Thompson,1990-11-01 According to some of the oldest and least known of Hawaii s legends man became a trickster to survive and later became a riddler to win a place for himself in society Vivian Thompson s tales written for youngsters are based on some of the earliest recorded versions of these legends they instruct and delight readers of today as the oral traditions of old captivated their audiences The first voyagers to Hawaii were filled with terror of the unknown terrain inhabited by evil spirits Fearless fellows tricksters those who could match wits not only against nature spirits and monsters but also against chiefs and kings who held the power of life and death became the heroes of the common people As trickster legends emerged from primitive Hawaii so riddler legends grew from later Hawaii where mental as well as physical skills were admired *Hawaiian Legends of Volcanoes* William D. Westervelt,2012-01-10 A richly entertaining series of Hawaiian tales with explanatory facts which will delight and inform both the folklore fan and the general reader The Honolulu Advertiser Hawaiian Legends of Volcanoes made its first appearance in 1916 in both American and British editions as the third in a series that represented a pioneering study of Hawaiian folklore The rich tradition of Hawaiian legends is showcased in it s purest form making this an essential read for anyone living in Hawaii who wants to understand the local culture or anyone interested in classical folklore The book also includes a study of Hawaiian geology which is essential to understanding how the Hawaiian religion and classical Hawaiian stories developed Legends and stories include Ai Au The Forest Eater Pele and the Owl Ghost God Hiiaka s Battle with the Demons The Annihilation of Keoua s Army Kapiolani and Pele and many more Other volumes in the series about Hawaiian culture and history are Hawaiian Legends of Ghosts and Ghost Gods and Hawaiian Legends of Old Honolulu LEGENDS of MAUI - 15 Polynesian Legends from the Hawaiian Islands Anon E. Mouse,2018-10-01 Within this unique volume are 15 legends of Maui Legends like MAUI THE FISHERMAN MAUI LIFTING THE SKY MAUI SNARING THE SUN and twelve more captivating stories and tales from antiquity from the Polynesian people of the South Pacific These legends are not only different from the myths of other nations but they are unique in the character of the actions recorded There are three centres for these legends New Zealand in the south Hawaii in the north and the Tahitian group in the east In each of these groups of islands separated by thousands of miles there are the same legends told in almost the same way and with very little variation in names and content However Maui s deeds rank in a higher class than most of the mighty efforts of the demi gods of other nations and races and are usually of more utility The Maui legends are full of helpful imaginations which are distinctly and uniquely Polynesian in nature Here you will find adventures from the great voyages of discovery which carry fragments and hints of wonderful deeds The Maoris of New Zealand claim Maui as an ancestor of their most ancient tribes and class him as

one of the most ancient of their gods calling him creator of land and creator of man even sometimes the sun himself the solar fire and the the sun god while his mother Hina was called the moon goddess NOTE MAUI Ma u i Ma oo e is a Polynesian demi god His name derives from Mohyi meaning causing to live or life applied sometimes to the gods and sometimes to chiefs as preservers and sustainers of their followers The Maui story probably contains a larger number of unique and ancient myths than that of any other legendary character in the mythology of any nation They also form one of the strongest links in the mythological chain of evidence which binds the scattered inhabitants of the Pacific into one nation They possess remarkable antiquity YESTERDAY S BOOKS FOR TODAY S CHARITIES 10% of the profit from the sale of our books is donated to charities TAGS Maui Hawaii Myths Legends Folklore children s stories adventure exploration Maui s home Fisherman Lifting The Sky Snaring The Sun Finding Fire The Skillful Tuna Brother In Law Kite Flying Oahu Legends Seeking Immortality Hina Hilo Wailuku River Ghosts Hilo Hills Woman In The Moon New Zealand Maori Polynesian Pacific Ocean South Pacific Canoe *Legends of Hawaii* Sage Hall,2023-12 Are you interested in Hawaiian Legends but don t know where to start Check this book out Hawaii is a popular vacation spot for many and has a rich history that has been around for thousands of years Here are some of the legends that have survived This book has stories about How Hawaiians believed the islands were created The creation of coconuts Why taking volcano rocks from the islands is a bad idea on top of being illegal The legend behind the flower on the cover This book may not have all the legends available but it can be a good start to help you take a peek at Hawaiian culture If you want to explore a bit more into the legends of one of the most physically isolated cultures in the world check this book out **Hawaiian Legends in English** A.
