E. Cummings,2018-07-24 A Miscellany confined to a private edition for decades sheds further light on the prodigious vision and imagination of the most inventive poet of the twentieth century E E Cummings Formally fractured and yet gleefully alive and whole E E Cummings's groundbreaking modernist poetry expanded the boundaries of language In A Miscellany originally released in a limited run in 1958 Cummings lent his delightfully original voice to a cluster of epigrams a poem three speeches from an unfinished play and forty nine essays most of them previously written for or published in magazines anthologies or art gallery catalogues Seven years later George J Firmage editor of much of Cummings's work including Complete Poems broadened the scope of this delightfully eclectic collection adding seven more poems and essays and many of Cummings's unpublished line drawings Together these pieces paint a distinctive portrait of Cummings's eccentric yet precise genius Like his poetry Cummings's prose is lively often witty biting and offbeat he is an intelligent observer and critic of the modern His essays explore everything from Cubism to the circus equally quick to analyze his poetic contemporaries and satirize New

York society As Cummings wrote in his original foreword A Miscellany contains a great deal of liveliness and nothing dead This remains true today more than fifty years after its original publication *COMIC STRIPS & CONSUMER CULT PB* GORDON IAN,2002-09-17 Emerging just as Americans were beginning to define themselves less by what they made and believed and more by what they bought comic strips were from the outset commodities sold by syndicates to newspapers nationwide Ian Gordon demonstrates that the strips most enduring role has been not only to mirror a burgeoning consumer culture but also to actively promote it *The Immediate Experience* Robert Warshow,2001 This collection of essays which originally appeared as a book in 1962 is virtually the complete works of an editor of Commentary magazine who died at age 37 in 1955 Long before the rise of Cultural Studies as an academic pursuit in the pages of the best literary magazines of the day Robert Warshow wrote analyses of the folklore of modern life that were as sensitive and penetrating as the writings of James Agee George Orwell and Walter Benjamin Some of these essays notably The Westerner The Gangster as Tragic Hero and the pieces on the New Yorker Mad Magazine Arthur Miller s The Crucible and the Rosenberg letters are classics once frequently anthologized but now hard to find Along with a new preface by Stanley Cavell The Immediate Experience includes several essays not previously published in the book on Kafka and Hemingway as well as Warshow s side of an exchange with Irving Howe *New York Magazine* ,1968-11-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Spring* ,1997 *Sherrie Levine* Howard Singerman,2018-09-04 Texts including essays reviews and statements by the artist on the work of Sherrie Levine The artist Sherrie Levine b 1947 is best known for her appropriations of work by other artists most famously for her rephotographs of canonical images by Edward Weston Eliot Porter and other masters of modern photography Since those works of the early 1980s she has continued to work on and after artists whose names have come to define modernism making sculpture after Brancusi and Duchamp paintings after Malevich and Blinky Palermo watercolors after Matisse and Miro photographs after Monet and Cezanne as well as Alfred Stieglitz Throughout Levine s practice effectively uncompleted decentered and extended works of art that were once singular and finished posing critical rebuttals to some of the basic assumptions of modernist aesthetics Her work was central to the theorization of postmodernism in the visual arts most notably as it emerged in the pages of October magazine It challenged authorial sovereignty and aesthetic autonomy and invited readings that opened onto gender history and the economic and discursive processes of the art world This collection gathers writings on Levine from art magazines exhibition catalogs and academic journals spanning much of her career The volume begins with texts by Douglas Crimp Rosalind Krauss and Craig Owens that situate Levine in postmodernist discourse and link her early work to October The essays that follow draw on

these first critical forays and complicate them at once deepening and resisting them as Levine's own work has done. All the essays attempt to understand the relationship between Levine and the artists she cites and the objects that she recasts. In these pages Levine's oddly doubled works appear as chimeras, taxidermy, fandom, pratfalls, even Poussin's *Blind Orion*. Contributors: Michel Assenmaker, Douglas Crimp, Erich Franz, Catherine Ingraham, David Joselit, Susan Kandel, Rosalind Krauss, Sylvia Lavin, Sherrie Levine, Maria Loh, Stephen Melville, Craig Owens, Howard Singerman. *The Procrastination Equation* Piers Steel, 2012-06-13. In this groundbreaking book, the world's leading expert on procrastination, Dr. Piers Steel, reveals the truth about why procrastinate and shows us what we can do about it. Using a powerful mix of psychology, science, self-help, and a decade of his own research, Dr. Steel shows us what effect procrastination has on our lives and offers real hope to sufferers everywhere. New to this revised edition, Dr. Steel shows exactly how to apply the techniques in common problem areas, resulting in a step-by-step procrastination busting guide for work, money matters, and losing weight. **American Comic Strips Before 1918**, *Animated Mischief* Brian N. Duchaney, David S. Silverman, 2023-09-21. Over the last century, the medium of animation has served as an expression of childhood as well as a method of subverting the expectations of what society has promised for the future. Separated into three parts, this work assembles various explorations of taste, culture, and passion through animation. Section I features essays that outline the historical changes in art and society that gave rise to an outsider culture that found a home in animation. In the second section, essays examine the practical use of animation as a voice for the underserved. Finally, in Section III, essays analyze the ways in which animation has reshaped the acceptance of outsider status to embrace otherness. Featuring everything from feature-length films to self-produced YouTube videos, the essays in this text reflect a shared love of animation and its unique ability to comment on society and culture. Comics Studies Here and Now Frederick Luis Aldama, 2018-05-15. *Comics Studies Here and Now* marks the arrival of comics studies scholarship that no longer feels the need to justify itself within or against other fields of study. The essays herein move us forward, some in their re-diggings into comics history and others by analyzing comics and all its transmedial and fan-fictional offshoots on its own terms. *Comics Studies* stakes the flag of our arrival, the arrival of comics studies as a full-fledged discipline that today and tomorrow excavates, examines, discusses, and analyzes all aspects that make up the resplendent planetary republic of comics. This collection of scholarly essays is a testament to the fact that comic book studies have come into their own as an academic discipline, simply and powerfully moving comic studies forward with their critical excavations and theoretical formulas based on the common-sense understanding that comics add to the world as unique transformative cultural phenomena. **Editor & Publisher**, 1919. Special features such as syndicate directories, annual newspaper lineage tabulations, etc., appear as separately pagged sections of regular issues. E. E. Cummings, a Miscellany Edward Estlin Cummings, 1958.
