How I Got This Way George Hampton Sr., 2012-10 How I Got This Way chronicles the true story of growing up in the 1950 s on a primitive farm With very little knowledge of his own ancestor s history the author was inspired to record his own life history so that future generations of his family would understand How I Got This Way He also felt that it was important to preserve a record of what it was like to grow up in a rural primitive farm setting so that a unique and important time in American history would not be lost forever The lessons he learned throughout his childhood infl uenced the man he became through his years in the Navy and later as a Telephone Man While some may feel that the farm life experienced was cruel and unforgiving he would say that it taught him the values of hard work responsibility and a sense of ethics that provided great strength of character that served him well throughout his life His story telling is mixed with humor and honesty as it uniquely describes his childhood experiences through the tender perspective of a child It is the story of overcoming and loving life amid sometimes great diffi culties and trials How I Got This Way is a poignant story of a life that few will have the opportunity to experience in the future
