## **Korea And International Law:**

**The Making of International Law in Korea** Seokwoo Lee, Hee Eun Lee, 2016-05-02 The Republic of Korea was colonized in the early 20th century achieved its independence and rose from the ashes of the Korean War to become an Asian power Korea's ascent coincides neatly with the advent of globalization and growing importance of international law in managing the increasing interactions between states and other non state entities such as multinational corporations non governmental organizations and international organizations like the United Nations The Making of International Law in Korea addresses the developments of international law in Korea from human rights concerns to law of the sea issues from maritime delimitation and access to ocean resources to other non security matters Offered as a textbook for academics and students the authors demonstrate the increasingly important role of international law in shaping international relations in Northeast Asia and Korea *Korea and International Law* Choung Il Chee, 1993 Legal Issues of Inter-Korean Economic Cooperation under the Armistice System Eric Yong-Joong Lee, 2002-09-01 This unique work examines the highly topical national and international legal issues of economic cooperation between North and South Korea under the current divided situation In recent years the relationship between the two Koreas has been generating more concern than in earlier times This new interest has been followed by two epoch making developments over the past decade the conclusion of the Basic Agreement of 1991 and the Declaration of the North South Summit of 2000 These events have caused remarkable changes in political as well as economic relations between the north and the south This book reviews the current legal regime and the setting up of a positive legal framework for inter Korean economic cooperation beginning to be regulated by international law This research provides two ultimate outcomes One is to resolve the legal problems for transnational economic cooperation relating to North and South Korea the other is to develop a juridical model of south north cooperation as a new world economic framework for the 21st century Three interrelated areas are involved in this work The first part describes the external environmental factors regarding inter Korean economic cooperation from an international legal perspective The second part deals with the legal framework of inter Korean economic cooperation examining concrete issues arising from practical economic exchanges and cooperation between the two Koreas The last part discusses the legal foundations for inter Korean economic integration beyond economic cooperation This book clarifies the significance of the legal environment as an indispensable servant for the parts of a divided country to recover their relationship offering both a normative and practical framework *Korea and the United Nations* Chi Young Pak, 2021-10-01 This book deals with the political and legal issues of the Korean question in the United Nations This is the first in depth analysis of the meaning and effects of the Korean problem in UN politics The book discusses the UN's role in the management of the Korean problem the effects of the Korean war South North Korea's rivalry over the issues of their legitimacy and international representation the problems of the Korean armistice agreement and prospects for the four party peace talks It also examines North Korea's nuclear program and

structural famine as the new concerns of the international community in the post Cold War era This study is intended as one of the important readings for researchers scholars and students in the fields of international law international organizations and international relations

Legal Reform in Korea Tom Ginsburg,2004-03-01 Law in Korea has historically been viewed as merely a tool of authoritarian rule but since the transition to democracy in 1987 it has served a more important and visible role as a force for social change With contributions from leading US and Korean scholars Legal Reform in Korea explores this response to domestic and international pressures applying a socio legal perspective to both legal practices and the legal institutions themselves which have become a major political issue throughout the developing world An invaluable resource for students of Asian law and Korean studies

*The Oxford Handbook of Comparative Foreign Relations Law* Curtis A. Bradley,2019 This 46 chapter book written by leading experts across the globe compares and contrasts the foreign relations law of nations around the world both documenting important differences and also noting commonalities and emerging trends Comparative foreign relations law is a newly emerging field of study and teaching and this volume is likely to become a key reference work as the field continues to develop

Belief and Practice in Imperial Japan and Colonial Korea Emily Anderson,2016-12-05 Bringing together the work of leading scholars of religion in imperial Japan and colonial Korea this collection addresses the complex ways in which religion served as a site of contestation and negotiation among different groups including the Korean Choson court the Japanese colonial government representatives of different religions and Korean and Japanese societies It considers the complex religious landscape as well as the intersection of historical and political contexts that shaped the religious beliefs and practices of imperial and colonial subjects offering a constructive contribution to contemporary conflicts that are rooted in a contested understanding of a complex and painful past and the unresolved history of Japan s colonial and imperial presence in Asia Religion is a critical aspect of the current controversies and their historical contexts Examining the complex and diverse ways that the state and Japanese and colonial subjects negotiated religious policies practices and ministries in an attempt to delineate these imperial relationships this cutting edge text sheds considerable light on the precedents to current sources of tension
