probably not two more polar opposite genres than rap music and drag racing The author is by no means an authority on either By 2012 it was apparent that the United States was facing many problems The laundry list included jihadists unemployment health care woes unconstitutional and unchallenged moves by government officials the list seems endless Yet at the core of the nation's ills was the overarching issue of right and wrong How is it defined And who defines it Into this maelstrom of chaos the characters herein find themselves cast Nearly 50 years after the radicals of the 1960s found their answers blowing in the wind what has America become The DJ Racing team of Mountain Home Va find themselves ensnared in a world far beyond 1/4 mile races One will lose life because of it And what of the children who walk through the land where selfish pleasure dominates each individual's daily life Sarah and Micah are about to find out There are others who live outside the tranquil world of Mountain Home They have been gifted to live in the fast lane of pop culture Wealthy yet morally bankrupt the FATFISTS and BARON ALLs of the world are about one thing PLEASURE regardless of the cost If there money to be made at the expense of the innocence of children so be it Then there are the Runks an inter city detective and his wheelchair bound wife Discredited and dismissed by those in power they become the embodiment of Philippians 4:13 I can do all things through Christ who strengthens me
