**Female Desire in Chaucer's Legend of Good Women and Middle English Romance** Lucy M. Allen-Goss,2020 An examination of female same sex desire in Chaucer and medieval romance     Legendary Woman Michelle McClain-Walters,2021-08-03 Every woman is a legend in the making Legendary women aren't just those in the history books or leading in business or politics They are everyday women the single mom the prayer leader the stay at home wife who choose to say yes to God That one simple act can create a legendary legacy that lives on from generation to generation and forever changes the course of humankind as we know it In Legendary Woman Bible teacher Michelle McClain Walters gives flight to the legendary nature in each woman who dares to dream and risk everything to live out her divine purpose Through the stories of women in Scripture and history the book presents twelve characteristics of a legendary woman and challenges you to identify your defining moments when your destiny intersects with an epic need within your family community nation or your world and be willing to say yes to the legendary role God has uniquely fashioned for you In addition prayers and biblically based confessions affirmations and declarations throughout the book will fill you with the confidence you need to embrace who you are at every level This is the finest hour in human history to be a woman The Lord Most High is activating an army of women who will lead preach pray prophesy and prosper under the active guidance of the Holy Spirit Every woman has a place in this army Every woman is a legend in the making Whether you had a dark past or are the unlikeliest of heroes you will come to embrace your path as a real life legend in the making the very expression of God in feminine form Using female world changers of the Bible this book will encourage you to forget your past realize your potential and say yes to the divine destiny God is revealing to you Other Books From Michelle McClain Walters T he Esther Anointing 978 1 62999 587 7 The Deborah Anointing 978 1 62999 606 7 The Anna Anointing 978 1 62999 947 1 The Ruth Anointing 978 1 62999 463 5 The Hannah Anointing 978 1 62999 567 0     Dramatic Revisions of Myths, Fairy Tales and Legends Verna A. Foster,2012-10-10 These new essays explore the ways in which contemporary dramatists have retold or otherwise made use of myths fairy tales and legends from a variety of cultures including Greek West African North American Japanese and various parts of Europe The dramatists discussed range from well established playwrights such as Tony Kushner Caryl Churchill and Timberlake Wertenbaker to new theatrical stars such as Sarah Ruhl and Tarell Alvin McCraney The book contributes to the current discussion of adaptation theory by examining the different ways and for what purposes plays revise mythic stories and characters The essays contribute to studies of literary uses of myth by focusing on how recent dramatists have used myths fairy tales and legends to address contemporary concerns especially changing representations of women and the politics of gender relations but also topics such as damage to the environment and political violence     **Just Watch!** Peter Baxter,1993 No Marketing Blurb     Английский на школьной сцене ,2015-09-11     **Empire of Magic** Geraldine Heng,2003 Drawing upon feminist and gender theory as well as cultural analyses of race class and colonialism this book

revises our understanding of the literary genre of medieval romance It argues that the romance genre arose in the 12th century as a cultural response to the trauma of war     **Prague Palimpsest** Alfred Thomas,2010-10-15 A city of immense literary mystique Prague has inspired writers across the centuries with its beauty cosmopolitanism and tragic history Envisioning the ancient city in central Europe as a multilayered text or palimpsest that has been constantly revised and rewritten from the medieval and Renaissance chroniclers who legitimized the city's foundational origins to the modernists of the early twentieth century who established its reputation as the new capital of the avant garde Alfred Thomas argues that Prague has become a paradoxical site of inscription and effacement of memory and forgetting a utopian link to the prewar and pre Holocaust European past and a dystopia of totalitarian amnesia Considering a wide range of writers including the city's most famous son Franz Kafka Prague Palimpsest reassesses the work of poets and novelists such as Bohumil Hrabal Milan Kundera Gustav Meyrink Jan Neruda Václav Nezval and Rainer Maria Rilke and engages with other famous authors who wrote Prague including Guillaume Apollinaire Ingeborg Bachmann Albert Camus Paul Celan and W G Sebald The result is a comparative interdisciplinary study that helps to explain why Prague more than any other major European city has haunted the cultural and political imagination of the West     **Playing in the Shadows** William H. Bridges,2020-02-10

Playing in the Shadows considers the literature engendered by postwar Japanese authors robust cultural exchanges with African Americans and African American literature The Allied Occupation brought an influx of African American soldiers and culture to Japan which catalyzed the writing of black characters into postwar Japanese literature This same influx fostered the creation of organizations such as the Kokujin kenkyū no kai The Japanese Association for Negro Studies and literary endeavors such as the Kokujin bungaku zenshū The Complete Anthology of Black Literature This rich milieu sparked Japanese authors Nakagami Kenji and e Kenzaburō are two notable examples interest in reading interpreting critiquing and ultimately incorporating the tropes and techniques of African American literature and jazz performance into their own literary works Such incorporation leads to literary works that are black not by virtue of their representations of black characters but due to their investment in the possibility of technically and intertextually black Japanese literature Will Bridges argues that these fictions of race provide visions of the way that postwar Japanese authors reimagine the ascription of race to bodies be they bodies of literature the body politic or the human body itself     **Ghostly Desires** Arnika Fuhrmann,2016-05-19 Through an examination of post 1997 Thai cinema and video art Arnika Fuhrmann shows how vernacular Buddhist tenets stories and images combine with sexual politics in figuring current struggles over notions of personhood sexuality and collective life The drama horror heritage and experimental art films she analyzes draw on Buddhist informed conceptions of impermanence and prominently feature the motif of the female ghost In these films the characters eroticization in the spheres of loss and death represents an improvisation on the Buddhist disavowal of attachment and highlights under recognized female and queer desire and persistence Her feminist and queer readings reveal the entangled relationships between film sexuality Buddhist

ideas and the Thai state's regulation of heteronormative sexuality Fuhrmann thereby provides insights into the configuration of contemporary Thailand while opening up new possibilities for thinking about queer personhood and femininity New Legends of England Catherine Sanok, 2018-03-15 New Legends of England examines a previously unrecognized phenomenon of fifteenth century English literary culture the proliferation of vernacular Lives of British Anglo Saxon and other native saints Catherine Sanok argues these texts use literary experimentation to explore overlapping forms of secular and religious community The Woman Saint in Spanish Golden Age Drama Christopher D.
