G. G. Herklots,1989 **How the Bible Came to Us** Meryl Doney,1997-09-01 NULL **How the Bible Came to Us** Leslie John,2015-06-25 The Holy Bible which is the inspired inerrant and infallible Word of God was under attack for many centuries now The very first attack by Satan on the Word of God was when he came in the form of serpent and asked Eve a cunning question saying Yea hath God said Ye shall not eat of every tree of the garden Satan has been raising questions in the minds of innocent people from that day onward until this day and will continue to ask such questions till the end of the world This book deals with how God s inspired Word came to us in written form God who at sundry times and in divers manners spake in time past unto the fathers by the prophets Hath in these last days spoken unto us by his Son whom he hath appointed heir of all things by whom also he made the worlds Who being the brightness of his glory and the express image of his person and upholding all things by the word of his power when he had by himself purged our sins sat down on the right hand of the Majesty on high Hebrews 1 1 3 If someone points to the fact that there are no originals now and what we have are copies of copies then Hebrews 1 1 3 should tell us that if God s Word which He spoke to the prophets was written down and that which was transmitted from Him to the subsequent writers chosen by Him was true and believable then the scribes who collected fragments vellum or parchments or papyri and worked them diligently for many years putting together should be believed Even though there were errors in compiling the text from the fragments into Codices and then to the Printable Bible that we have today the central theme that God is love and He sent His only Son into this world that whosoever believes in Him shall not perish but have everlasting life never changed **How the Bible Came to Us** Frank Shakespeare Herne,1905 **How the Bible Came to Us** Hugh Gerard Gibson Herklots,1959 *How the Bible Came to Us* Eldon Weisheit,1982 *God's Living Word* Derrick Banyard,1993 **How the Bible Came to Us** Jonas A. Herne,1905 *How Our Bible Came to Us* Meryl Doney,1985 Discusses how the Bible came into being who wrote it early and modern translations monks and manuscripts and the importance of the Bible **How the Bible Came to Us** Meryl Doney,1997 *How the Bible Came to Us* Robbie Trent,1964 *How Scripture Came to Us* Guy Sayles,Michael L. Ruffin,2021-05-04 This unit is partly about how Scripture came to us Along the way we will look at how the Bible developed from its roots in oral tradition to collections of written texts and finally to the biblical canon we now have We will also look at how the Bible came to be translated from Hebrew and Greek into other ancient languages such as English We will seek to develop greater appreciation for all the work that was done by the preachers and teachers who spoke the word the collectors and editors who expanded and organized the word the scribes who copied preserved and protected the word and the translators who

translated the word We will also seek to develop a greater appreciation for the God who inspired the word We will also hopefully grow in our appreciation for the God who stands behind and within the word for the Christ who fulfills it and for the Spirit who enlivens it All of that is going on right here and now so this unit is also about how Scripture comes to us Its words come to us as we make ourselves available to them by carefully and prayerfully studying them In those words we find ourselves drawn more and more into the life of God and into life with God We are grateful for the great gift of our Bible but what do we do with that great gift Do we show our appreciation for it in the amount of attention that we give it Do we approach it with an attitude of humility asking God to help us understand what we need to understand or do we come to it with an attitude of arrogance that assumes we already know what we need to know Do we read our Bibles through the lens of Jesus desiring that our study of the Bible will lead us to a life characterized by the kind of love he showed us and that only he can make possible in us Yes Scripture not only came to us it also comes to us Thanks be to God who made and makes it all possible and to all the people who worked and work with God to make it all possible **The Book** Gerald Pinson,1993-01-01 This book explains how the Bible was copied from generation to generation with marvelous accuracy and preserved with the lives of saints so that we may have the word of God today **The Story of the Bible** Henry Wansbrough,2006 There is a growing interest in the gnostic and other non canonical Christian writings from the first centuries of the Church and increased curiosity and suspicion of conspiracies and cover ups about how the canon of the Bible came to be settled and why there are different Protestant and Catholic versions Should the so called Apocryphal Books be regarded as part of the Bible or not Did the early Church deliberately suppress alternative gospels because they would have threatened its power The Story of the Bible is an authoritative balanced and entertaining introduction to the controversial story of how the Bible arrived by a leading international biblical scholar **HOW WE GOT THE BIBLE** Edward D. Andrews,2023-02-06 Explore the fascinating journey of how the Bible has been passed down to us through the ages in this comprehensive guide to the history of the Bible From its origin to its canonization from its textual transmission to its translation this book delves into the rich history and development of the world s most widely read and influential book With a focus on the key events and people that have shaped the Bible s journey this book provides an in depth look at how manuscripts were made the manuscripts of the Old and New Testament the ancient versions the canon the apocryphal books the copyists the textual variants the role of the early Church the influence of the Roman Empire and the English translations in shaping our understanding of the Bible Whether you re a lifelong Christian or simply curious about this fascinating topic this book provides a fascinating look at the story of how the Bible came down to us **Origin of the Bible, Form #17.002** Brooky Stockton,2020-02-06 Detailed theological study of the origins of the Holy Bible Sovereignty Education and Defense Ministry SEDM is expressly authorized to be republish this document on Google Book and Google Play and elsewhere by the author at the following location on the author s website DMCA Copyright Section 10 <https://nikeinsights.famguardian.org/footer/dmccopyright> *Introduction to*
