we would watch from a distance The Guard are soldiers for the Elders There are seven Elders in each sector and there are three sectors that keep the world covered The reason there are seven is to ensure that all main Demons are represented It is very rare that they ever get together it has only happened once in my lifetime and that was in the very beginning when they first came to be The Elders are our law they are the ones who stop all unnecessary murders slaughter being done to humans by our kind They keep harmony There is only one punishment imprisonment followed by death In our sector the lead Elder is my maker my father Elder Thomas Carter he is a Lamiahaem Lamiahaem are very passionate Demons if we were not part of the Guard we would be living peacefully in our large family groups Our species are not naturally aggressive we have had to learn to adapt to a violent world We are made and we make our partners these are always humans that have magical gifts When we meet that partner it is for life this is natural for us It is hard to explain the magnetic pull that you have when you first meet your mate this love is also experienced by the human There is only one mate for you if that is denied you will recover and eventually meet another but it can take some time I have been Lamiahaem since 1554 my name is Simon My father Thomas Carter lost his mate in a fight with vampire before he made me He still cannot explain why he felt the need to change me only to say that he noticed my gift of being able to feel illness and injuries and to know how to heal Father believed that I would be useful to his world We were in Newcastle in 1635 I was with the Guard There were Renegade Vampire feeding off humans that had the plague it appeared their affected blood was something like a drug to them Even though these humans were going to die we were still there to stop them from being slaughtered That was when I seen the woman who would later become my wife Julie she had shoulder length light brown hair and sad brown eyes the feelings I had were instant Her eyes haunted me every second from the moment I seen her It wasnt just sexual desire it was a desire to look after her to be there for her to never leave her There were obstacles that I had to overcome but in 1637 I made her my wife After she was changed we discovered that Julie could sense feelings My life now had purpose she was everything and she felt the same for me Together we worked at healing both Demons and Humans Normally that is where it would stop we change our mate but Julie and I were different In 1665 the plague had hit London The Vampire returned and so did the Guard Julie had noticed a young man who was angry lonely and deeply upset with himself His family became ill with the plague Julie and I nursed them until their eventual deaths The young man Jonathon became more emotional and was on a path of self destruction he had an ability that he
