The Seven Thunders Curtis Shearer, 2012. From druggie to prison ministries volunteer, Curtis spent his teenager and young adult years partying and strung out on drugs and alcohol. It wasn't until he was faced with a potential prison sentence that Curtis stopped and thought about a higher Power when he heard thunder in the middle of the day with not a storm cloud around. After that experience, Curtis went on a spiritual quest to discover happiness and fulfillment, but strange ideas and religions took him down paths that led away from God. Yet at key points in his life, God once again sent thunder to wake Curtis up. The Seven Thunders is the story of Curtis Shearer and his struggle with drugs and alcohol, his deliverance from his addictions, and his life of ministry and service for the Lord in the prison system, his community, and abroad. The book chronicles his search for peace and joy in the midst of the trials and tribulations of life and the fulfillment of the desires of his heart. *Futures for the Class of*, 1995. *Relapse Prevention and Recovery Promotion in Behavioral Health Services*, My Sister Rosa Justine Larbalestier, 2016-11-15. Beats *The Silence of the Lambs* for suspense; it's the kind of book that had me literally gasping aloud as it rattled to its incredible conclusion. Cory Doctorow, New York Times bestselling author of *Homeland*. What if the most terrifying person you know is your ten-year-old sister? Seventeen-year-old Aussie Che Taylor loves his younger sister Rosa. But he's also certain that she's a psychopath, clinically threateningly dangerous. Recently, Rosa has been making trouble, hurting things. Che is the only one who knows he's the only one his sister trusts. Rosa is smart, talented, pretty, and very good at hiding what she is and the manipulation she's capable of. Their parents, whose business takes the family from place to place, brush off the warning signs as Rosa's acting out. Now that they have moved again from Bangkok to New York City, their new hometown provides far too many opportunities for Rosa to play her increasingly complex and disturbing games. Che's always been Rosa's rock, protecting her from the world. Now the world might need protection from her. A Life: The Tragic Effects of One,

Interpretative Phenomenological Analysis Jonathan A. Smith, Paul Flowers, Michael Larkin, 2012-08-14. It is not often I can use accessible and phenomenology in the same sentence, but reading the new book *Interpretative Phenomenological Analysis* certainly provides me the occasion to do so. I can say this because these authors provide an engaging and clear introduction to a relatively new analytical approach. *The Weekly Qualitative Report*. Interpretative phenomenological analysis (IPA) is an increasingly popular approach to qualitative inquiry. This handy text covers its theoretical foundations and provides a detailed guide to conducting IPA research. Extended worked examples from the authors' own studies in health, sexuality, psychological distress, and identity illustrate the breadth and depth of IPA research. Each of the chapters also offers a guide to other good exemplars of IPA research in the designated area. The final section of the book considers how IPA connects with

other contemporary qualitative approaches like discourse and narrative analysis and how it addresses issues to do with validity The book is written in an accessible style and will be extremely useful to students and researchers in psychology and related disciplines in the health and social sciences

The Shawcross Letters John Paul Fay, Brian Whitney, 2018-02-13 One man details his unusual friendship with the Genesee River Killer and examines what separates everyday people from serial killers What happens when one of the evilest men in the history of America meets a man he trusts to share his darkest secrets with How does it affect someone already on the edge of society when he is taken under the wing of a serial killer Partly told through the letters of Arthur Shawcross The Shawcross Letters is the tale of one of America's most notorious serial killers and his relationship with his would be biographer John Paul Fay John Paul Fay was a murderabilia dealer with a troubled past Arthur Shawcross also known as the Genesee River Killer was in prison after being convicted of murdering numerous women he officially has killed 14 people in all The two created a business relationship with Fay shopping the drawings of Shawcross and working with him on a book of his life They also created a bizarre friendship in which Shawcross would let out his darkest secrets and Fay would finally meet someone that he himself felt oddly at home with But as we all know be careful what you wish for you just might get it The Shawcross Letters is a unique book it is not only literary but it lets the reader into the mind of a serial killer in a way that few books have ever done before The reader will be drawn into the mind of Shawcross through his letters and will find themselves wondering what actually separates a serial killer from someone that walks among us every day Warning Contains extremely graphic material including descriptions of rape murder and cannibalism Praise for The Shawcross Letters The Shawcross Letters is a graphic and dramatic page turner that delves into the twisted mind of a serial killer A true crime book that will horrify enlighten and keep you up at night Joseph Souza author of The Perfect Daughter As frighteningly real as it gets Not for the faint of heart Patrick Quinlan Los Angeles Times bestselling author of Smoked and The Hit A unique and fascinating look at the Genesee River Killer both despite and partially because the Killer himself is only secondary Instead it examines what the line between the average person and a psychopath entails and the psychology of the fascination with serial killers Ben Arzate Cultured Vultures

Two-Timed: an Adolescent Cancer Memoir Danielle DuChateau, 2021-01-20 The journals are those of a girl I once knew who had cancer and wrote about her experiences She wanted to share her story

in a way that would have helped her in a book about having cancer as a teen written by a teen who experienced it She wasn't lost in battle but she's been gone a long time and I haven't been able to forget her or let her go The story seems unfamiliar and yet I know it by heart It feels like yesterday but seems like a lifetime ago It's the story I never wrote because it was already written and at the heart of it is my journey with cancer a muse a curse and a blessing I've read the book before but I never closed the first chapter a book of journals written by a girl who had cancer Cancer is a part of my story and being a survivor is part of my identity but it is not my entire identity as I felt it was when I was younger At the end of my second treatment I decided I was going to write my story and publish it I even thought of the perfect title for my book *Two Timed An Adolescent Cancer Memoir* I thought of it because I felt two timed by my own body whose very defense system had attacked itself and it had happened to me twice But I didn't write the story The years went by and I decided I could not very well write an adolescent memoir when I was well into my twenties but I still had my journals all the journals Several more years elapsed until now twenty three years after the journey began I am finally writing the story *Lies and Broken Promises - A Tale of Alcoholism* Alan B. Bradley, 2012-06-18 Alan's true story picks up after his parole from Trenton State Prison where he served 27 months of a 3 to 5 year sentence for possession and sale of drugs He thought he had his drug addiction problems beaten He felt that alcohol without drugs would provide him the relief that he needed from his anxiety and depression He started becoming more and more reliant on alcohol as the days passed His social anxiety was so great that he could not participate in conversations in a group context His alcoholic life was a whirlwind of brief sexual encounters and drinking at bars in Greenwich Village His sexual identity was non-existent He had no sexual preference of a female over a male or vice versa Alan was just getting started on his academic career as a free man He had taken his first 4 college courses in prison and was determined to earn at least a bachelor's degree In no time at all he was consuming alcohol before every social gathering whether it was at home at work or on the university campus Alan appeared aloof to many acquaintances but his quiet nature was due to his intense anxiety levels and sporadic depression The years advance and Alan chronicles the huge impact alcoholism has on his life and his urgent attempts to work towards solutions to his inner turmoil As his alcoholism progresses he gets closer and closer to losing everything he's worked and strived for His personal relationships are falling apart His work on the job is suffering and his relationships with co-workers are becoming stressed He needs a solution and he needs it now
