## **Legends Of The Bible:**

Legends of the Bible Louis Ginzberg, 2001 Bible Legends explores the rich crop of legends that occur in the Old Testament many of which are the key to the richest literary and artistic traditions of the western world Real people emerge from these familiar and not so familiar stories Adam s ascent into Heaven in a chariot Abraham s trial by fire Jonah s adventure in the whale Solomon as a beggar the wooing of Rebekah the life of Moses David and Goliath Cain and Abel In this fascinating book Louis Ginzberg presents the Bible s spiritual values in new colours and dimensions This is storytelling with a grain of salt and a lot of wit These tales sprang from the ancient oral tradition and changed the daily thoughts and deeds of a hundred generations here their power and truth is examined *Radio Drama* Martin Grams, Jr., 2024-10-16 The free standing radios of the middle decades of the 20th century were invitingly rotund and proudly displayed nothing like today s skinny televisions hidden inside entertainment centers Radios were the hub of the family s after dinner activities and children and adults gorged themselves on western adventure series like The Lone Ranger police dramas such as Calling All Cars and the varied offerings of The Cavalcade of America Shows often aired two or three times a week and many programs were broadcast for more than a decade comprising hundreds of episodes This book includes more than 300 program logs many appearing in print for the first time drawn from newspapers script files in broadcast museums records from NBC ABC and CBS and the personal records of series directors Each entry contains a short broadcast history that includes directors writers and actors and the broadcast dates and airtimes A comprehensive index rounds out the work *Basic Library Skills, 5th ed.* Carolyn Wolf, 2010-03-22 This brand new edition of Wolf s acclaimed work provides a self contained short course in essential library skills for patrons of college high school and public libraries The intent is to provide a quick and easy way to learn to do library research The exercises contained herein give students hands on experience by applying rules stated in the text to situations that approach real research problems Subjects addressed include a brief tour of the library card catalogs and cataloging systems filing rules online public access catalogs subject searching bibliographies book reviews and parts of a book dictionaries encyclopedias handbooks atlases gazetteers periodicals newspapers online database searching and reference sources literature and criticism e books government information and government documents biographies business career and consumer information non print materials and special services online computer use in libraries and schools and hints for writing term papers Instructors considering this book for use in a course may request an examination copy here
