The Discipleship Opportunity Daniel Im, 2024-06-18. Help your church thrive in a post-everything world. The world is a very different place from what it was just a few years ago. Today's post-everything world is arguably more divisive, political, indifferent, and impatient than ever. While many believe that the best course of action is to find a way back to how things used to be, it is actually the best way forward. Given the many ways that our world has changed, it's time for Christian leadership strategies to change and for churches to approach making disciples, evangelism, and preaching differently than yesterday. The Discipleship Opportunity is a powerful tool for church leaders seeking to navigate the challenges of our rapidly evolving post-pandemic, post-Christian, and post-everything world. In this helpful resource, Daniel Im equips readers with practical ways to reach those who are spiritually asleep in your church and community, disciple your church to know Jesus deeply, and preach differently in today's post-everything world. Discern your church's path forward by learning how to diagnose which shifts to make. Learn disciple-making principles that are as straightforward as they are timely. Whether you're a seasoned leader or just starting out, don't miss this opportunity to emerge as a stronger, healthier, and more evangelistic church.
