How Jesus Treated People:

Jesus the Disabled God Jennifer Anne Cox, 2017-08-25 Have you ever wondered whether God knows what it is like to have a disability Can God know this The answer to these questions matters to the estimated one billion people with a disability worldwide Jesus the Disabled God offers an affirmative answer Jesus ministry was itself a positive affirmation of those who experience disability but Jesus went beyond ministry to people with disabilities and actually experienced disability himself on the cross The amazing thing about this experience is that it was freely chosen even planned from all eternity As a consequence the God man Jesus now knows what it is like to have a disability Furthermore because of his glorious resurrection from the dead Jesus is no longer disabled and can offer hope to those who are The Mind of Christ and the Bible - How Jesus Used the Old Testament Barrett Wilson, 2016-09-09 In these days of terrorists attacks and conflicting religions doubt and confusion are widespread throughout Christianity Many Christians are perplexed about the interpretation of the Bible Never before has there been a greater need for guidance in biblical interpretation as today How many Christians today could benefit from having guidelines for interpreting the Bible that originate with Christ Himself It goes without saying that every Christian could profit from having such a guideline What is biblical interpretation It is discovering what the original author meant but it is more The wise biblical interpreter can provide a sound perspective on difficult and obscure passages When the Bible is interpreted properly its meaning and relevance is made clearer The author has a Master s Degree in Divinity from Duke University and served in Methodist ministry He made a special study of Jesus uses of the Old Testament for forty five years and the results have been delivered in this book How Jesus Became Christian Barrie Wilson, 2010-07-16 In How Jesus Became Christian Barrie Wilson asks How did a young rabbi become the god of a religion he wouldn t recognize one which was established through the use of calculated anti Semitism Colourfully recreating the world of Jesus Christ Wilson brings the answer to life by looking at the rivalry between the Jesus movement informed by the teachings of Matthew and adhering to Torah worship and the Christ movement headed by Paul which shunned Torah Wilson suggests that Paul s movement was not rooted in the teachings and sayings of the historical Jesus but solely in Paul s mystical vision of Christ a man Paul actually never met He then shows how Paul established the new religion through anti Semitic propaganda which ultimately crushed the Jesus Movement Sure to be controversial this is an exciting well written popular religious history that cuts to the heart of the differences between Christianity and Judaism to the origins of one of the world s great religions and ultimately to the question of who Jesus Christ really was a Jew or a Christian

Who Is My Neighbor As Defined By Christ? Denoise P. Sullivan Jr. D.Min., 2024-06-23 In a twenty first century world many struggle to understand and carry out the commands given by Christ in the first century AD originally given by God more than a millennium earlier Are these commands still applicable in our twenty first century lifestyles Do we really need to love the Lord and love my neighbor If so do we even know who God and our neighbors are In Who is My Neighbor as Defined

by Christ author Denoise P Sullivan Jr addresses a host of questions Who exactly is my neighbor Do I need to treat everyone as my neighbor What does treat someone as a neighbor even mean What does it look like to love myself and to then transfer that love to my neighbor What does fellowship and communion with God mean How does fellowship eventually lead to you seeing others as Christ sees them This guide delves into what the Bible says about loving your neighbor and how Jesus taught and still teaches about this key commandment Sullivan encourages you to see your neighbors through Jesus eyes and strive for a more loving equitable society The Christian as Imitator of Christ Francis Kofi Achampong,2025-04-25 Two and a half billion people worldwide profess to be Christians These include people who espouse ideas about White Christianity Christian nationalism Christian libertarianism racial segregation and racial purity It also includes people who see assistance to the poor as handouts that perpetuate poverty The latter group includes people who espouse ideas about accountable individualism where people are expected to pull themselves up by their own bootstraps and become self sufficient as a sign of faith in God s grace and a perversion of crucicentrism which takes the position that it is compassionate to allow poor people to suffer because it can drive them to the cross and salvation in Christ How to Fail as a Missionary Alan Drake,2023-05-25 As difficult as mission work is maybe it s not surprising that there are many ways to fail as a missionary But many of them can be corrected and overcome by applying the wisdom of Scripture **The Critical Journey** Janet O. Hagberg,Robert A. Guelich, The Critical Journey at its core is a description of the spiritual journey our response to our faith in God with the resulting changes that follow In this book authors Janet O Hagberg and Robert A Guelich address the following issues the struggle to find meaning and wholeness the crisis of values and identity at mid life the quest for self actualization the healing of early religious experiences questions about the spiritual journey Their goal is to help us understand where we are on our individual faith journeys and also appreciate where others are in theirs The Critical Journey does not reveal exactly how or when we need to move along in our personal pilgrimages nor does it offer formulas for spiritual growth Rather it describes six phases of the spiritual journey and illustrates how people act and think while in these stages This is an excellent guide for those who are wrestling with their faith and wondering how others have resolved their dark nights of the soul Here is an answer for those who have wondered why everyone doesn t respond in the same manner to the message of the Gospel Intersex in Christ Jennifer Anne Cox,2018-07-20 Intersex is an umbrella term for many different conditions that cause ambiguous sexual biology Intersex people are in between neither clearly male nor clearly female Intersex has been largely hidden through surgery and secrecy but is now coming out into the open Many intersex people have experienced physical psychological and relational pain because of the shame attached to their bodily difference The existence of people with unusual sexual biology presents a challenge to the Christian ideal of humanity as male and female How can evangelical Christians rightly respond to this phenomenon Intersex in Christ provides a balance of grace and truth upholding male and female as God s created intent while insisting that there is a positive place in the kingdom of God

and the world for people with unusual sexual biology Intersex people are created in the image of God because of the love of God Jesus accepts loves and dignifies intersex people The gospel of Jesus Christ is good news for all people however sexed An evangelical response to intersex will therefore be one of acceptance love justice and inclusion Intersex in Christ will help both intersex Christians and the church to understand intersex through the lens of Christ **The Canterbury Preacher's**

