Duffy,1999-03-11 This textbook provides a comprehensive and structured vocabulary for all levels of undergraduate French
courses including relevant higher and further education courses It offers a broad coverage of concrete and abstract
vocabulary relating to the physical cultural social commercial and political environment as well as exposure to commonly
encountered technical terminology Within each section words and phrases have been grouped into manageable assimilable
units and broadly graded according to likely usefulness and difficulty The accompanying exercises for private study and
classroom use are designed to reinforce the work done on lists to develop good dictionary use to encourage independent and
collaborative learning to promote precision and awareness of nuance and register and to offer the opportunity for the
development of cognate transferable skills such as communicative competence teamwork and problem solving The division of
the book into twenty thematic sections allows it to be easily integrated into a modular course structure **Catalogue of
