Paul Jennings, 2005-05-03 Hedley Hopkins has a few problems he is the new kid at school straight off the boat from England in the 1950s The only friends he has made are the kids at the Loony Bin especially bald headed long armed Victor But if he could just fulfil a dare and dig out the hideous skull hidden in a grave in the sand dunes he could impress the bullies at school and become their friend But Hedley is not so sure Weird things are happening to his body Is he being punished for his terrible actions And if his uptight parents ever found out what he was up to they might blow up Full moon murderers an open grave religious conversions and sexual awakening meld sometimes poignantly sometimes hilariously in this riveting stunningly original account of growing up in 1950s Australia This coming of age tale is Paul Jennings at his very best