Kaden,2021-07-13 Today's social and political climate often pits conservative or traditional Christianity against progressive Christianity. But what is progressive Christianity? What is a progressive Christian? What is a progressive church? Christianity in Blue answers these questions by drawing from biblical scholarship, Christian history, theology, popular culture, philosophy, and cultural anthropology. Kaden shows how socially liberal values and progressive attitudes can be the fruits of taking seriously both the Bible and Christian tradition. But rather than treating these sources as static authorities and the final word on every subject, Kaden argues that they are places to start one's exploration of how to be a Christian in the world. Being a progressive Christian is an ethical exhortation to uplift human personality, as Martin Luther King Jr. once said. This exhortation structures how progressive Christians receive, interpret, and apply the Bible and Christian tradition to daily life. A robust tradition provides an anchor to avoid the illiberal trends in contemporary society and a commitment to uplifting human personality provides a check against dehumanizing uses of Scripture and tradition. Christianity in Blue will help both progressive and conservative Christians better understand the importance of the Bible, theology, history, and philosophy for building a loving church for everyone.

Success Kills Wayde Goodall,2009-03-01 Success we crave, it works for it, dream it, want it as a personal achievement, but how we each define it differs. Power, influence, wealth, fame, or a position of authority, the hallmarks of success we strive for, can just as easily become the cause of our destruction if we don't have a clear set of boundaries by which to live. Corporate and religious scandals of recent years have caused unprecedented havoc and heartache in the world's economy and in the church world. Executive and spiritual arrogance causes a toxic atmosphere in too many organizations. There are safeguards and principles we must focus on to ensure balance with excellence in what we do. Core questions to be considered include: Should you fear Success? Why do so many fail when they attain success? Is failure considered a friend or foe? Do you have a balanced ego, or a preoccupation with self? Take a discerning look at the concept of success in a personal, professional, and spiritual context in *Success Kills*. Explore the gift of adversity, finding a moral north, learning from mistakes, and why some fear. Successful leaders: Discover a more important definition of success and the principles you can put in place today to achieve without compromising yourself or your future.

Bring 'Em Back Alive Dave Burchett,2011-08-03 It was a story Jesus liked to tell. If a man owned a hundred sheep and one of them wandered away, he would without hesitation leave the ninety-nine and search for the one. And when he found that lost sheep, he would celebrate with great joy. In the same way, Jesus concluded, our Father in heaven, like the shepherd, is unwilling for any of his sheep to be lost. Yet all too often, God's sheep do wander from the flock. Sometimes for reasons that are hard to discern, they stray on their own. Other times, they're driven away, perhaps wounded by an unkind word or thoughtless deed. In *Bring 'Em Back Alive*

Back Alive author Dave Burchett shows us the importance of bringing these lost and wounded lambs back to the fold or when we re the ones who wandered becoming willing to return He explains step by step how to replenish the spiritual strength of Christ s body And he reminds us that we like the shepherd can know the joy that comes when a lost sheep returns home Every believer is a precious part of Christ s body When even one is missing the church lacks power and is less than whole Whether we re victims perpetrators or innocent bystanders we re called by God to seek restoration And when one of God s sheep goes missing we have no choice We must Bring Em Back Alive Includes questions at the end of each chapter for discussion and reflection *Journey* Jodie Niznik,2022-05-31 Designed for either individual or group study Real People Real Faith Bible studies combine inductive learning with practical spiritual disciplines taking a new look at ancient stories to discover connections to life today Peter was an ordinary hardworking often overlooked fisherman But that didn t stop God from calling him on an extraordinary journey to become a lasting and inspiring example for Christians worldwide In this eight week inductive Bible study Jodie Niznik follows Peter s complicated often rocky journey of following Jesus She delves into the ways Peter s missteps and failures reveal God s grace and shows where we can draw parallels to our own lives and struggles Moreover she helps you establish specific mindfulness practices for approaching each week s study with a quiet mind and a ready heart Though Peter lived two thousand years ago his life is still proof that God can use your life for His glory despite all the ways you may feel yourself failing coming up short or falling away Jodie s Bible studies are some of my favorite resources Her insightful and practical application of Scripture keeps her studies at the top of my list Anyone who uses this Bible study will feel closer to God and better understand his truth Kat Armstrong preacher author of *The In Between Place* and cofounder of The Polished Network **Montana Rose** Mary Connealy,2009-12-01 Fire up your love of romance with Montana Rose where Cassie Griffin a seemingly spoiled pregnant woman is widowed one day and wedded the next Marrying handyman Red Dawson seems the only alternative to Cassie s being hitched to a brutal rancher But can this china doll bear exchanging smooth silk for coarse calico Red was reluctant to be yoked to an unbeliever but sometimes a man has no choice Will Red change Cassie s heart by changing her name Wade Sawyer is obsessed with saving Cassie from a marriage of convenience How far will he go make her his own **Compassion** Travis A. Miller,2022-08-24 What does it mean to be compassionate How does it go beyond merely caring for others The last several years in America have seen a sharp decline in compassion A deep political divide has surfaced and even worse those who are called most to be compassionate and caring have often betrayed the very beliefs they profess It has created a roiling climate where us against them has become the initial focus on every issue Each side would rather win than be proven right because the other is automatically wrong simply by being the other At the center of this battle is the Christian faith which has been exploited by some and compromised by others The same people that derided Bill Clinton in the nineties for his personal indiscretions now laud Donald Trump as a savior despite similar indiscretions For those that were raised in this it can cause a crisis of faith **KJV, Teen Study Bible**
