helford examines how Cukor's award winning films titles including My Fair Lady and The Philadelphia Story as well as his lesser known films engage Hollywood masculinity and gender performativity through camp drag and mixed genres Blending biography with critical analysis of more than twenty five films What Price Hollywood tells the story of a once in a generation director who produced some of the best films in history [Western Film Highlights](#) Henryk Hoffmann,2015-07-11 Westerns may have had their heyday but they remain popular The greatest films from 1914 when The Squaw Man and The Virginian were among the genre's best through 2001 when American Outlaws and Texas Rangers were tops are the subject of this work For each year the author names the outstanding western films in the following categories picture screenplay original and adaptation direction cinematography music male and female leading roles and male and female supporting roles Also for each year the author lists the westerns that received Academy Award nominations and those that won makes note of the births and deaths of notable actors directors producers composers cinematographers authors and other such personalities and describes the genre's significant achievements **More Kentucky Bourbon Cocktails** Joy Perrine,Susan Reigler,2016-08-26 The authors of the bestselling The Kentucky Bourbon Cocktail Book serve up more unique and unorthodox flavor pairings The Dallas Morning News Ninety five percent of the world's bourbon whiskey is produced in Kentucky and the drink is as distinctive to the state as Thoroughbred horses and Bluegrass music As America's native spirit enjoys booming popularity worldwide award winning bartender Joy Perrine and celebrated restaurant critic and drinks writer Susan Reigler return to offer new recipes that will delight both the cocktail novice and the seasoned connoisseur Following up on their bestselling The Kentucky Bourbon Cocktail Book the duo returns with more reasons to appreciate bourbon whiskey This mouthwatering volume features more than fifty delicious new concoctions including variations on classics such as the Old Fashioned and the Manhattan and even adds a splash of Kentucky flavor to mojitos sangria lemonade and coffee It also serves up recipes from leading bartenders prizewinning drinks from cocktail competitions and a bourbon inspired buffet featuring edibles that will be a feast for aficionados The useful bourbon glossary and bibliography will appeal to professional or at home bartenders eager to experiment invent and savor their own recipes Perrine and Reigler's use of specialized and craft products answers the need for information regarding craft drink creation Perrine and Reigler have doubled down on this must have bourbon cocktail book sharing their own recipes and those of award winning bartenders Albert W A Schmid author of How to Drink Like a Royal [Jean Renoir](#) Raymond Durnat,1974-01-01 [100 Westerns](#) Edward Buscombe,2019-07-25 Addresses the perennial appeal of the Western exploring its 19th century popular culture and its

relationship to the economic structure of Hollywood This work considers the defining features of the Western and traces its main cycles from the epic Westerns of the 1920s and singing cowboys of the 1930s to the Spaghetti Westerns of the 1960s

George Cukor's People Joseph McBride, 2024-12-17 The director of classic films such as *Sylvia Scarlett* *The Philadelphia Story* *Gaslight* *Adam's Rib* *A Star Is Born* and *My Fair Lady* George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman's director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that's your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides insightful and revealing essayistic portraits of Cukor's actors in their most memorable roles The queer filmmaker gravitated to socially adventurous subversively rule breaking audacious dreamers who are often sexually transgressive and gender fluid in ways that seem strikingly modern today McBride shows that Cukor's seemingly self-effacing body of work is characterized by a discreet way of channeling his feelings through his actors He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden Cukor's wry wit his keen sense of psychological and social observation his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood *George Cukor's People* gives him the in-depth multifaceted examination his rich achievement deserves
