descriptions of Shi'ism, Sufism and other important distinctions Provided by publisher **A-L**, 1894 **The Secrets of the Koran** Don Richardson, 2008-06-23 Forget all those evening news sound bites or diplomatically correct half truths about the Koran and the religion of Islam If you want to know what the Koran is really about you have to know what it really says Don Richardson gives you a nitty gritty inside look at the Koran helping to separate fact from fiction These hard hitting observations are not the author's opinion based on what he thinks the Koran seems to imply Muslim boys are indoctrinated in military camps Madrasa schools force memorization and repetition of the Koran particularly those verses that promise heavenly rewards for martyrdom It took courage to write this serious documented and well sourced book But the price of truth is courage regardless of one's religion *A catalogue of Arabic, Turkish and Persian Manuscripts.
